# 1958 Fall Field Trial Dates

<i>Date</i>	<i>East Coast</i>	<i>Central</i>	<i>Midwest</i>	<i>West Coast</i>
Sept. 13-14	Hudson Valley			
Sept. 13-14-15				Washington
Sept. 20-21		Badger		Oregon
Sept. 19-20-21	Upper New York			
Sept. 27-28	Central New England		Ringneck	Northern California
Sept. 26-27-28		Buckeye		
Oct. 4-5	Southern New England		Skyline	California
Oct. 3-4-5		Michigan-Saginaw		
Oct. 11-12	Maryland		Nebraska	Golden Empire
Oct. 10-11-12		Michigan		
Oct. 18-19	North Jersey	Pennsylvania		
Oct. 17-18-19			Missouri	
Oct. 24-25-26		Illinois	Midwest	
Oct. 31-Nov. 1-2		Ohio		
Nov. 7-8-9		Hoosier	Sooner	
Nov. 14-15-16		Kentucky		
Nov. 29-Dec. 5	<b>NATIONAL SPECIALTY SHOW AND TRIAL</b>			
1959 Spring				
Jan. 23-24-25	Southeastern			

## PLEASE NOTE

Due to the increase in the number of regional clubs holding trials, the National Field Trial Committee felt the best interest of all clubs could be served, by dividing the country into four separate circuits. All future schedules will be made up in this manner, with no conflicting dates within a circuit. All schedules will appear in *The American Brittany Magazine*, and a copy will also be sent to all regional secretaries.

COVER . . . THE LATE WALTER B. KLEEMAN

WALTER B. KLEEMAN

—Photo by John G. Hemmer

#### IN MEMORY OF WALTER B. KLEEMAN

The American Brittany Club, Incorporated, at its annual meeting at Carbondale, Illinois, on December 2, 1957, unanimously adopted the following resolution:

THAT the Directors of the American Brittany Club, for themselves and on behalf of its Officers and all other members, record with profound sorrow the untimely death, on September 28, 1957, of Walter B. Kleeman.

Over the long and eventful period following the organization of the American Brittany Club, Mr. Kleeman gave most generously of his time and effort to forward its best interests. Prior to his death he had been a member of its Board of Directors for many years, and also during its history had served as its Secretary, Vice-President and President.

Walter Kleeman won the confidence of all who knew him and, by his constant devotion, dynamic personality, and inspiring leadership, he added immeasurably to the outstanding success and high character of the American Brittany Club and the wide recognition now extended the Brittany as a great sporting dog.

Always considerate and kind, he was a loyal, genial, inspiring and helpful associate and friend, whose memory we shall treasure with love and admiration.

—Rorabaugh and Millsap Studio

### WALTER B. KLEEMAN TROPHY

In over 30 years experience with field trial people and their dogs, I have known many men . . . Walter Kleeman was a giant among these men.

After returning from the Pacific in the mid 40's I was introduced to the Brittany and attended my first field trial where I met Walter. By 1948 he and Alan Stuyvesant were grooming me for other duties far removed from simply hunting with the Brittany. In our frequent meetings and communications, Walter's devotion to the breed he admired and the organization he was so instrumental in founding became more and more apparent. His sense of fairness to all was sometimes obscured by his intense desire to formulate an organization to protect and preserve both breed and individual. Through many trying times he guided the destinies of the struggling American Brittany Club until he now leaves us with an organization of which we are all justly proud.

Walter's true sportsmanship was shown in regard to the National Champion Stake. Originally only lukewarm to the possibilities of such a program, he later worked untiringly to have it approved. The necessary journeys to New York and elsewhere were made at a great sacrifice of his time and efforts. It is only fitting that his name is attached to this stake, the greatest of all Brittany field trials, and is inscribed on the rotating trophy presented to the annual winner. The American Brittany Club is honored to have his authority and dignity perpetuated by this association. Some may give as freely and unselfishly of their time and energy, but it is doubtful if anyone will ever mean as much to the American Brittany Club as the late Walter B. Kleeman.

ALLEN TRUEX

## VERSATILITY—THE GREATEST VIRTUE

Col. Jack Bollerud

Hanging on the wall I face every day as I sit at my office desk is the picture that stimulated what I have to say. Naturally it depicts the Brittany Spaniel. I believe it significant that the lithograph was copyrighted in Paris in 1938, not long after the Brittany Spaniel was introduced into the United States. It was done by Leon Danchin, a well-known French artist noted for his graphic studies of wild life and sporting dogs.

This Brittany is no pretty-boy of the show ring, handsome as he is, nor is he performing in a style which would warm the heart of the Field Trial judge. This composite study shows him steady-to-flush to a covey of Hungarian Partridge, at ease beside a brace of recently retrieved ducks, carrying a shore bird, and making what looks like—praise be—a most solid point on a rabbit. One normally thinks of these acts in terms of several dogs such as the pointer, setter, hound or retriever and not in terms of one dog. But this IS one dog, a Brittany Spaniel, showing his versatility: the greatest virtue of the breed. It was this all-purpose aspect found only in the Brittany which led me to the purchase of my first in 1946. It has been my experience, hunting and working with Brittanies since that time, that has formulated my convictions. For the "one dog man" that all-purpose-Brittany is unexcelled.

A hunting dog has always been my favorite, and I am sure if my vocation had been one that established me in a fixed location, a Labrador or setter

would have been a charter member of the household. Stability of habitat has not been my destiny and frequent moves over the Continent have been routine. Not knowing where we would be living from year to year, not knowing what we would be hunting, just about ruled out the possibility of having a dog other than an all-purpose type. It was necessary that he be fairly small since shipping or traveling with any dog of size has obvious disadvantages. This situation in time led us to the Brittany Spaniel and we have indeed found him to be an admirable solution to all our problems. He has adjusted readily to new homes and environments and has been forever willing to hunt the game in evidence in the area.

How versatile can a dog be? Just how much can you teach him to do? Let me tell you about Britt. He was born in North Dakota and joined our family in Texas at the age of four months. He made his first point on quail shortly thereafter. His first retrieve was also quail, the age of six months, the result of an off-season lucky toss of a rock. As it worked out, to my knowledge, that was the last quail he had the privilege of picking up as we were transferred shortly thereafter, but not prior to the dove season. The pup was then about seven months old and he took to retrieving dove with some misgivings: the birds feathered out badly, a factor further complicated by very hot, dry weather. Nonetheless, he worked hard daily and in spite of heat, feathers and cactus was off to the start

of a good life in the field.

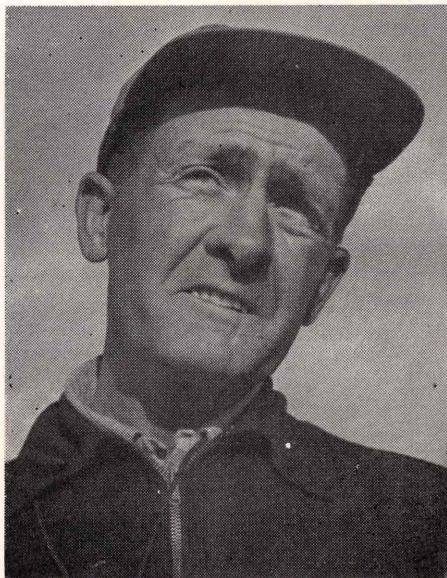

His next outing was that same Fall in the State of Washington. At this time he and I had to part company for several months during which time I managed to prevail upon an old friend to take care of my bird dog. I am sure that he had some misgivings when he looked at that hard-worked pup, especially as he had been a setter man of long standing. Whatever doubt he felt at first was short-lived when the pheasant season opened shortly thereafter. In spite of the fact that the dog had never worked on pheasants, the opening day netted eleven cocks in an area noted for poor productivity. During the remainder of the season Britt worked and retrieved well.

For the next few years he was an Alaskan dog; if not the first Brittany, surely one of the first ever to be brought into the Territory. There he became acquainted with several new birds. He hunted pintail, Franklin, and ruffed grouse along with ptarmigan. Upland birds were but a minor part of the work, the heavy going came with ducks and geese. Over the years he worked in all kinds of weather and in water that varied from salt to murky glacial streams. Cold weather did not seem to bother him greatly and on more than one occasion he broke ice while making a long retrieve. Much of his waterfowl work was in the company of a Labrador. He was no match for this rugged dog's strength, But he always managed to retrieve his share of the birds, making up for what he lacked in size by employing keen nose and inherent bird-sense. Alaska was followed by Canada, with one fall on the Alberta prairies and two shooting seasons divided between ducks on the Ottawa River and ruffed grouse in the Gatineau Hills.

I suppose all animals have likes and dislikes. Britt's passion developed for frogs. He would spend untold summer hours entertaining himself, belly deep in water, trying to put a foot on a wiley amphibian. When he succeeded in pin-

ning one down, he would submerge his entire head so as to pick it off the bottom. If he had a pet hate I suppose it was flies; he would snap at any that came within range. Frustration was evoked by squirrels which he found exceedingly sassy and impertinent. To him, anything that moved was fair game. In some Happy Hunting Ground he still retains his intense desire to hunt, not caring much what, when or where it might be, for Britt was a true all-purpose dog.

The situation within the American Brittany Club might warrant some consideration. Obviously, the mission of any such organization is the ultimate improvement of the breed, an objective which precipitates no quarrel here. But is this being accomplished? The Brittany originally made his reputation as an all-purpose hunting dog, but we are not exploiting him as such in our club. He is relegated to the pointing-dog class in the field and as just another

Yes, I know Corky!

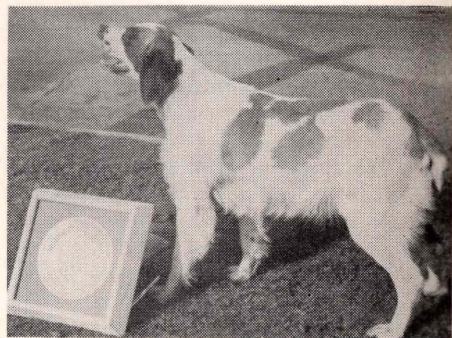

dog in the ring. Disregarded is the Brittany's inherent desire to retrieve. Forgotten entirely is his ability to work water. Even his interest in fur is to be condoned if he is to be accepted as the true all-purpose dog.

The Brittany Club is young in years as clubs go, and if it were not for a few true lovers of the breed we would have no organization or club at all. A start had to be made and in order to be recognized, it had to be patterned after the structure of other previously organized clubs. The dog's pointing instinct was well-known, so it was natural to see the Brittany relegated to the pointing-dog class. So far, so good, but herein lies the danger. As the number of Brittannies increases and more clubs are organized, more and more attention will be paid to Field Trials. In that the dog is now competed in only pointing dog class, breeders will naturally develop strains that are long on range only and forget the traits that make the Brittany what he truly is. The show ring has its place only if it adheres to conformation, the conformation of the all-purpose hunting dog, and effectively discourages the development of a long-legged ranger of setter proportions. It would appear that a very critical period in the development of the Brittany as a breed is approaching. The decisions of the next few years may decide his ultimate fate.

There are a number of ways the prime characteristics of the Brittany Spaniel can be maintained, but probably the best method would be through the continued use of trials. Would it not be possible to run dogs in all-purpose trials wherein they would be required to retrieve both from land and water, point game and be steady to wing and shot? Competition lends itself to development and improvement. If the development of a dog with all these qualities is the sincere aim, it would appear that the early establishment of this sort of trial would serve this goal.

Let us look at the Brittany in another way. Is it not foolish to think that a

30-pound dog can outrun and out-hunt 50 pounds of raw-boned pointer? Or, if you are somewhat of a non-conformist and have taught your Brittany to retrieve, isn't it wishful thinking to believe he can buck waves in the same manner as a 60 pound Labrador? On the other hand, it has been my experience that the little Brittany will point far better than the Labrador and will work water like a champion when compared to the pointer. It must be recognized that the Brittany is not a specialist, but a completely versatile hunting dog. As such he should be developed; bred and trained for this class he has no peer. As a contemporary of the specialist he is doomed to be relegated to the position of mediocrity, and will never gain the stature and recognition he so truly deserves.

SCOUT OF EDOUGH C. D.

On 29 March 58 the International Kennel Club of Chicago held its field demonstration which this year was won by a Brittany Spaniel, Scout of Edough.

This trial was held indoors and the field was arranged to simulate actual outside hunting conditions. Live pheasants were used. The dogs were allowed 6 minutes in the field and blanks were fired over the dog on point.

The entry of 15 included many of the pointing breeds. A German Drathaar placed second and a pointer third.

## NATIONAL COMMITTEE PROGRAM

Charles W. Morse

Your National Committee is composed of the following: Charles W. Morse, Chairman; John W. Lee, Field Trial Chairman; Henry A. Holleyoak, Show Chairman; Ruth E. Lee, Chairman of Reporting; Marcelle Bell, Trophy Chairman; George E. Millar, Futurity Chairman; Jack F. Secor, ABC President; and Dr. S. Allen Truex, ABC Secretary.

Since assuming office, many problems have presented themselves to the committee. First, there are the usual arrangements for the National Show and Trial. The progress on these to date, will be reported in separate articles by the respective chairmen.

Perhaps, the toughest problem to solve was the Field Trial Schedule. With our rapid growth to thirty active clubs, it was necessary to divide the country into four separate circuits. Thus, your field trial committee was able to arrange a workable schedule eliminating conflicting dates within a circuit, and still adhere to all state conservation laws. Except for a few necessary changes to erase undesirable date conflicts, all clubs have their regular dates. Future field trial schedules will be forwarded to regional secretaries one year in advance, in order to allow all clubs ample time to complete their trial arrangements.

During the past year, we have received many requests from regional officers for the names of experienced Brittany Field Trial Judges. In order to give equal service to every club, your committee decided to compile a list of

all Brittany field judges throughout the entire country. Every regional was contacted for their suggestions as to judges who should appear on this list. Thus far 14 clubs have responded, and a partial list has been forwarded to all regional secretaries. As more suggestions are received, a supplementary list will be compiled. With the aid of every regional, we hope to keep this list current at all times.

Though your committee has been kept busy (after all, that is our function), the lack of work necessary to arrange show dates has caused quite a bit of concern. This past year, only five clubs requested show dates. Of these five, only one held their Specialty Show in connection with their field trial. This is something we would like to see occur more often—Specialty Shows in conjunction with our Field Trials. The lack of these two events being held together is quite disturbing. Does it mean we are no longer interested in the Dual Dog—that we are drifting in the direction of other sporting breeds—a separate show type and a separate field type. We hope not. The founders of our breed club in this country dedicated themselves to keeping our little Brittany a DUAL DOG. They succeeded, and thus we are able to point with pride to the fact that our Brittany is the only DUAL PURPOSE DOG in the Sporting Group TODAY.

Many of you will ask, "How do we get started on holding a "License Show?" Actually the procedure is much the same as securing your field trial

license. You must first hold two Sanction Matches at least six months apart. These are run much the same as a regular point show except that the catalog may be typed or mimeographed instead of printed. You must secure approval of AKC for your date. This application must be accompanied by ABC letter of approval and the necessary fee. Official AKC entry blanks must be used and the match conducted under AKC

match rules. At conclusion of match regular judges' books accompanied by all entry forms and a marked catalog must be filed with AKC. Upon completion of two successful matches of this type you will then be granted a show license by AKC. Any clubs desiring more complete information, please contact the writer. He sure hopes he is swamped with requests.

## EDITOR'S NOTES

Allen Truex

Let me express my thanks for the improvement in reporting. Ruth Lee has performed a superb job in assembling and organizing the field trial reports. The pictures are also much better. What do you think of the charts? They represent many hours of tedious work on Ruth's part but serve some very useful purposes. Most important is that the information is centralized and summarized so that it is more easily found and utilized. Valuable magazine space is saved. Repetition is eliminated. Please return the required forms to Ruth immediately after your trial is completed.

Dr. Fred White has agreed to serve as advertising manager. This is the first step in completely altering our advertising program. More of this later as the details are completed.

Notice to all Regional Secretaries:

1. Many magazines are being returned because of incorrect address.

2. PLEASE collect and remit dues for 1959 prior to 1 Jan. 59. This should be done by the present secretary without waiting for the new secretary to take office.

3. Notify the national office of name and address of your official delegate to the annual board of directors meeting. It would not be out of order to elect an alternate.

## LUND'S RANDY OF TROY

Lund's Randy of Troy died on his fourth birthday at the start of what promised to be an outstanding field trial career.

Randy completed his bench championship and C. D. X. before the age of two. Trained by his owner Ejner Lund, he was a consistent threat at any field trial. His bench show activities resulted in 15 B of B, 11 BOS, and one group placement. He had 12 field trial placements, including a win in all breed trial. These field trial placements were primarily earned as a young dog after which he was completely incapacitated for a year with arthritis. Last fall he unbelievably recovered sufficiently to be entered in the field trials and won several places, narrowly missing two firsts. At the close of the hunting season he developed leptospirosis to end his exciting career.

## NATIONAL SPECIALTY SHOW

Henry A. Holleyoak

The 16th National Specialty Show will be held at Carbondale, Illinois, on November 29, 1958.

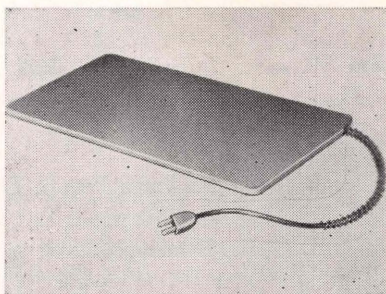

Each regional club has been asked to select a member of the show committee and they in turn will select a suitable judge who is well acquainted with our standard—a standard written for a field dog of good conformation.

In the past, many entries have been received without the champion of record prefix, not only for the entrant but also his sire and dam. All of us should be proud of finishing a Champion, so please mark the entry as Fld. Ch., Ch., Dual Ch. and also include all obedience degrees.

Each year the gallery has noticed

the excellent conformation of a high percentage of our field trial dogs, yet many of these dogs have never had a chance to compete in the show ring. Why? The aim of our breed is the development of a DUAL DOG, we quote, "The purpose of this club is to promote cooperation and friendship among the breeders and owners of Brittany Spaniels, and to encourage higher standards in breeding, training and showing of Brittany Spaniels, in the field and in the show ring. To discourage the breed from becoming split into groups of "field dogs" and "bench dogs" and to strive to keep it forever a "dual dog." Let's strive to fulfill the purpose of our club.

## A Safe Warming Pad for New Pups

Here is just the right, even, constant warmth new puppies must have. Fully insulated, absolutely waterproof. Low wattage unit plugs into any 110 volt outlet. Easily cleaned, aluminum surface. Nothing the puppies can chew, tear, or claw. No thermostat to set, bed holds constant heat, with no heating up or cooling down periods. Surface may be covered with straw, torn paper or toweling.

Sizes: 14 in. x 18 in., 7 lbs., \$9.00; 18 in. x 24 in., 10 lbs., \$10; and 24 in. x 30 in., 16 lbs., \$15.75. All prices F.O.B., South Bend.

Money back guarantee on beds returned within two weeks if not satisfactory.

## 1958 NATIONAL TRIAL DATE SET

John W. Lee

The week beginning November 29, 1958, has been set for the start of the Brittany National Trials this fall at Crab Orchard Wildlife Refuge near Carbondale, Illinois. A National Trials Committee, with members representing the various regions, is at work planning the event. If any of the American Brittany Club members have suggestions concerning the National Trials, please pass them along to a member of the committee from your region. The Committee is as follows:

John W. Lee, Indianapolis, Ind.,  
Chairman

### East Coast:

James B. Bell, Jr., Palm Beach, Fla.  
R. B. Fox, Orleans, Mass.  
Thad S. Cwik, Flemington, N. J.

### Central:

C. W. Morse, Euclid, Ohio  
George Millar, Cleveland, Ohio  
Earl Chappell, Northville, Mich.  
Dr. Fred Z. White, Chillicothe, Ill.

### Midwest:

Richard L. Culbert, Sioux Falls, N.D.  
John A. Costelow, Topeka, Kansas

### West Coast:

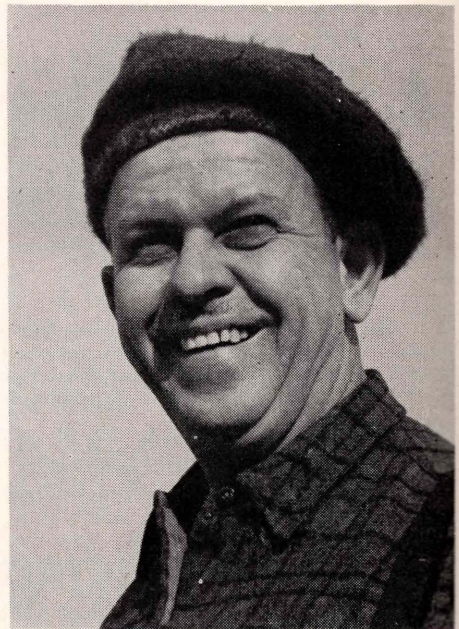

Dr. J. M. Sullivan, Berkeley, Calif.

### Advisory Members:

W. E. Stevenson, Stamford, Conn.  
H. P. Clements, Chicago, Illinois

### Ex-Officio Members:

Jack Secor, Pres., American Brittany Club  
Dr. S. Allen Truex, Sec., American Brittany Club

Curling Anyone?

## DUAL AWARD

Marcelle Bell

For the third successive year the President of the Youngstown Kitchens, Mr. C. D. "Deck" Alderman, is offering a beautiful sterling silver trophy for the Brittany Spaniel declared the Dual Winner at the National to be held at Carbondale, Ill., November 29-December 5, 1958.

This trophy is awarded the Brittany accruing the most points in both the Specialty show and Field trial. The points upon which the award is to be given was published in the last issue of the American Brittany magazine, page thirty-three.

It is the opinion of the writer that

we should all work toward the Dual dog. As everyone knows many of the Sporting Breeds have become divided into two separate classes, Show and Field. Until now breeders of the Brittany Spaniel have been trying to maintain the Dual Standard. We certainly owe the Youngstown Kitchens a debt of gratitude for their kind assistance in furthering this idea.

Being the owner of the Dual Award winner must surely be the pinnacle of all our hopes. Here now is your opportunity. Be sure you enter your Brittany in both the SHOW and FIELD!

## FUTURITY

George E. Millar, Chairman

The American Brittany Club Futurity has shown a gratifying increase in enrollments over the past few years with more and more breeders each year taking part in the many advantages offered by this program.

There is, however, more room for improvement. Some breeders are still hesitant in using this service, so some features are mentioned here for the information of some of these Brittany owners.

In addition to the obvious money making possibilities, the Futurity enrollments get national publicity in the American Brittany Club magazine, requests for puppies directed to the National Secretary are referred to the

Futurity enrollment lists, opening markets for your puppies in areas not normally available to breeders. (See back of Futurity form for further details.)

We request you give the American Brittany Club Futurity your consideration the next time you breed your bitch and follow-up the sale of the litter so that your kennel will be represented in the run-off at the National.

Contact your regional Secretary or the Futurity Chairman for further information.

The Thirteenth Futurity nominations will start for all pure-bred Brittany Spaniel bitches bred on or after October 30, 1958.

## ELEVENTH FUTURITY

George E. Millar, Chairman

The following is the list of all eligible litters. All puppies in these litters are eligible to be entered in the Eleventh Futurity. Entries close on August 1st. You may obtain entry blanks either from your breeder or the futurity chairman.

### COMPLETED ENROLLMENT LIST

PACOLET'S BONNE LYNN . . DU.  
CH. REMARKABLE DE FONTAINE  
VALLEE—1-4-57—4 males, 4 bitches;  
Dorothy Kay Morehouse, Kaymore  
Kennels, R. D. 1, Salem Depot, N. H.

PEPI OF PACOLET . . DU. CH.  
ALBEDO VALLEY DINGO—1-3-57  
—3 males, 2 bitches; Mrs. Bart F.  
Ferguson, 4805 Springcreek Rd., Knox-  
ville, Tenn.

HOLLEY HAVEN SALLY . . HOL-  
LEY HAVEN PUNCH—1-2-57—2  
males, 5 bitches; Florence V. Holleyoak,  
2344 Hannan Rd., Wayne, Mich.

HOLLEY HAVEN JUDY . . HOL-  
LEY HAVEN COLONEL—1-4-57—1  
male, 2 bitches; Henry A. Holleyoak,  
2344 Hannan Rd., Wayne, Mich.

CH. WILD HAVEN VICKIE . . FLD.  
CH. JOEY OF HUNTERHAVEN—  
1-5-57—3 males, 2 bitches; Lon D.  
Ford, 307 W. Granet, Hazel Park,  
Mich.

PACOLET'S BUSHY GAL . . DU.  
CH. ALBEDO VALLEY DINGO—  
1-3-57—2 males, 2 bitches; Nils O.  
Nielsen, Pacolet Mills, S. C.

CH. RUBY OF EDOUGH . . DU.  
CH. TEX OF RICHMONT—1-8-57  
—4 males, 3 bitches; Nils O. Nielsen,  
Pacolet Mills, S. C.

RUE—1-2-57—3 males, 3 bitches;  
Robert F. Landskroener, 735 N. Arcade,  
Gladwin, Mich.

RIVIERE DUVET SAL . . HOLLEY  
HAVEN PUNCH—1-8-57—1 bitch;  
Roy O. Meyers, 910 7th St., Wyandotte,  
Mich.

INNONIMATA MERRIE MARVEL-  
OUS . . BONNIE'S KAY'S RICKI  
IMAGE—1-5-57—1 male, 2 bitches;  
Jerome N. Halle, 445 Hanna Bldg.,  
Cleveland 15, Ohio.

RONILE AVONO MAJ LANGLEY  
. . DU. CH. AVONO HAPPY—1-4-57  
—1 bitch, 1 male; Jack L. Whitworth,  
Jaycox Rd., Avon, Ohio.

NATALIE GIRL . . FLD. CH. BELL-  
OAKS GUNNER—1-18-57—5 males,  
4 bitches; Russell A. Cookingham, Box  
361, Monument Beach, Mass.

SEPIA OF LEEWAY . . FLD. CH.  
FERDINAND OF LEEWAY—1-10-57  
—6 males, 5 bitches; John W. Lee,  
6850 East 56th St., Indianapolis, Ind.

FLD. CH. MISTE DE KLEMANOR  
. . DU. CH. TIGRE DE KLEMANOR  
—2-7-57—7 males, 3 bitches; Walter  
B. Kleeman, 21 S. Fountain Ave.,  
Springfield, Ohio.

FE'S SOMETHING ELEGANT . .  
FLD. CH. TOWSEY—1-15-57—2  
males, 3 bitches; Paul E. Fast, 5519  
So. Barnes, Oklahoma City, Okla.

VALLEY'S QUEEN . . DU. CH.  
TIGRE DE KLEMANOR—1-27-57—  
5 males; Roy H. Noggle, Box 67, Spring  
Valley, Ohio.

BONNIE RENE . . CH. AVONO  
CORKY—2-8-57—5 males, 4 bitches;  
Arthur H. Hancock, 426 Kenyon Ave.,  
Elyria, Ohio.

MERRIE ANNE DE BEAUCH . .  
MARK OF PASSAMONTE—2-5-57  
—2 males, 3 bitches; Thomas Passa-  
monte, 12 Genesee St., Mt. Morris,  
N. Y.

SPICYOALAH DE MACEECHAIDH  
. . SUZIE'S LITTLE DUKE—1-25-57  
—4 males, 4 bitches; Edwin P. Weik,  
2106 Timberman Rd., Hamilton, Ohio.

JET'S LADY . . FLD. CH. DINGO'S  
LITTLE MIKE—2-4-47—2 males, 5  
bitches; Lyndell Lee Arnold, Route 4,  
No. 6 School Rd., Evansville, Ind.

FLD. CH. BUTTONS AND BOWS  
. . FLD. CH. DINGO'S LITTLE  
MIKE—1-13-57—5 males, 2 bitches;

## TRIAL TALK

Nicky Bissell

Yes, I really goofed last issue and missed the new closing date completely. So better late than never. Here are the summaries of the fall of 1957.

Top honors among the youngsters were divided between two dogs. Holliday Britt, futurity winner, who placed in both Open All-Age and Amateur stakes as well as winning derbies. The other youngster is Juchoir's Light Lodestar, who broke all existing records for a puppy on the West Coast and nationally annexed third place in the all-time puppy records. Her record was beaten only by Chic and Destin de Klemanor, both out of Mistie de Klemanor. Other youngsters were Taffy, owned by Doc Blair, who did consistent placing in the Midwest. Pacolet's Genii lived up to Jane Thompson's prediction that this was the best pup she had yet seen and got three firsts. Juchoir's Song of the South, also in the Thompson string, accounted for three firsts. Ferd's Flag of Leeway topped a winning season with a futurity placement. Brittchester's Sneaky Pete again won honors for the Burbanks.

In the older dogs Belloaks Ibby (now Dual Champ) cleaned up for top place. Pressing her closely was the MacWhorter's Buena Vista Beau. The Mac's have supported trials since their start on the West Coast. Mac's Cornouaille King, a newcomer to the winners circle, and owner-handler tied Beau for second. Nice going for a first winning season. Sir Ted finished his championship in a blaze of glory, handled by Russ Cook. Lund's Randy of

Troy was completely owner-trained and handled, Lund's first bird dog. Last year he was stricken with arthritis and given up as incurable. But the Lunds carefully nursed him back to health so he could be among the season's top winners. His recent death was a blow, as he was a fine Dual type dog. Stevenson got his Helgramite Tarquinius in quite a few times. Jefferson of Minnehaha completed his title. Jeff is the first South Dakota bred and owned Champ. Also completing her championship the bitch with the name, Dwight's Hallowe'en Spook. As wins are compiled on Official AKC point trials Benji of La Rue with three firsts doesn't quite make this list, but he also managed to win a FDSB recognized Brittany Grouse Championship, so special mention to him.

Belloaks King is now a Dual. With a Dual sire and dam and three Dual grandparents, doubt if his pedigree can be equalled. Bells own King and his Dual ma, Ibby.

First time a trial postponed. Colorado had too much snow last spring and had to put the trial off till a later date. Sorry to see our first club go on the inactive list. Old Dominion, having lost its spark plug, seems to be the first club to fold. A kennel name much in the winners column lately, Siouxland . . . Jippo la Chasseur won his title. Much credit to owner-handler Squires, who didn't leave the state of Michigan to accomplish the deed . . . The last 8 places that Torchy of Lionheart II has won are all firsts . . . Liver and white boosters note! All the first place

winners at Saginaw were liver and white.

New grounds at Ohio. Just east of bird field was a soy bean field and a watchful farmer. Woe betide any Britt who set foot in his beans. Cost Steve an extra \$3 to run Tarq and John Lee had to cough up for Ferdy, too. But wasn't it worth it, John? Ferdy retired the Tom Talbott Trophy, which I swear was five feet tall and the most elaborate I ever saw. As this was Ferdy's third leg, John and Ruth get to keep it permanently.

Glad to see two former winners back on the circuit under new owners. Hero's Master Spot is winning for Crippen and Gagel's Dutchman for Cormican.

The only dog that came to a trial in a fire engine: Chasseur Breton made the trip to Oregon on the front seat of a brand new fire engine that Hec Pratt was delivering.

Now for this spring. Because of Ruth Lee's new chart of winners it will no longer be necessary to mention all the winners with more than 4 ribbons. Only the few top ones will rate mention now. The top 3 youngsters this season are all West Coast dogs. Wins in the rest of the country were pretty well spread around. Top dog is the Sullivan owned, Busteed bred, liver and white, Rochette of Richmond. Watch for her in the Futurity. Tie for second between Randy's Ranger and Juchoir's Harpo. Ranger broke the ice for the Lunds by winning their first blue ribbon at Washington. Were those tears Gilda! Between Harpo and his other derbies, Burgwin won all the derbies out here but one. The other better youngsters were two Pacolet dogs, Genii and Gallant Lad, and Dingo's Gizmo. Seems like it's the same old familiar kennel names in the top lists every season!

Stevenson and Helgramite Shaman-dre are in a class by themselves. A combination of derby and all-age wins leaves me in doubt which group to include him with. If memory serves

me right, only three other dogs, Pontac's Dingo, Juchoir's Martin and Prairie Rambler Topper, have won first in Derby and Open all-age in the same season. Stevenson (can't get away from that guy and his dogs) also won second slot in the older dogs with Tarquinius. Next comes Clement's Rendezvous Elias. There's a man that guns very heavily over his dogs and makes top trial winners of them, too. Who says a 'meat' dog is no good in trials? The other all-age of note is also a 'meat' dog par excellence, Ouragan Jerry's Bob, who is just coming into his prime at four years of age.

Ginny Morse knocked them cold at Ohio by winning the Amateur with Corky. Thought Chuck said she never could run the dog again after she lost him in the '57 Nationals.

The Michigan trial was unique in that the whole gang ate and slept at the former country estate of the Fords. It was charming, contributed much to good fellowship, but sleeping was at a minimum, partly on account of liquid refreshments being offered till the wee small hours and partly because sleeping was dormitory style.

The Fred Whites brought the dogs, kids and pony to Hoosier. Both kids got spilled when pony decided to kick the big horses but they didn't seem to mind. Doc Cornican consigned his very expensive camera to the grounds. Slipped off somewhere and it was like looking for a needle in a haystack. If you want to win the reward money it's still there! Ferdy took off after deer and there were some harried handlers for 45 minutes or so till he was found, as this is where Becky's Pete met his end also after deer.

Another Oklahoma field champion is Sooner Ranger, as he is registered in AKC, or if you prefer Thunderbird, which is his FDSB name. Doctor Joe of Kaymore finished at Pinehurst to make Kaymore's first Dual. He's a fine gundog. You should have seen Doc Sullivan at Oregon, loading trophies in his new station wagon. (Seems the

old car needed a couple of new tires, so Doc thought it was easier just to get a new car). Besides all those his own dogs won, he handled Mon Ami Michael (that the Sullivans bred) to finish his championship for owner Dave Neitzel. Everett Metzger had the fun of finishing his Evergray's Tic Toc Bobby at Washington. This was the first time he had handled him in Open competition though had won several Amateur stakes with the dog. That first place open all-age is a nice one to get. Gladjo's Pride had 3 firsts this season to finish.

Top dog on the West Coast Amateur Trophy so far this year is Beau Kiki. Top for the East Coast Amateur Trophy is Belloaks Gunner, well recovered from his operation that put him out of the running last season.

The latest news tells us that Tommy's Yankee Ike also won a derby and an open all-age stake this spring. And Way Kan Sally did some very nice winning for owner Jerry Price. Prairie Rambler's Topper is now sporting the title of Champion.

Did this ever happen before? Every single dog in the open all-age at North California (all 15 of them) had finished manners on their birds. That gave the judges a problem!

Time to review the top ten again. Producers first. Uno's Jet (who died last season) leads with 25 winners. Pontac's Dingo is second with 23. Next, and top living sire, is the liver and white Tex of Richmond. More than half his winners are out of Rube of Edough. Pierrot de Fontaine Vallee, also still living, has 18. Next follows a tie for 17 with Kaer de Cornouaille and Allamuchy Valley Warrior. And with 16 each are Avono Hapte, Idoc de Cornouaille, Allamuchy Valley Uno and Wippy de la Vallee Bourrault.

The top ten field winners are Helgramite Howie d'Acajou with 61 wins. Second is Pierrot de Fontaine Vallee with 48. Third is Ashurst Jerry with 36. A newcomer in 4th place, Ferdinand of Leeway with 32. Fifth is

Meadowink Buzz with 30. Britt of Blaisy Bas and Wippy de la Vallee Bourrault tie with 29. Uno's Jet had 28, Uno's Rex of Paradise 27, and Hero's Master Spot 26. Last place is a tie between Dingo's Little Mike, Evergrays Tic Toc Bobby, Belloaks Gunner and Belloaks Ibbly (who is the only female on the list).

In analyzing these lists the winners-producers that appear on both lists are Uno's Jet, Pierrot de Fontaine Vallee and Wippy de la Vallee Bourrault. It is also of interest to note that ALL the dogs on these lists are closely related to Kaer de Cornouaille except Howie, who is very distantly related; Britt of Blaisy Bas, totally unrelated to any dog; Warrior, Wippy and Tex all go back to the three littermates, Tudor, Tosh, and Thais du Roc Hellou. It is also interesting to note Uno, his son Jet and Jet's son Uno's Rex, while Warrior and Tex are also father and son.

In the top winning dams Jule of Loufel has finally been surpassed by Ruby of Edough. Ruby has produced from two sires. Jule from three. Tied with Jule is Judith de Ferncroft, producing from two sires. Prices Lady Kaer is next. And a four way tie between FT. Ch. Joyeaux Jakqueline (only field winner on this list), Lettic de Pradalan, Berenda Creek Patti and Fantastico of Richmond completes the list.

---

#### MRS. LOIS J. HATFIELD

Mrs. Lois J. Hatfield, 33 years old, died May 2, 1958, after an illness of 2½ years. Lois had been a member of the Midwest Brittany Club for a number of years and had attended trials and other club functions recently, even though critically ill.

Lois leaves a small son, David, 2 years old, and her husband, Earl, an officer of the Midwest Club in 1957.

Even though small in stature, she was a giant in devotion to her family and friends.

## STEPS TO FOLLOW IN FORMING A NEW REGIONAL BRITTANY CLUB

Fred Z. White, M.D.

A new regional club will probably start as a small group of Brittany enthusiasts who enjoy running or showing their dogs together. This group will probably be in an area that is not already serviced by an existing regional club. The group may then decide to organize in a small, unofficial manner, have meetings to discuss training or other problems, and perhaps hold fun trials. If they can then see the development of further interest and potential enough to insure lasting co-operation and enthusiasm, they are ready to consider seeking recognition as a regional Brittany Club.

Procedure in organizing a new Regional Club:

1. Separate applications must be submitted to the American Kennel Club and the American Brittany Club; applications must be accompanied by:
  - a. A complete membership list of all members, showing the names and addresses of each of the members, and their activity with the Brittany, i.e., breeding, owning, showing, or running field trials, and those owning litters of Brittany Spaniels.
  - b. A copy of the Constitution and By-Laws of the proposed organization.
  - c. A rather complete history of the new organization, as to how it got started, and how long it has been in operation.
  - d. The location of the proposed field trial grounds.
  - e. A list of the officers.

- f. Name of the club; and location of the club. The new club should be pin-pointed to a particular location which is its home, and its membership list should be made up of people from that home and nearby areas. Application to the American Brittany Club directed to the Second Vice-President must be accompanied by the same documents as required by the American Kennel Club. In addition, the constitution and by-laws of the American Brittany Club require:

1. Application to the American Brittany Club must be accompanied by a signed application applying for membership in this association from each member of a regional club, along with a check to cover all per capita dues. Ten members is the required minimum although more is advisable

2. The American Brittany Club further requires under its constitution, that the new regional be incorporated as a non-profit corporation under the laws of the state in which it is to operate.

3. The neighboring clubs, as a matter of courtesy should be contacted and informed of the formation of the new organization. Much can be learned from clubs already in operation and mutual interest and support of our neighbors' activities can be fostered in this manner.

To meet these requirements, the group should have an organizational meeting and elect officers. The neighboring regional clubs should be contacted for their approval. Model Constitution and By-Laws as well as the national Constitution and By-Laws may be obtained from the parent club, as well as application blanks. The second Vice-President of the American Brittany Club is in charge of membership and formation of the new clubs, and should be contacted for this and any other needs. The Constitution and By-Laws should be modified to meet the needs of the group and accepted by them.

With all the material assembled, separate application should simultaneously be made to American Brittany Club and American Kennel Club. If all requirements are satisfactorily met, the American Brittany Club will, following a favorable vote by the board of directors, make recommendation for acceptance to the American Kennel Club. If the American Kennel Club

then accepts the regional club, application for sanctioned field trials or specialty shows will be entertained by the American Kennel Club, and the American Brittany Club field trial committee will work the new regional into the National schedule.

The American Kennel Club and the American Brittany Club expect any new club to be the result of a spontaneous outgrowth of extraordinary interest on the part of dog people in the area. The new club like the parent club and the American Kennel Club should plainly and earnestly intend to serve the best interests of the breed and the community and not be used as a promotional activity for any individual or small group.

For these reasons, the above requirements have been established and the fledgling regional should realize that each step has a definite purpose. Things will move faster if approached in the proper manner, in the right order, and with a great deal of patience.

---

STANDARD OF THE BRITTANY SPANIEL  
AS APPROVED BY  
THE AMERICAN KENNEL CLUB

### General Description

A compact, closely knit dog of medium size, a leggy spaniel having the appearance as well as the agility of a great ground coverer. Strong, vigorous, energetic and quick of movement. Not too light in bone, yet never heavy boned and cumbersome. Ruggedness, without clumsiness, is a characteristic of the breed. So leggy is he that his height at the withers is the same as the length of his body. He has no tail, or at most, not more than four inches.

### Weight

Should weigh between 30 and 40 pounds.

### Height

17½ to 20½ inches—measured from the ground to the highest point of the back—the withers.

### Disqualification

Any Brittany spaniel measuring under 17½" or over 20½" shall be disqualified from bench show competition. Any black in the coat, or a nose so dark in color as to appear black, shall disqualify. A tail substantially more than four inches in length shall disqualify.

### Coat

Hair dense, flat or wavy, never curly. Not as fine as in other spaniel breeds, and never silky. Furnishings not profuse. The ears should carry little fringe. Neither the front nor hind legs should carry heavy featherings.

Note: Long, curly, or silky hair is a fault. Any tendency toward excessive feathering should be severely penalized, as undesirable in a sporting dog which must face burrs and heavy cover.

### Skin

Fine and fairly loose. (A loose skin rolls with briars and sticks, thus diminishing punctures or tearing. But a skin so loose as to form pouches is undesirable).

### Color

Dark orange and white, or liver and white. Some ticking is desirable, but not so much as to produce belton patterns. Roan patterns or factors of orange or liver shade are permissible. The orange and liver are found in standard parti-color, or piebald patterns. Washed out or faded colors are not desirable. Black is a disqualification.

### Skull

Medium length (approximately 4¾ inches). Rounded, very slightly wedge shaped, but evenly made. Width, not quite as wide as the length (about 4⅜ inches) and never so broad as to appear coarse, or so narrow as to appear racy. Well defined, but gently sloping stop effect. Median line rather indistinct. The occipital crest only apparent to the touch. Lateral walls well rounded. The Brittany should never be "apple headed" and he should never have an indented stop. (All measurements of skull are for a 19½ inch dog).

### **Muzzle**

Medium length, about two thirds the length of the skull, measuring the muzzle from the tip to the stop, and the skull from the occipital crest to the stop between the eyes. Muzzle should taper gradually in both horizontal and vertical dimensions as it approaches the nostrils. Neither a Roman nose nor a concave curve (dish face) is desirable. Never broad, heavy, or snipy.

### **Nose**

Nostrils well open to permit deep breathing of air and adequate scenting while at top speed. Tight nostrils should be penalized. Never shiny. Color fawn, tan, light shades of brown, or deep pink. A black nose is a disqualification. A two-tone or butterfly nose should be severely penalized.

### **Eyes**

Well set in head. Well protected from briars by a heavy, expressive eyebrow. A prominent, full, or pop eye should be heavily penalized. It is a serious fault in a hunting dog who must face briars. Skull well chiseled under the eyes, so that the lower lid is not pulled back to form a pocket or haw for catching seeds, dirt and weed dust. Judges should check by forcing head down to see if lid falls away from the eye. Preference should be for darker colored eyes, though lighter shades of amber should not be penalized. Light and mean looking eyes to be heavily penalized.

### **Ears**

Set high, above the level of the eyes. Short and leafy, rather than pendulous, reaching about half the length of the muzzle. Should lie flat and close to the head, with the tip rounded very slightly. Ears well covered with dense, but relatively short hair, and with little fringe.

### **Lips**

Tight to the muzzle, with the upper lip overlapping the lower jaw only

sufficiently to cover under lip. Lips dry so that feathers do not stick. Drooling to receive a heavy penalty. Flews to be penalized.

### **Teeth**

Well joined incisors. Posterior edge of upper incisors in contact with anterior edge of lower incisors, thus giving a true scissors bite. Overshot or undershot jaw to be penalized heavily.

### **Neck**

Medium length. Not quite permitting the dog to place his nose on the ground without bending his legs. Free from throatiness, though not a serious fault unless accompanied by dewlaps. Strong, without giving the impression of being over-muscled. Well set into sloping shoulders. Never concave or ewe-necked.

### **Body Length**

Approximately the same as the height when measured at the withers. Body length is measured from the point of the forechest to the rear of the haunches. A long body should be heavily penalized.

### **Withers**

Shoulder blades should not protrude much. Not too widely set apart with perhaps two thumbs' width or less between the blades. At the withers, the Brittany is slightly higher than at the rump.

### **Shoulders**

Sloping and muscular. Blade and upper arm should form nearly a 90 degree angle when measured from the posterior point of the blade at the withers to the junction of the blade and upper arm, and thence to the point of the elbow nearest the ribs. Straight shoulders do not permit sufficient reach.

### **Back**

Short and straight. Slight slope from highest point of withers to the root of the tail. Never hollow, saddle, sway or roached backed. Slight drop from hips

to root of tail. Distance from last rib to upper thigh short, about three to four finger widths.

### **Chest**

Deep, reaching the level of the elbow. Neither so wide nor so rounded as to disturb the placement of the shoulder bones and elbows, which causes a paddling movement, and often causes soreness from elbow striking ribs. Ribs well sprung, but adequate heart room provided by depth as well as width. Narrow or slab sided chests are a fault.

### **Flanks**

Rounded. Fairly full. Not extremely tucked up, nor yet flabby and falling. Loins short and strong. Narrow and weak loins are a fault. In motion the loin should not sway sideways, giving a zigzag motion to the back, wasting energy.

### **Hindquarters**

Broad, strong and muscular, with powerful thighs and well bent stifles, giving a hip set well into the loin and the marked angulation necessary for a powerful drive when in motion. Fat and falling hindquarters are a fault.

### **Tail**

Naturally tailless, or not over four inches long. Natural or docked. Set on high, actually an extension of the spine at about the same level.

### **Front Legs**

Viewed from the front, perpendicular, but not set too wide as in the case of a dog loaded in shoulder. Elbows and feet turning neither in nor out. Viewed from the side, practically perpendicular to the pastern. Pastern slightly bent to give cushion to stride. Not so straight as in terriers. Falling pasterns, however, are a serious fault. Leg bones clean, graceful, but not too fine. An extremely heavy bone is as much a fault as spindly legs. One must look for substance and suppleness. Height to the elbows should approximately equal the distance from elbow to withers.

### **Hind Legs**

Stifles well bent. The stifle generally

is the term used for knee joint. If the angle made by the upper and lower leg bones is too straight, the dog quite generally lacks drive, since his hind legs cannot drive as far forward at each stride as is desirable. However, the stifle should not be bent as to throw the hock joint far out behind the dog. Since factors not easily seen by the eye may give the dog his proper drive, a Brittany should not be condemned for straight stifle until the judge has checked the dog in motion from the side. When at a trot, the Brittany's hind foot should step into or beyond the print left by the front foot.

The stifle joint should not turn out making a cow hock. (The cow hock moves the foot out to the side, thus driving out of line, and losing reach at each stride). Thighs well-feathered, but not profusely, half way to the hock. Hocks, that is, the back pasterns, should be moderately short, pointing neither in nor out; perpendicular when viewed from the side. They should be firm when shaken by the judge.

### **Feet**

Should be strong, proportionately smaller than other spaniels, with close fitting, well arched toes and thick pads. The Brittany is not "up on his toes." Toes not heavily feathered. Flat feet, splayed feet, paper feet, etc., are to be heavily penalized. An ideal foot is half way between the hare and cat foot.

### **A Guide To The Judge**

The points below indicate only relative values. To be also taken into consideration are type, gait, soundness, spirit, optimum height, body length and general proportions.

Head .....	25 points
Body .....	35 points
Running Gear .....	40 points

### **Reasons for Disqualification**

Any Brittany Spaniel measuring under 17½" or over 20½". Any black in the coat or a nose so dark in the color as to appear black. A tail substantially more than 4" in length.

Approved November 18, 1952

## THE NORTHEASTERN BRITTANY CLUB AMATEUR GUN DOG STAKE

Andrew J. Foster

Many amateur members of our various Brittany Clubs prefer to train and work their dogs during hunting seasons in the serious search for game-birds, and object to the judging of their dogs when entered in Amateur or Open All-Age stakes on accepted and prescribed Field Trial Standards.

Mr. Ruben Jeffrey, the organizing force behind the Upper New York Brittany Club, recognized this situation early in the history of the Club, and he took steps to rectify it.

In January of 1956, at the annual trial at Pinehurst, North Carolina, the Northeastern Brittany Clubs, comprising: The North Jersey Brittany Club, The Brittany Club of Upper New York, The Central New England Brittany Club and The Southern New England Brittany Club, represented by Messrs. Ted Cwik, W. E. Stevenson for Ruben Jeffrey, Phil Morehouse, Andrew J. Foster of the Southern New England Brittany Club, and Walter Kleeman of the National Club, met to discuss and to formulate a program to encourage and foster greater amateur participation in field trials in the area covered by the respective clubs.

It was recognized that the participating members of the Northeastern Brittany Clubs are largely amateur. The geographical location of the Clubs, unfortunately, does not permit the at-

tendance of many of the professional handlers with a number of dogs to enter the various stakes and insure a large field. The amateur members, therefore, must be encouraged to attend and to participate in the trials of each of the other clubs, thus maintaining a maximum entry and the promotion of enthusiasm for growth. The inclusion of an Amateur Gun Dog Stake by A.K.C. in Brittany field trials, to be optionally run, instead of the All-Age Stake, seemed to offer further inducement for amateur members to attend and run their dogs in the field trials. To encourage the many members, and to provide a continuing incentive, it was proposed to include the Amateur Gun Dog Stake in each of the Spring and Fall field trial schedules. The judging of the stake was to follow the A.K.C. prescribed pattern.

It was proposed that a trophy be offered each year, for the dog which could amass the most points during eight trials—four Spring and four Fall. A runner-up trophy was likewise to be awarded on the same point basis. It was agreed that the points would be awarded separately from those prescribed by A.K.C., but would follow the same pattern except that points would be awarded to a second, a third, and a fourth place dog. A.K.C. awards five points to a winner for a stake involving twenty-five dogs or more. Five

points would likewise be awarded to the winner dog to apply against the N.B.C.A.G.D. trophy. However, the second dog would receive four points, the third three points and the fourth dog two points. If, however, the stake were small, eight to twelve dogs, where A.K.C. awarded two points to the winner, the N.B.C.A.G.D. trophy award would be two points for first place, one point for second place, none for third or fourth. The size of the stake would determine the point award. The handler whose dog was consistently in the upper four places could win the trophy award over the flash winner in a few trials. Consistent attendance at trials, hence, was likewise rewarded.

It was proposed that each of the named clubs contribute 50 cents to the trophy fund for each entry received in its previous Fall field trial. It was agreed that Sterling Silver Paul Revere bowls, costing in the order of \$125.00 would be provided as winner and runner-up trophies. In the event of a tie in the total point score at the end of each year, two trophies would be awarded, each appropriately engraved, bearing the names of both handlers and both dogs. The four respective clubs would obligate themselves to provide the added funds proportionately. Each club would determine how this contribution was to be collected within itself. A display card setting forth the point standing to date was to be displayed at each trial. A sheet showing the point standing was to be mailed to each member before the Fall schedule began and a final standing of the scores was to be mailed at the close of the season.

The plan was an immediate success. The eight stakes run in 1956 provided not only the highest of competition and excitement, but the number of entries in each trial was most surprising. Delegations from each of the clubs attended the trials in force. Amateur handlers who could not be present sent along their dogs with fellow members so

that no opportunity to place in a stake was overlooked.

The last race of the last trial in 1956, which was held in New Jersey, was a storybook finish. W. E. Stevenson's Doc and Dick Fox's Bell Oaks Gunner were tied for first place. Stevenson was out first and as usual put on quite a show—with a covey find on the back course, and a single or so in the bird field—BUT, with seconds to go, a running bird confused the outcome. It was Dick Fox's turn, and, as the minutes ticked away, the report came back that there had also been a covey find on the back course, which alerted everyone for a climactic finish—and a climactic one it proved to be. The long row of brush at the right of the bird field was crawling with quail. In spite of this Gunner contained his enthusiasm and with the judges "pick 'em up" proved himself the winner.

The 1957 circuit was equally spectacular. Mid-season, Fox's Gunner led, with Stevenson's and Marcelle Bell's entries right behind, followed by six other dogs—all of which were real threats. Marcelle Bell's Bell Oaks Ibby took the first two Fall meets which made the going very tough. Fox's Bell Oaks Gunner was taken sick and was forced out of competition. Along came Bill Stevenson with Helgramite Tinker and led his father going into the last trial by two points for runners-up. Unfortunately the last trial did not provide a large stake. However it was large enough for Stevenson's Helgramite Tarquinius to acquire two points for first place and tie with Helgramite Tinker for second. In the meantime Marcelle Bell had acquired seventeen points for first and Bell Oaks Gunner, out of competition in the Fall series, was third. Eight other dogs participated in the final scoring.

Thus the second year of the Northeastern Brittany Clubs Amateur Gun Dog Stake came to a close. The program has proven itself successful and has provided much fun, enthusiasm and keen competition over the entire time. January '58 should prove no exception.

## CENTRAL NEW ENGLAND BRITTANY CLUB

Bob Burbank

The state-owned grounds at Westboro, Mass., April 26-27, was the scene of the first presentation of the Dual Champion Brit of Bellows Falls Trophy. I was formally introduced to this fine Brittany several years ago and will never forget his quiet dignity in the knowledge that he had the distinction of being the first dual champion Brittany in this country.

It was most fitting that the first dog to win the trophy was the outstanding Field Champion Belloak's Gunner, owned and handled by Richard Fox of Orleans, Mass.

And to complete the trophy presentation, we were delighted to have Mr. and Mrs. Lucien Ufford, owners of Brit of Bellows Falls. The Ufford name appears very early in the history of Brittanies in this country, when there were merely a handful of owners. Be-

First presentation of Dual Ch. Britt of Bellows Falls Memorial Trophy. (Winner of Amateur Gun Dog Stake.) Left to right: Dick Fox, owner-handler, accepting; Raymond Hoyer, Judge; Arthur Marandette, Judge; Lucien Ufford, presenting; front row: F. T. Ch. Belloaks Gunner.

### PUPPY STAKE

1st—Belloaks Nicky; Phil Morehouse, handler. 2nd—Brittchester's Rickatic; Ruth Burbank, handler. 3rd—Brittchester's Rickrack; Bob Burbank, handler. 4th—Rabid of Richmond; Tom Martin, owner.

### OPEN ALL-AGE STAKE

1st—Ashurst Britt; Herb Farnsworth, owner. 2nd—Brittchester's Sneaky Pete; Bob Burbank, handler. 3rd—Dual Ch. Helgramite Tarquinius; W. E. Stevenson, handler. 4th—Dual Ch. Belloaks Highflyer; Phil Morehouse, handler.

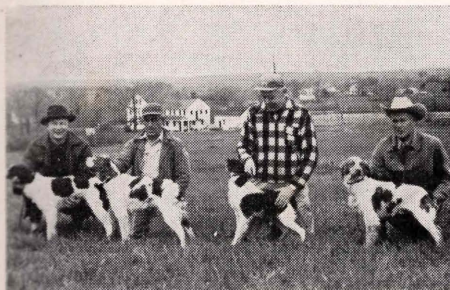

cause of their faith in the breed, and their acting upon a dream, we now have an American Brittany Club with regional clubs stretching across the country, and members numbering in the thousands.

We are most grateful to the Division of Fisheries and Game Dept. of Mass. for furnishing pheasants for the puppy and derby stakes, and co-turnix quail for the open all-age and

amateur gun dog backcourse. Bobwhite quail were used in the bird field for the two last mentioned stakes.

Bill Whiting, Howard Stanley, Cecil Parker and assistants did a fine job of bird-planting.

The judicial duties were very capably handled by Raymond Hoyer, James W. Finn, William K. Roche, and Arthur M. Marandette.

DERBY STAKE

1st—Colonial Damsel; Tom Wetherbee, handler. 2nd—Brittchester's Ko-ed; Bob Burbank, handler. 3rd—Daisy Mae of Kaymore; Herb Farnsworth, owner. 4th—Kaymore's Connecticut Yankee; Phil Morehouse, handler.

AMATEUR GUN DOG STAKE

1st—F. T. Ch. Belloaks Gunner; Dick Fox, handler. 2nd—Helgramite Shamandre; W. E. Stevenson, handler. 3rd—Belloaks Ibbby; Mrs. James N. Bell, Jr., handler. 4th—Penobscot Jilo Prince; Red Stearns, handler.

## HUDSON VALLEY BRITTANY CLUB

The Hudson Valley Brittany Club held its Spring field trial on April 5 and 6 at Voohreesvill, N. Y. on the outskirts of Albany, N. Y.

Jack Baer of New Lebanon, N. Y., judged all four stakes, his co-judge in the Puppy and Open All-Age was Don Halsey of Pittsfield, Mass., and on Sunday Jack was paired with Howard Sweet of Marathon, N. Y. in judging the Derby and Amateur Gun Dog Stake.

It was a rough day on dogs, handlers and especially the judges, but both judges agreed that it was well worth it after they had seen Bell Oak's Ibby. The rain did not bother Ibby or her owner and handler, Marcelle Bell. Ibby had three perfectly handled finds in the bird field to win first place in the Amateur Gun Dog Stake.

The field trial secretary, Herb Marr and his entire committee are to be complimented on their successful efforts in seeing that the trial was run off smoothly.

**PUPPY STAKE**

1st—Chein Fox; Dick Fox, owner-handler. 2nd—Passamonte's Slick Chick; Thomas Passamonte, owner-handler. 3rd—Markette of Passamonte; Thomas Passamonte, owner-handler. 4th—Belloaks Nicky; Phil Morehouse, handler.

### Derby Stake

1st—Detective Neal of Kaymore, Roger De Bourbon, owner; Phil Morehouse, handler.

2nd—Hanover Jimmy Jahn, John Cesarine, owner-handler.

3rd—Helderberg Penny, Harriet Mar, owner-handler.

4th—Helgramite Shamandre, W. E. Stevenson, owner-handler.

### Puppy Stake

1st—Chein Fox, Richard Fox, owner-handler.

2nd—Passamonte's Slick Chick, Thomas Passamonte, owner-handler.

3rd—Markette of Passamonte, Thomas Passamonte, owner-handler.

4th—Belloaks Nicky, James B. Bell, owner; Phil Morehouse, handler.

### Amateur Gun Dog Stake

1st—Dual Ch. Belloaks Ibby, Mrs. James B. Bell, Jr., owner-handler.

2nd—Helgramite Tinker, Wilbert E. Stevenson, Jr., owner-handler.

3rd—Helgramite Tarquinius, Daisy H. Stevenson, owner-handler.

4th—Fld. Ch. Belloaks Gunner, Richard Fox, owner-handler.

### Open All-Age Stake

1st—Fld. Ch. Belloaks Gunner, Richard Fox, owner-handler.

2nd—Helgramite Tinker, W. E. Stevenson, Jr., owner-handler.

3rd—Dual Ch. Belloaks King, James B. Bell, Jr., owner; Phil Morehouse, handler.

4th—Leon De Tosco, Harold W. Kelly, owner; Bob Haggerty, handler.

**OPEN ALL-AGE STAKE**

1st—Fld. Ch. Belloaks Gunner; Dick Fox, owner-handler. 2nd—Helgramite Tinker; Bill Stevenson, Jr., owner-handler. 3rd—Dual Ch. Belloaks King; Phil Morehouse, handler. 4th—Leon DeTosco; Bob Haggerty, handler.

## MARYLAND BRITTANY CLUB

Lionel T. Wade

On January 18 and 19, the Maryland Brittany Club held a most enjoyable and successful trial near Brookeville, Maryland. Scenting conditions on Saturday were the poorest we have ever known. A cold, blustery, shifting wind made the mammoth bird field become the proverbial needle in the haystack for the Britts.

Judicial seats were most ably handled by Edward H. Cashell of Clarkeville, Maryland and Thomas H. Hunt of Catonsville, Maryland.

### **Puppy Stake**

Edandot Apache, a classy running youngster, won this stake with Helgramite Regaleur taking second.

### **Open All-Age**

Helgramite Tarquinius and Belle du Bois competed hotly, with both dogs running hard. In the bird field Tarq locked up into a picture-like point; his performance was superb. Belle was called back and finally made game, what with shifting drafts on the side of the hill. She handled perfectly, but did not have the intensity of the winner.

### **Open Derby**

The high-gearred running of Helgramite Shamandre with his derby-like drive to find and make game caught the eyes of both judges and he was given the nod for first. Second was taken by Edandot Apache, the Puppy Winner, who ran a nice derby race and also handled game creditably.

### **Amateur All-Age**

Sunday morning dawned bright, cold, but beautiful for running the final stake. This was a shoot-to-kill over pheasants, with the choice of using your own gun or that of an official gun. Guns were well controlled at all times.

Helgramite Tarquinius took first place with a beautiful find and well-handled retrieve; his course was wide.

Poole's Fuzzy Boy took second with a beautiful point, steady to wing and shot. He retrieved beautifully, but his restricted back course caused him to lose first place. Greene's Sandra de Alex knew how to handle game. She pointed with intensity and was steady as a rock. Her retrieve was most commendable; again lack of range counted against her. Belle du Bois ran and handled her game well, but would not retrieve or point the dead bird.

The loving cup for best participating member's dog was awarded to Lionel Wade for the performance of Belle du Bois in the Open All-Age. Requiring two legs for permanent possession, the trophy has previously been held by Pleasant Run Rusty and by Sandra de Alex.

## NORTH JERSEY BRITTANY CLUB

Willa Cwik

### AMATEUR ALL-AGE STAKE

Left—1st: Jeff's Sandy; James Weisert, owner-handler. Center—2nd: Pam's El Capitan; Al Fafara, owner-handler. Right—3rd: Helgramite Tarquinius; W. E. Stevenson, owner-handler.

### All-Age Stake

Jeff's Sandy won a leg on the Alan Stuyvesant Memorial Trophy by placing first in the Amateur All-Age Stake. The second award in the stake went to another New Jersey Brittany, Pamalie's El Capitan. Both dogs handled the birds well and Sandy had an especially fine race. Coming in to take third place honors was Helgramite Tarquinius.

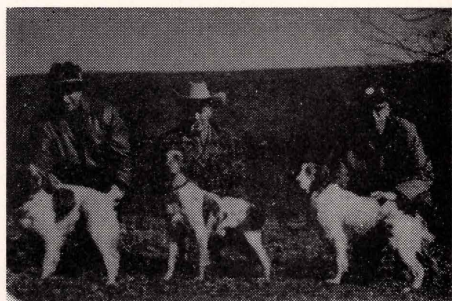

Tarq also placed third in the Open All-Age Stake held on Saturday. The Open All-Age was a bit disappointing with not too many dogs running and rather a poor display of what these dogs' capabilities are. The judges would place only two dogs and felt no dog in the stake had merits enough to warrant first. The second place went to Pacolet's Whist.

### Puppy and Derby Stakes

The Puppy and Derby Stakes were much more outstanding and showed the real spirit that the young Brittany possesses. Any of the three top puppies could have placed first in most trials. Heading the list is Jodee. The second is a litter-mate to Jodee, Bell-oaks Nicky. Third and fourth places went to Markette of Passamonte, and Rapid of Richmond.

Special mention should go to the winner of the derby, Helgramite Shamandre. Sham displayed an excellent hunting pattern in his all-age type race. The other placed dogs also showed conditioning by their energy and stamina. Second went to Kaymore's Connecticut Yankee, with third going to Chein Fox.

The Flatbrook Tract at Bevans, N. J. was the location for the North Jersey Brittany Club's annual Spring Field

### DERBY STAKE

Left—1st: Helgramite Shemandre; W. E. Stevenson, owner-handler. Center—2nd: Kaymore's Connecticut Yankee; Phil Morehouse, owner-handler. Right—3rd: Chein Fox; Dick Fox, owner-handler.

Trial on April 12th and 13th. It was raw and cloudy on Saturday, but Sunday beamed with beautiful sunshine. Sharing the area with the first day trout fishermen had its advantages. One member made a note of when he was to run, put on his waders, and while waiting, caught his limit of trout. As you looked among the spectators, many an angler had his fishing pole limp at his side, watching the dogs in the bird field. But there were disadvantages too! Dick Fox put a nice fresh pail of water down for his dogs and returned to find that one of the many swarming fishermen had very nicely

used it to wash his trout caught that first day!!

The mechanics of the whole affair were handled by field trial chairman, Dr. James Weisert and field trial secretary, Willa Cwik. We were fortunate in having two very fine judges, James Reed of Basking Ridge and Thomas De Nyse of Summit, both in New Jersey.

The entry was the smallest that the club has had in some time due to a number of reasons, the weather not among the least. Few or many, we still have a good time and feel it's worth the extra effort to help promote the Brittany.

### TED CWIK

Third Vice-President, American Brittany Club

His name is Thaddeus, but most of us call him Ted. He's the kind of person who helps the neighbors out of snow banks, gives his last quarter to someone who needs it, and gets very upset when things are not done in a fair way.

Early days for Ted were spent on the family dairy farm. He has always been fond of sports and had an early start in fishing, hunting and trapping as well as many other activities. His voice-carrying qualities were developed in school dramatics and give him long range control of his dogs as any who have heard him handle can attest! After an interlude in the army he found his place in real estate. His ambition, honesty and pleasure in his work and in dealing with people have contributed to his success.

Ted bought two Brittans "strictly for hunting" soon after he came home from the service. In the early 50's he attended a North Jersey Brittany Club field trial. There he was caught in the enthusiasm and influence of Alan Stuyvesant and soon found that one thing inevitably leads to another.

Breeding, training, field trials, club membership, then to club leadership, both local and national. He has swept me right along with him!

We have no children, but Ted has led the top Boy Scout troop in the county for eleven years and had the honor of representing New Jersey at the National Jamboree in California. Restoring our old colonial house and now furnishing it with Ted's handmade Early American furniture, as well as building the kennels and runs, have kept him busy. —Willa Cwik

## PENNSYLVANIA BRITTANY CLUB

Peg Sawyer

The Pennsylvania Regional Brittany Club Trial was held at the Pittsburgh-Butler Airport at Butler, Pa. on October 19-20. It was typical trial weather which consisted of rain and a mighty chilling wind, but everyone seemed to be well prepared for it. Many of our old friends were among the missing due to the flu outbreak, but we still had many fine entries and a grand trial. The Chuck Wagon was a welcome addition to our trial grounds, with plenty of hot coffee and sandwiches for all.

The All-Age and Derby Stakes were run on Saturday and both were completed the same day. First place in the All-Age was taken by Hel's Oklahoma Topper who displayed fine bird work in the field. He was ably handled by Lee Holman. First in the Derby was Carrier Farms de Currency, owned and handled by John Lamont, who incidentally made good use of the airport adjoining our trial grounds, by flying to and from our trial.

The Amateur Handler and Puppy Stakes were off to an early start on Sunday morning. First in the Amateur Handler was won by Bell Oaks Ibby, owned and handled by Mrs. J. B. Bell, Jr. Mrs. Bell was really kept on the run as she was in 3 of the 4 braces in this stake. The first place in the Puppy Stake was taken by Detective Neal of Kaymore, handled by Phil Morehouse. This was one of the finest Puppy Stakes we have seen. The pups were all enthusiastic and displayed some excellent work. Hats off to Phil Morehouse and Detective Neal of Kaymore.

OPEN ALL-AGE  
1st—Hel's Oklahoma Topper

We would like to thank our out-of-state friends who came to our trial and helped make it a success, and the members of our club who gave their support.

All of our judging was very capably handled by R. E. Sutton and Herman Specht. Our thanks to them for a job well done.

## SOUTHEASTERN BRITTANY CLUB

Marcelle Bell

A delightful place was revisited when the Southeastern Brittany Club held its annual field Trial at Pinehurst, North Carolina, the weekend of January 24-26, 1958. Hard driving rains on Friday kept the native quail bottled up until Sunday. The Club was most fortunate to have as its judges "Sandy" Shore of Lynchburg, Virginia, James Williams of Columbia, S. C. and Martin Best, Jr. of Barnwell, S. C.

### PUPPY STAKE

1st—Pacolet's Gallant Lad; Jane Thompson, handler. 2nd—Kaymore's Beau Geste; Phil Morehouse, handler. 3rd—Belloaks Nicky; James B. Bell, Jr., owner. 4th—Pacolet's Pollyanne; held by Mrs. Phil Morehouse.

—Photo by John G. Hemmer

### Puppy Stake

The rains came, the winds blew, but the puppies ran anyhow, with Pacolet's Lad named the winner. Lad ran a consistent, hunting race and had one contact with game. Second place, Kaymore's Beau Geste de Bare displayed excellent potentialities but lacked the winner's consistency. The efforts of Belloaks Nicky and Pacolet's Pollyanne were likewise rewarded with ribbons.

Saturday and Sunday were clear and crisp; really "made" for field trials, enticing a large gallery to follow the

action on the Pinehurst contiguous courses either on horseback or in the famous Tally-ho.

### DERBY STAKE

Mrs. James B. Bell presenting the blue ribbon to 1st Place Winner, Mamselle Fox; Dick Fox, owner. 2nd—Pacolet's Genii; held by Phil Morehouse. 3rd—Governor Leo; held by Nils Nielson.

—Photo by John G. Hemmer

### Derby Stake

Mamselle Fox, the winner, had a fine searching race with good covey find, handling in excellent derby fashion. In second place was Pacolet's Genii for an excellent ground heat and pointing covey deep in thicket. Governor Leo, 3rd, and Ben's Lady of Leeway, 4th, placed by virtue of sparkling ground heats which resulted in their call-back to show on liberated quail.

### All-Age Stake

Ch. Doctor Joe of Kaymore topped the entry in this event, and won a first leg on the Machlett Memorial Trophy, presented by the family of the late R. R. Machlett, New Canaan, Connecticut. Dr. Joe had a good race with pleasing pattern, and one clean find on a covey. Second went to Fld. Ch. Hero's Master Spot for a hard-running heat and stop to flush. Third place was earned by Belle du Bois for handling a single, though her race was more

restricted, and fourth went to Dual Ch. Belloaks King. Fld Ch. Ferdinand of Leeway and Fld. Ch. Belloaks Gunner were given an opportunity to better their birdless first series attempts, but they did not meet the challenge.

#### Amateur Gun Dog Stake

Dual Ch. Belloaks Highflyer ran a good searching ground race and had one well-handled find on a covey. The meritorious races of Fld. Ch. Belloaks Gunner and Juchoir's Markette, plus manners on quail, earned them placements, followed by Ch. Doctor Joe of Kaymore.

#### AMATEUR GUN DOG STAKE

1st—Du. Ch. Belloaks High Flyer; Marcelle Bell, handler. 2nd—Fl. Ch. Belloaks Gunner; Richard Fox, owner-handler. 3rd—Juchoir's Markette; Carlton Lephart, owner-handler.

## SOUTHERN NEW ENGLAND BRITTANY CLUB

Alice M. Machlett

The Southern New England Brittany Club held its Spring Field Trial at Helgramite Hollow, Brewster, New York, May 3rd and 4th, running on both Machlett land and the adjoining Birkman acreage. Quail were used, active and strong-flying birds until the rain descended. Fog added to the rain early Sunday morning, held the trial up an hour.

The judges who stood up manfully under two days of cold and persistent rain were Mr. C. W. Shattuck of Dover, N. J. and Mr. Howard Sweet of Marathon, New York. To them, for their fair and consistent judging and their durability, the thanks of the club are due.

### Puppy Stake

Rapid of Richmond ran by far the biggest and best hunting race. He had a point and two finds to win the Puppy Stake. Second, Markette of Passamonte, ran a good ground heat, working industriously with nose high; nice work in the bird field. Bejor's Katydid of Kaymore was third, followed by Passamonte's Slick Chick.

### Open All-Age

Helgramite Shamandre ran an excellent ground heat. Called back for bird

### PUPPY STAKE

work, he was steady under trying circumstances, then handled a bird beautifully. Helgramite Tinker furnished the judges with some hilarious moments. Tinker's back course was almost as good as Shamandre's and he had a stop to flush. Then he pointed a quail and handler's heroic efforts to make the bird fly resulted in his losing hat and glasses. *After* the flush, and *after* retrieving his lost property, handler remembered his dog. Yes, Tinker was still on point!

Ashurst Britt had a very good ground heat with two points; steady on one. Belloaks King had nice point on single.

---

The individual pictured on page 5 is the professional trainer, Paul Dawson.

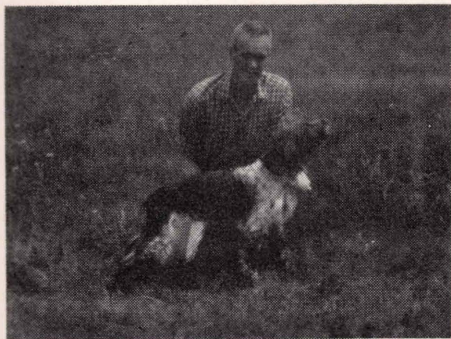

#### OPEN ALL-AGE STAKE

1st—Helgramite Shamandre; W. E. Stevenson, owner-handler. Sire: Du. Ch. Helgramite Howie D'Acajou. Dam: Una Pequena de Theresa.

#### Derby Stake

After a delay due to fog, the first brace put down produced two winners. Kaymore's Beau Geste de Bare was first, while bracemate Rustee Boy of Ohio placed third.

Beau won top honors with an excellent race, fairly steady point and short chase. Hanover Jimmy Jahn had the best race of the series—high, wide and handsome. Rustee Boy ran well, had staunch point and chase. Helderberg Misty had medium race, excellent staunch point and chase of another bird to a wall. Helderberg Penny, litter mate to Misty also impressed, but even more so the animated outsize rain outfit in which you could sense—not see—their diminutive handler!

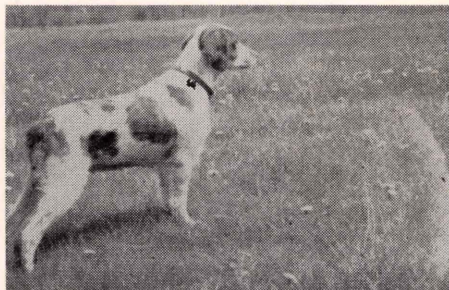

#### DERBY STAKE

1st—Kaymore's Beau Geste de Bare; Mrs. Madison Barrell, owner; Phil Morehouse, Jr., handler. Sire: Du. Ch. Remarkable de Fontaine Vallee. Dam: Pacolet's Bonne Lynn.

#### Amateur Gun Dog

This final stake of the trial was won by Dual Ch. Belloaks Ibbby who had three perfect finds. Fld. Ch. Belloaks Gunner placed second with two good finds under hazardous conditions. Helgramite Shamandre ran by far the biggest ground heat; judges felt it was "too wide for a gun dog". Juchoir's Markette was named fourth with a fairly good race and one find.

#### AMATEUR GUN DOG STAKE

1st—Du. Ch. Belloaks Ibbby; Mrs. James B. Bell, Jr., owner-handler. Sire: Du. Ch. Remarkable de Fontaine Vallee. Dam: Cheri of White Hub.

## SUSQUEHANNA BRITTANY CLUB

Morris C. Smith

A brand spanking new regional club introduces itself on the Brittany scene with this report of its first activity—a Fun Trial.

The Susquehanna group hopes to “take up the slack” in the middle of the ring formed by the Upper New York, North Jersey, Maryland and Pennsylvania clubs. Centered in Williamsport, Pa., the club has shown good growth since its formation in late January. Official acceptance of the group into the American Brittany Club was received May 16; AKC approval is expected in the near future. The club will hold its first sanctioned trial in the Fall of '58, a second in the Spring of '59 and hopes to hold its first point trial in the Fall of 1959.

The Fun Trial was held Sunday, April 27th on the grounds of the North Montour Sportsmen's Association located near Washingtonville, Penn. There were two stakes: All-Age with 13 dogs entered and Puppy, with 4 dogs. Tormented by a cold drizzling rain during almost all of the running, it was a wet but still enthusiastic group that gathered for the awarding of silver trophies for first place in each stake.

The club was fortunate in having as judges Dr. Dan LeVan, V.M.D. of Bloomsburg, Pa., and Don Concannon, of Shamokin, Pa. These gentlemen appreciated the inexperience of the group, and went out of their way to be helpful.

### All-Age Stake

Crane's Allamuchy Topsyie, with a good ground heat and back-course

point, plus a bird field point which she held while bracemate chased, wrapped up the All-Age.

### Puppy Stake

Pacolet's Polly of Faircrest was hampered somewhat by a playful bracemate but gave a ground-eating demonstration in the back-course. She capped this in the bird field by winding a running ringneck, flushing and chasing in the best Puppy tradition.

### Summary: All-Age Stake

1st—Crane's Allamuchy Topsyie, bitch. Hoover Rodes, Watsontown, owner-handler.

2nd—Mike, dog. Arthur Fryling, Riverside, owner-handler.

3rd—Sally of Bonnie Blanche, bitch. John Johns, owner; Dave Johns, handler.

4th—Jacques Teddy, dog. John Johns, owner-handler.

### Puppy

1st—Pacolet's Polly of Faircrest, bitch. Alice Smith, owner; Morris Smith, handler.

2nd—Drive, dog. Arthur Shutt, owner-handler.

3rd—Butch, dog. Hoover Rhodes, owner-handler.

4th—Rusty, dog. Warren Book, owner-handler.

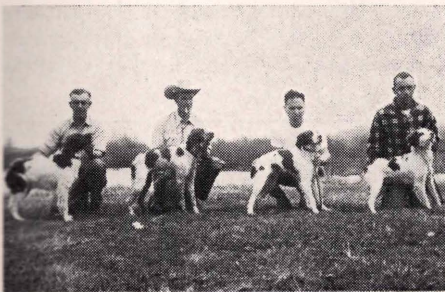

## UPPER NEW YORK BRITTANY CLUB

Robert Aldinger

With the coming of Spring to the country around Baldwinsville, activity among the Brittany owners and fans was heightened by the running of the Spring Regional Trial of the Upper New York Brittany Club. A promise of good weather, the grounds in fine condition, and a smaller than usual entry of 44 dogs meant a leisurely pace could be maintained with lots of time to talk dogs.

### Puppy Stake

Skies were clear and sunny and the breeze comfortably warm for the Puppy Stake, with Markette of Passamonte chosen winner for the aggressive and industrious manner in which she covered the back course, coupled with a stylish point in the bird field. Brittchester's Highbrow, in second spot, ran well and his inquisitive style was responsible for a find and point on wild pheasant at the extreme edge of course in sedge grass. Belloaks Nicky ran the biggest back-course. She started out in high gear and never eased up all the

### OPEN PUPPY STAKE

1st—Markette of Passamonte; Tom Passamonte, owner-handler. 2nd—Brittchester's Highbrow; Ernest Facer, owner-handler. 3rd—Belloaks Nicky; James B. Bell, Jr., owner; Phil Morehouse, handler. 4th—Rapid of Richmond; Thomas Martin, owner; Robert Burbank, handler (shown). Right to left.

way around but had no game contacts. Rapid of Richmond laid down a thoroughgoing back-course race and had a find in the bird field.

### OPEN ALL-AGE STAKE

1st—Dual Ch. Helgramite Tarquinius; W. E. Stevenson, handler, Daisy H. Stevenson, owner. 2nd—Pacolet's Whist; Phil Morehouse, handler (shown), William T. Davis, owner. 3rd—El Uno Tosco; C. R. Hagerty (shown), Harold W. Kelly, owner.

### Open All-Age Stake

Another beautiful day with the grass just damp enough to hold scent well, made conditions perfect for birdwork in the Open All-Age Stake. All dogs but one had game contact. Helgramite Tarquinius, the winner, was a little slow getting started but soon warmed to his task, hitting all the likely spots of cover. Just before entering the bird field, Tarq pointed; at flush took one step but stopped at command. In the bird field he had another find, this time holding well at flush.

Pacolet's Whist, in second place, had a fine race, running with an easy graceful gait. Whist had one find in the bird field on which he moved a few steps but showed good manners at flush and shot. El Uno Tosco's range was somewhat restricted but his two

finds in the bird field were handled very nicely. A bout with paralysis during the winter took its toll of Passamonte's Jet Commander, but he put down a creditable back-course and had one find. Belloaks King and Belloaks Leo had very good ground heats; Leo laying down the biggest race of the stake. Both dogs, however, chased at flush of their birds, putting them out of contention.

### Derby Stake

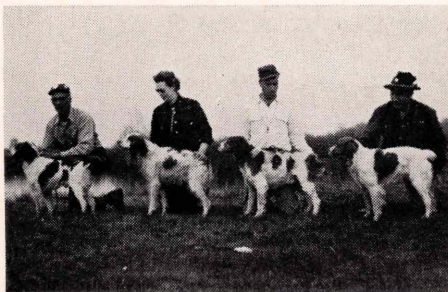

Winner of this stake was Chien Fox, clearly the class Derby dog. Running high, wide and handsome, he capped an excellent race with two spectacular finds. Kaymore's Beau Geste de Bare covered the course with good speed and intensity, but went birdless as did Hobson's Choice of Helderberg and

### OPEN DERBY STAKE

1st—Chien Fox; Dick Fox, owner-handler. 2nd—Bean Geste de Bore; Pat Barrell, owner; Phil Morehouse, handler, shown. 3rd—Hobson's Choice of Helderberg; Loretta Lephart, owner; Carlton Lephart, handler, shown. 4th—Helderberg Penny; Harriet Marr, owner-handler. Judges for Puppy Derby and Open All-Age: Monte Lass, Howard Sweet.

Helderberg Penny, third and fourth respectively and litter mates. The morning dew which helped the All-Age dogs, vanished, leaving the cover somewhat dry for the Derbies.

### AMATEUR GUN DOG STAKE

1st—F. T. Ch. Belloaks Gunner; Dick Fox, owner-handler. 2nd—Rindy's La Beau Bean; Alice Bowman, owner; Roy Bowman, handler. 3rd—Brit de Buster; Sebastian Ventura, owner-handler. 4th—Helgramite Shamandre; W. E. Stevenson, owner-handler.

### Amateur Gun Dog Stake

Rain threatened but held off long enough to run this final stake, the blue ribbon going to Fld. Ch. Belloaks Gunner. Gunner ran to the front and had two clean finds, both of which he handled perfectly. Rindy's La Beau Beau hunted hard and three times was credited with stop to flush. The birds appeared restive due to the on-coming storm. Brit de Buster had a good, hard driving back-course and backed his brace-mate's point. He remained steady when brace-mate chased. Helgramite Shamandre laid down an outstanding ground heat but was unable to show a point.

## DR. J. M. SULLIVAN

First Vice-President, American Brittany Club

Dr. J. M. Sullivan was born and reared in Berkeley, Calif. He was graduated from the College of Physicians and Surgeons in San Francisco in 1925 and has been practicing dentistry in Berkeley since then. One son has finished Princeton and is now in the Navy and the other has been in the Army and will graduate from UC next June. Dr. Sullivan's current hobbies are Brittanies, hunting, golfing, gardening and "do it yourself." He is a licensed pilot and in 1939 was Berkeley's golf champion.

He first became interested in Brittanies in 1947 with the purchase of his first love, Britt of Blaisy Bas, who was a bench champion before the age of two, and a field champion "eventually."

His field trial interest was started at the second sanctioned California trial. That Spring he went east to see the trials and Brittanies and that was the start of a never ending trek. He was one of the early members of the Cali-

fornia Club and was instrumental in helping to start the Northern California and Golden Empire Clubs.

—Mary Sullivan

## THE NEWEST REGIONAL CLUB

Fred Z. White, M.D.  
Second Vice-President, ABC

The Susquehanna Brittany Club has taken its place now as the newest regional club of the American Brittany Club. In a letter written June 2, 1958, Mr. William F. Stifel of the American Kennel Club stated "that it is the decision of our committee that the Susquehanna Brittany Club be put on the records of the American Kennel Club as a Brittany Club of the Williamsport, Pennsylvania Area". Some weeks previous to this, the Susquehanna

Brittany Club was approved by a vote of the Board of Directors and officially notified of acceptance to the American Brittany Club.

Thus properly launched, the Susquehanna Brittany Club has had a fun trial and now begins sanction trials. Mr. Morris Smith, Secretary of the newly formed club, and "spark plug" behind its organization, is to be congratulated for his untiring efforts to this end, as are the other officers.

## BADGER BRITTANY CLUB

R. B. Westkaemper

The Badger Brittany Club held its Spring field trial near Necedah, Wisconsin, on a site that the state is developing to hold prairie chicken and sharp-tail grouse. It is ideal for field trials and affords a real proving ground for dogs. On the back course quail, ruffed grouse, sharp-tails and pheasants were found. The weather was cold and clear during the first day, but warmed somewhat on Sunday. Unfortunately, a west wind worked to the disadvantage of the dogs as they entered the bird field, but other climatic conditions stimulated top performance. Thanks to the attendance and cooperation of the Thompsons, Howard Crippen, Lee Holman and Cliff Kittleson, as well as club members, the trial was a success.

Vern Halmrast and Clarence Nelson judged the Open All-Age and Derby Stakes; J. E. Cassidy and Glenn Wills judged the Puppy and Amateur.

### Open All-Age Stake

Teka of Sioux Lane ran an excellent back course, adjusting his range and speed to the cover and topography. He established a very stylish point in the bird field, showing manners at flush and shot. Rumarel of Aberdeen, the second place dog, ran a race very similar to the winner and handled his find stylishly. Fld. Ch. Hero's Master Spot ran an excellent back course, but was unfortunate in the bird field to contact a running pheasant. Spot relocated at

### OPEN ALL-AGE STAKE

1st—Teka of Siou Dane; Cliff Kittleson. 2nd—Rumarel of Aberdeen; John Rasmussen. 3rd—Hero's Master Spot; Howard Crippen. 4th—Pacolet's Texsun; Jane Thompson.

the same time his bracemate established point on the same pheasant. Pacolet's Texsun had two finds in the bird field; one handled perfectly. Other all-age dogs that were commended by the judges were: Gladjoe's Pride, Wis Jet Propelled, Skywood's Tantivy, Pacolet's Busher Gal and Ora's Chico.

### Derby Stake

In a field of 18 fine Derbies, Fredan's Interne left little to be desired. He ran a big course, handled well, and established two points before busting out the birds. He went into the brush to flush out his third bird. Cork's Copper Jag ran very much like the winner but had just one bird for his score. Holley Haven Lucky and Texann's Sye had good range but not equal to that of the first two dogs. Others worthy of men-

tion are: Pacolet's Genii, Dingo's Gizmo, Brownie, Bob's Honey Jet, and Pacolet's Gallant Lad.

### Puppy Stake

Cork's Copper Brandy, litter-mate to the second place Derby dog, was the winner of the Puppy Stake. In addition to having excellent range, Brandy handled well and had two finds. Second place went to Mike's Rambler who drove into heavy brush to find a pheasant. Dingo's Argard Mike's race was not quite equal to the first two, but was good, and he also had a find. Beauregard's Billy Boy was very independent, but responded to handler, while Sye's Butch was almost too independent.

OPEN PUPPY STAKE

1st—Cork's Copper Brandy; Lee Holman. 2nd—Mike's Rambler; Bob Kossel. 3rd—Dingo's Argard Mike; Bill Kossel. 4th—Beauregard's Billy Boy; Larry Rasmussen.

### Amateur All-Age Stake

Sunday afternoon, in 70° temperatures, the Amateur got under way with Gladjoe's Pride, handled by Howard Crippen, the winner. "Greg" had two perfectly handled finds to combine with an excellent back course. The second place dog, Rendezvous Elias, was handled by Bob Kossel. "Peter" ran a wide course, handled well, and had a beautiful find. He ran downwind past a bird and cut back sharply to establish point. The third and fourth place dogs did not run as wide as the first

AMATEUR ALL-AGE STAKE

1st—Gladjoe's Pride; Howard Crippen. 2nd—Rendezvous Elias; Bob Kossel. 3rd—Princess Linda; Bill Kossel. 4th—Princess Bonnie Susan; E. A. Hutchinson.

two. Princess Linda took third with well handled find; Princess Bonnie Susan had two finds but was not steady on the second. Of the sixteen places awarded, these two bitches were the only females to place in the trial.

## BUCKEYE BRITTANY CLUB

C. C. Austin

The Second Point Trial of the Buckeye Brittany Club Inc., got under way at 8:00 A.M. on March 22, 1958, at the Rush Run Game Area, about 15 miles north of Hamilton, Ohio, off of route 127, near the town of Somerville, Ohio. The weather was beautiful both days—a little cold in the morning but warming up nice and warm later in each day. The judges, Mr. Ronald Thielman of Cincinnati and Mr. Vince Golden of Hillsboro did an admirable job in all stakes. The Field Trial Committee under Chairman Mr. Ed Weik of Hamilton and Secretary Mrs. Polly Young of Hamilton had all details taken care of including entries, horses, food, etc.

Honored guests at the trial included Mr. Jack Secor, Pres. of the American Brittany Club and Mr. Charles Morse, Field Trial Chairman of the ABC.

We used liberated quail on all stakes; Open Puppy, Open All-Age, Open Derby and Amateur All-Age. There were a total of 61 dogs entered and started.

Saturday evening, the Committee arranged a dinner at the Eaton Manor in Hamilton which was very much enjoyed as much for the fellowship as the food; both of which were good.

It is indeed an inspiration to see the quality of work exhibited, for after all, that is the main purpose; "to raise the quality of the performers", dogs and handlers. Trophies were awarded to the First in Puppy and 1st, 2nd and 3rd in the other stakes with rosettes to all dogs placing. Special recognition is always due the Representatives of the Ohio Wildlife for their cooperation and assistance.

---

## SPECIALIZING IN TRAINING THE BRITTANY, THE GENTLEMAN'S GUN DOG

Twenty-four years of experience in training dogs. My field trial wins and dogs I have trained speak for themselves. Brittany Spaniels a specialty. Plenty of birds, ground, and help. Correspondence invited. South Dakota, June 15th, for two months training on pheasants. Other training around home on pheasants and quail. If weather too rough around home, Tennessee for two months training on quail. Also, well blooded Brittany pups for sale.

## HOOSIER BRITTANY CLUB

David H. Lee

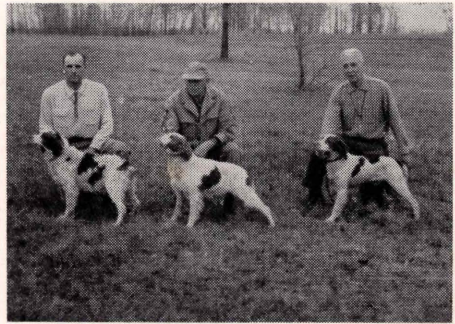

A hot sun, and dry, dusty grounds sapped the energies of Brittany pups at the start of the Hoosier Brittany Club's Spring trials the weekend of April 18-20th. Fortunately, cloudy skies on Saturday followed by welcome rain showers settled the dust, and rendered conditions more favorable to finding birds on the multiple-course grounds used for field-trialing in the Tippecanoe River State Park. In addition to native pheasant and quail, the Club released birds so all 84 Brittany entered in the four stakes would have an opportunity to show on game.

Dr. H. L. Cormican, newly-elected President of the Hoosier Brittany Club, Lowell Sonner—Field Trial Secretary, and Freddie Blankenship—Field Trial Committee Chairman, were all novices trial-wise, but they put on a finished production. Needless to say they got valuable assistance from such old-timers as Jack Secor, Bill Kull and Fred Coffman.

Duneland Pointer and Setter Club members again aided the Brittany people by judging for them. Virgil Gunlock and George Schael led off by judging the Puppy and Open All-Age, followed by Bill Prohl and Earl Chapell in the two concluding stakes, the Derby and Amateur.

### Puppy Stake

Dingo's Gizmo ran a good race, finishing strong despite the heat, and had one contact with birds. Mike's Rambler rambled impressively, still turning it on at the close but he had no contact with birds. Becky's Jack of LaRue and Michael of LeKcid ran well, finishing fairly strong. All of the pups were hard pressed because of excessive heat.

### OPEN ALL-AGE STAKE

1st—Fld. Ch. Ferdinand of Leeway; John Lee.  
2nd—Fld. Ch. Gagel's Dutchman; Bill Kull.  
4th—Rendezvous Elias; Howard P. Clements.

### Open All-Age Stake

Fld. Ch. Ferdinand of Leeway reached out, searching likely cover, and had one find which he handled with acceptable manners, to capture the blue ribbon over 34 contenders. Fld. Ch. Gagel's Dutchman had a good race with two good finds and one unproductive. Gladjo's Pride ran a fair race and had one good find. Rendezvous Elias had a fair race with one find, one back and an unproductive.

### Derby Stake

Ferd's Flag of Leeway displayed a hard driving race, very strong at the finish and totaled four contacts with birds; one definitive point. Pacolet's Gallant Lad had a good race and two contacts with birds. Fredan's Interne ran well and bumped two pheasants and a quail. Pacolet's Flying Banner displayed his colors brightly and twice contacted birds.

#### DERBY STAKE

1st—Ferd's Flag of Leeway; Lee Holman. 2nd—Pacolet's Gallant Lad; Jane Thompson. 3rd—Fredans Interne; Ann White. 4th—Pacolet's Flying Banner; Fred White.

#### Amateur All-Age Stake

Returned by a Michigan owner, the Coy Conwell trophy now goes to Illinois—to Howard Clements who handled and won this event with Rendezvous Elias. "Peter" had a good race with two finds and a stop to flush. Brit's Tic Toc Bobby ran well; had a stop to flush. Tommy's Papillion Sue and Raggs Freckles were unrewarded in their efforts to find birds, but awarded placements on their class and style.

#### AMATEUR ALL-AGE STAKE

1st—Rendezvous Elias; Howard P. Clements. 2nd—Brit's Tic Toc Bobby; H. H. Crippen, Jr. 3rd—Tommy's Papillion Sue; Ann White. 4th—Raggs Freckles; Evelyn Proudfit. Right to left.

## ILLINOIS BRITTANY CLUB

Fred Z. White

The Illinois Regional Brittany Club held its annual Spring trial at the Crab Orchard Wildlife Area, February 21-23, 1958. The long winter cold snap broke in time for the trial, and the result was mud—and more mud. Judging for the Derby, Open All-Age and Amateur Stakes were James Carter of Benton Illinois and Lloyd Teas of Benton, Illinois. Max E. Holcomb, DDS., teamed up with Mr. Carter in judging the Puppies on Friday afternoon.

### Puppy Stake

Quail were conspicuous by their absence so placements were made on

PUPPY STAKE

1st—Pacolet's Flying Banner; Jane Thompson, handler. 2nd—Holman's Bill; Lee Holman, owner. 3rd—Fredann's Interne; Fred Z. White, owner. 4th—Dingo's Gizmo; held by Jos. P. Kern.

ground heats alone. Pacolet's Flying Banner was the widest, and dug deep into birdy cover. Bill, Fredan's Interne, and Dingo's Gizmo placed behind him.

DERBY STAKE

1st—Warrington's Tommy Boy; Lee Holman, handler. 2nd—Penny's Missouri Jubilee; R. Hesseltine, handler. 3rd—Pacolet's Genii; Jane Thompson, handler. 4th—Holly Haven Lucky; held by D. F. Olund. Judges: Lloyd Teas and James Carter.

### Derby Stake

Warrington's Tommy Boy had a wide flashy race and one good covey find. His brace mate, Penny's Missouri Jubilee ran almost as well, likewise scoring on covey, but had a non-productive. Pacolet's Genii demonstrated good manners and tried to hold birds despite an exuberant brace mate who

rooted them out. Holley Haven's Lucky was a more restricted race, but he hunted well and scored on bevy.

### All-Age Stake

Fld. Ch. Hero's Master Spot demonstrated complete mastery with excellent ground heat and find at almost unbelievable distance. Spot remained staunch when brace mate bumped the birds, and backed on a "fur" non-productive. Second place went to Fld. Ch. Ozark Chieftain who had a clean find and fair race. Duc du la Bretagne edged out his brace mate, Young Rain, with his little better handling on their divided find.

### OPEN ALL-AGE STAKE

1st—Hero's Master Spot; H. H. Crippen, owner. 2nd—Ozark Chieftain; Ralph Hessel-tine, handler. 3rd—Duc du la Bretagne; Ralph Hessel-tine, handler. 4th—Young Rain; held by Ann White.

### Amateur All-Age Stake

Quail again went into deep hiding in the running of this stake, and only two dogs had initial contact with game. Three dogs were called back in a second series.

Fld. Ch. Saxon of Fredan topped his first series attempt with stop to flush and covey find. Rendezvous Elias battled uphill to second place with a strange handler who did not look wide enough for "Pete's" birds, so relocation ended in a stop to flush. Pete de Klemanor was outstanding in ground coverage on his initial bid, but failed

to capitalize on contacting birds in his second attempt. A "handler-handicap" was Fld. Ch. Joey of Hunterhaven's fate when he found birds in a fence-row.

### AMATEUR ALL-AGE STAKE

1st—Saxon of Fredan; F. Z. White, M. D., owner-handler. 2nd—Rendezvous Elias; held by S. Allen Truex, M.D., handler, F. Z. White. 3rd—Pete de Klemanor; Luther Lawrence, owner-handler; 4th—Joey of Hunterhaven; Earl Chappell, owner-handler. Judges: Lloyd Teas and James Carter.

## MICHIGAN BRITTANY CLUB

Joe Kern

Once again the Michigan Club used the spacious grounds of the state-owned Highland Recreation Area for its Spring trial, April 12-13th, running the Open All-Age and Derby Stakes on contiguous courses, with single layouts for the Puppy and Amateur. Pheasants, through the courtesy of the Michigan Conservation Dept. were used in all stakes except the Puppy where bob-white quail furnished the scent for the eager young hopefuls. Hard rains just preceding the trial drenched the parched area and afforded excellent scenting conditions, yet throughout the two days running Old Sol kept shining all over God's green earth, with temperatures in the 60's.

Hospitality was at its highest in Haven Hill Lodge, picturesquely situated atop a hill in the Highland Recreation Area. Those fortunate enough to stay the *two nights* realize how futile are words to express the beauties of this fantastic spot (country estate of the Fords) let alone the pleasure of dining, sleeping, and dog-chattering together for hours on end. Some critter was on the prowl until the wee small hours, causing the rest of us to try and sleep twice as hard. Never did get a good look at this "Will-O-the-Wisp"—too blamed dark!

Mr. George R. Sharpe, Carrollton, Mich. and Mr. Amos Greer, Gladwin, Mich. handled the judicial chores for the Open All-Age and Puppy Stakes: Mr. C. P. "Jack" Plyler, Cadillac, Mich., and Mr. Curtis R. Green, De-

troit, Mich., the Open Derby and Amateur All-Age Stakes. Earl Chappell, hard-working field trial Chairman who maneuvered to get 86 entries confined to two-days running, was ably assisted by Ralph Gardner, Douglas Squires, Bill Szubielak, Jim Freeman, the two Crippen boys, E. Stevens, Paul Bartlett, Dick Woods, Henry Holleyoak, and Hulins with their Food Trailer fed the hungry mob.

### Open All-Age Stake

Fld. Ch. Gagel's Dutchman ran a good race, being a bit short at times. He had two steady finds. L'Etoile de Dingo in second place put on a hard driving race, forward all the time and had one good solid find. Skywood's

### OPEN ALL-AGE STAKE

1st—Fld. Ch. Gagel's Dutchman; Bill Kull.  
2nd—L'Etoile de Dingo; James W. Freeman.  
3rd—Skywood's Tantivy; Jane Thompson. 4th—  
Dual Ch. Dingo's Little Mike; George Wilson.

## **AT STUD**

Field Trial Champion

### **UNO'S REX OF PARADISE**

JACK F. SECOR

1249 Grant St.

Niles, Michigan

Tantivy made intelligent casts and had one clean find. Dual Ch. Dingo's Little Mike ran fair; had a divided find, one unproductive and stop to flush on a woodcock.

Others worth mentioning, and a couple could have been on top but for some unfortunate incidents: Fld. Ch. Ferdinand of Leeway, Jacquette, Susan's Heide, Holley Haven Dan, Brown's Pal O' Mine and Rendezvous Elias.

#### OPEN DERBY STAKE

1st—Teck; Bill Kull. 2nd—Cork's Copper Jag; H. D. Fowler. 3rd—Pacolet's Pollyann; Jane Thompson.

#### Open Derby Stake

Winner, Teck, drove hard with good application and had a snappy find. Cork's Copper Jag ran a good level race; one find with short chase. Pacolet's Pollyann named to third with good ground heat and nice find. Ferd's Flag of Leeway had an excellent race; a bit hard to bend, no birds. Others meriting attention: Pacolet's Genii, Wild Haven Hi-Joe, Pacolet's Gallant Lad.

#### Open Puppy Stake

Zu-Bee's Moochie won handily, finishing strong. Shortie of Wingmead merrily covered ground and had a find in the bird field. Belle Idee Dumedo showed much promise and maintained a merry race while Cork's Copper Brandy didn't turn on the heat until he hit birds, finishing strong with two finds. Dingo's Gizmo, Bud, and Beau-gard's Billy Boy all impressed.

#### PUPPY STAKE

1st—Zu-Bee's Moochie; Bill Szubielak. 2nd—Shortie of Wingmead; Lee Holman. 3rd—Belle Idee Dumedo; Ted Teslik. 4th—Cork's Copper Brandy; Virginia K. Morse.

#### Amateur All-Age Stake

Dual Ch. Dingo's Little Mike started slow, then stretched out mightily and ended with three good steady finds. L'Etoile de Dingo had an excellent searching race and one good find. Freckles VII handled a quail find on the breakaway, and another bird in the bird field. Patsey of Bienville, somewhat hampered by brace mate, was credited with unproductive and one steady find. Others with acceptable work but bad breaks were Fld. Ch. Hero's Master Spot, Fld. Ch. Uno's Rex of Paradise and Pontac's Hero.

#### AMATEUR ALL-AGE STAKE

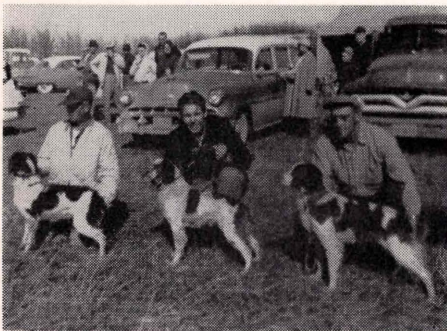

1st—Dingo's Little Mike; George Wilson; 2nd—L'Etoile de Dingo; James W. Freeman. 3rd—Freckles VII; Tom Higgins, handler. 4th—Patsey of Bienville; Ralph H. Gardner. Judges—Curtis R. Green and C. P. Plyler.

## MICHIGAN-SAGINAW VALLEY BRITTANY CLUB

Margaret Vogt

March 29-30th, the Lapeer State Area was the scene of the annual Spring trial. Field Trial Chairman for the event was Arthur Parker of Freeland, Mich. A total of 69 dogs were run under sunny skies with a bit of wind which now and then pushed out the birds.

### OPEN ALL-AGE STAKE

1st—Gladjoe's Pride; owner, Joseph Kern, handler, Jane Thompson. 2nd—Skywoods Tanting; owner, James Haslley, handler, Jane Thompson. 3rd—Joey of Hunterhaven; owner and handler, Earl Chappell.

### Open All-Age Stake

Saturday morning saw the start of 27 Open All-Age contenders under the judging of Harold Reed, Medina, Ohio and Edward VanTassell, Detroit, Mich. First place went to Gladjoe's Pride for

an excellent searching race and coming in with one clean find in the bird field, handled perfectly. Second was Skywood's Tantivy with good level race, and two steady finds, one of which was rather trying due to bracemate interference. Joey of Hunterhaven had questionable contact with a pheasant at 15 minutes, then one bird field find which he handled with perfect manners. Toffee Idoc Slamming Sammy ran a good level race and one good find.

### Open Derby Stake

Dr. Fred Z. White of Chillicothe, Illinois and Joseph Hisle, Saginaw, Michigan passed on the merits of the dozen Derbies, awarding first place to a veteran Derby winner, Pacolet's Genii. Genii had a big race, holding her head high and chased her one find enthusiastically. Holley Haven Lucky ran well and had a point in bird field which bracemate took out but Lucky held tight. Pacolet's Gallant Lad had a fair heat; one point and one unproductive. Chippacassie's Brandy laid down a good hunting race but failed to find birds.

Sunday after the Derby Stake was over, both the Amateur and Puppy Stakes were run simultaneously on separate courses with Messrs. Reed and

Van Tassel attending to the Puppies while the other duo, Dr. White and Mr. Hisle passed on the merits of the Amateur contenders.

### Amateur All-Age Stake

For the first time, a Billy Smith Memorial Trophy donated by Bob's Feed Store was offered as a rotating trophy, and winning the first leg was Fld. Ch. Hero's Master Spot. Spot ran an excellent wide race, showing well in front. He had two birds on the back course and one find requiring relocation in the bird field. Joey of Hunterhaven ran almost as wide as Spot and had one find just before pick-up. Pontac's Hero ran a good hunting back course; credited with two backs. Patsy of Bienville had one find in the bird field which her bracemate took out.

### Open Puppy Stake

Becky's Jack of LaRue was the classiest puppy in the whole stake, running a strong consistent course that brought him into the bird field well before his handler. He worked out one bird and chased it merrily. Dingo's Gizmo ran a busy race; he had one find on the back course, picked up one dead quail in the bird field, and caught two more quail. ZuBee's Moochie had an excellent pattern to his running, pointing a pheasant and a quail. Wild Haven Hi-Joe made excellent probing

### OPEN PUPPY STAKE

1st—Becky's Jack of La Rue; owner and handler, Earl Chappell. 2nd—Dingo's Gizmo; owner and handler, Howard Crippen II. 3rd—Zu Bee's Moochie; owner and handler, Wm. Szubielak.

casts and scented his finds from afar out. All the Puppies placing were grandsons of Dual Ch. Pontac's Dingo with the exception of Gizmo who is even closer—a son of the grand old champion!

Assisting Art Parker, Chairman, to make it a fine trial were: Al Vogt, Larry Griffin, Bennett Claspell, Robert Hill, Clinton Bostwick, Amos Greer, Jack Plyler and Lloyd Verrell.

Those helping John Stockwell in the well-run kitchen were: June Stockwell, Mrs. H. Heidepriem, Mrs. Cleo Cobb, Mrs. Pauline Drumm and Mrs. Wm. Hughes. Mrs. Ruth Parker even served her husband Art's birthday cake, which said "Happy Britt Day" above a chocolate Brittany!

## OHIO BRITTANY CLUB

Ginny Morse

The Ohio Brittany Club held its Spring trial April 4-6th at Killdeer Plains, Harpster, Ohio. Friday and Saturday were clear and brisk with swirling winds, somewhat hampering scenting conditions. Heavy rains Saturday night turned the grounds into a chain of ponds surrounded by soupy mud. The antics of handlers wading through the mire caused much merriment.

Judicial assignments were very capably handled by Merlon Woods of Springfield, Illinois and V. V. Van Divort of Toledo, Ohio.

### Open Puppy Stake

Birdwork was at a premium and placements were awarded purely on ground heats. Dingo's Gizmo was the

blue-ribbon pup, running a wide forward course and hitting all birdy spots. His attractive way of moving, high head, and merry tail reminded many of his great sire, Dual Ch. Pontac's Dingo.

Mike's Rambler, ran a good course and enthusiastically chased meadow-larks. Buckeye Skipper ran as wide as the winner at times but lacked consistency. Fredan's Interne started slow but finished strong.

### Open All-Age Stake

Fld. Ch. Joey of Hunterhaven, the winner, ran a sparkling forward race and had two outstanding finds. Reed's Skyline Dan ran a good forward race though not as wide as Joey. He had one good find and two other contacts

### PUPPY STAKE

1st—Dingo's Gizmo; H. H. Crippen II, owner; Jane Thompson, handler. 2nd—Mike's Rambler; Geo. W. Wilson, owner; Lee Holman, handler. 3rd—Buckeyeskipper; C. C. Conklin, owner-handler. 4th—Fredan's Interne; Fred White, owner; Lee Holman, handler. Judges: V. V. Vaudivort and Merlon Wood.

with game. While running downwind, a quail flushed; he tried to catch it and then stopped. On another point he moved up twice, finally flushing, then stopped. Hel's Oklahoma Topper was piloted into third place with a very good ground heat and an excellent find despite brace-mate interference. Ch. Wild Haven Jaxon had a fair ground heat and one find on which he took two steps at flush. Susan's Heide was the only dog to equal Joey's ground coverage, but she failed to contact game.

### Open Derby Stake

As only the first place dog in this stake, Pinoak's Guy, combined an acceptable ground heat with birdwork, it was necessary to call four dogs back. Guy ran an average hunting course and had several finds, two of which were of excellent derby quality.

Pacolet's Gallant Lad took advantage of his callback with excellent derby find, holding tight until handler flushed. Cork's Copper Jag ran a class course and on call-back hit a stylish point. When handler had difficulty flushing the quail, Jag moved two steps to extend help. It was refused

DERBY STAKE

1st—Pin Oak Guy; Dave F. Olund, owner; Lee Holman, handler. 2nd—Pacolet's Gallant Lad; Nils Nielson, owner; Jane Thompson, handler. 3rd—Cork's Copper Jag; H. D. Fowler, owner; Charles Morse, handler. 4th—Pacolet's Genii; Mrs. Thomas Higgins, owner; Jane Thompson, handler. Judges: V. V. Vaudivort and Merlon Wood.

and he held for handler to flush, then chased merrily. Pacolet's Genii ran a good course and had two contacts with game.

AMATEUR STAKE

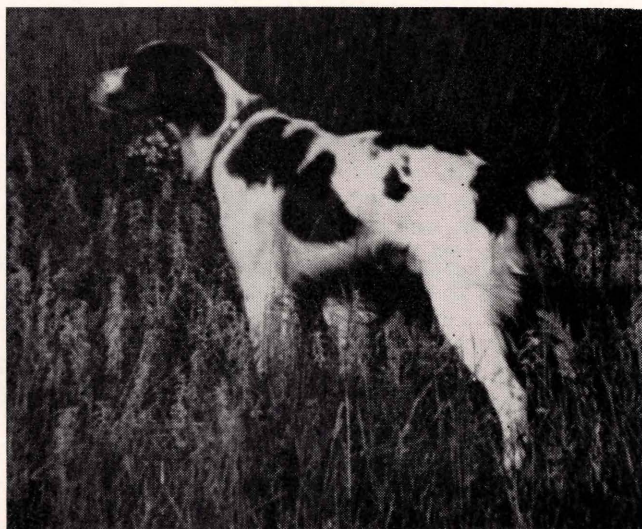

1st—Avono Corky; Charles Morse, owner; Virginia Morse, handler. 2nd—Saxon of Fredan; Fred Z. White, owner-handler. 3rd—Toffee Idoc Slamming Sammy; Toffee Idoc Kennels, owner; Ann Carr, handler. 4th—Sir Mo-Lay; Carroll Conklin, owner-handler. Judges: V. V. Vaudivort and Merlon Wood.

### Amateur All-Age Stake

Ch. Avono Corky, handled by your scribe, was the winner. Cork ran a forward race, disappeared twice while his handler struggled with the mud; the second time being found on point with Sax backing. Two additional finds on which he exhibited sterling manners awarded him an additional honor; the first leg on the second Dr. Tom Talbott Memorial Trophy, presented to the Ohio Brittany Club by John W. Lee, replacing the original trophy retired by Fld. Ch. Ferdinand of Leeway.

Fld. Ch. Saxon of Fredann, in second place, ran a good ground heat with plenty of bounce and twice backed brace-mate. Ch. Toffee Idoc Slamming Sammy had one good find. Sir Mo-Lay had rough going with a belligerent brace-mate and on his second find the quail flushed temptingly in his face. Fld. Ch. Hero's Master Spot ran the class course of the entire trial but couldn't resist bumping a quail.

**JEFFREY OF ARGARD**  
***A.K.C. Field Champion***  
**AT STUD**

Truly a Brittany with bird-sense, extreme range, boldness and class, with an outstanding record. He is a proven producer and has sired puppies and derbies that are now winning. Some of Jeff's outstanding wins are:

- 1st in 1956 National Open All-Age Stake (56 Brittanies competing)
- 3rd place in National Amateur Shooting Dog Stake
- 1st place in Illinois Regional Open All-Age Stake
- 2nd in the Northeast Kansas Field Trial Amateur Shooting Dog Stake (competing against pointers and setters)

## MIDWEST BRITTANY CLUB

Julie Gray

Don't ever believe "Kansas is hot and dry!" If it had been any colder, or any wetter, we would have turned to icicles and still be standing at Ft. Riley waiting for the thaw! Without a doubt this was the *worst* field trial weather the Midwest Club has ever known. All handlers were objects of pity, but the gallant little Brittansys never say die. We had to move our grounds, for roads were impassable, but the trial was still held on the reservation. Bob-white quail were liberated in addition to wild quail and pheasant.

Our judges were men of iron, and very capable. Judging puppies were Mr. Ritchie Johnston, Kansas City, Mo. and Mr. Al Chasteen, Independence, Missouri. For the Derby, Amateur, and Open All-Age Stakes, the judges were Mr. Jim Cook of Topeka, Kansas and Mr. Albert Reams, Des Moines, Iowa.

Highlighting this Spring trial was the Open All-Age Stake in which all 22 Britts competing had contact with game.

Our thanks to a very efficient Chairman, Dwight Williams, and his entire committee.

### OPEN PUPPY STAKE

1st—Prince of Valley Britt; Otto Zlomke, owner, Ralph Hesseltine, handler. 2nd—Way-Kan Sally; Gerald E. Price, owner and handler. 3rd—Manty; Gene Harrison, owner, Harvey A. Butler, handler, Robert Madl, shown. 4th—Ral Mar's Buster; Ralph E. Thrap, owner and handler.

### Puppy Stake

2nd—Way-Kan Sally.  
3rd—Marty.  
4th—Ralmar's Buster.

### OPEN DERBY STAKE

1st—Tommy's Yankee Ike; John Costelow, owner, Ralph Hesseltine, handler. 2nd—Spark of Sioux Land; Morris Hanks, owner, Cliff Kittelson, handler. 3rd—Penny's Cactus Kate; Louis F. Oltman, owner and handler. 4th—Bob's Model; Robert J. Madl, owner and handler.

### Derby Stake

Tommy's Yankee Ike, the winner, had two perfect finds, handled well. Ike's was an excellent race and he finished strong. Spark of Sioux Land had two finds, one stop to flush; medium race. Penny's Cactus Kate had two finds, one unproductive, with a good race. Bob's Model had two finds and went with the birds; good race.

### Open All-Age Stake

Fld. Ch. Ozark Chieftain showed champion qualities with a covey find in heavy brush, a well-handled bird field find and an excellent fast-moving race. Teka of Sioux Lane had one find on the back course, one in the bird field, and ran a good, hard, driving race. Towsey had one find on the back course, two finds in the bird field, but a medium race. Prairie Rambler's Topper had one find on the back course, two in the bird field, one stop to flush, with medium-to-fair race.

In awarding placements, when every dog in the stake had birdwork, manners and race were the determining factors.

#### OPEN ALL-AGE STAKE

1st—Ft. Ch. Ozark Chieftain; Ralph Hesselstine, handler. 2nd—Teka of Sioux Land; Cliff Kittelson, handler. 3rd—Ft. Ch. Towsey; Thomas E. Black, owner and handler. 4th—Prairie Ramblers Topper; Harvey A. Butler, handler. Judges A. L. Reams, Willis E. (Jim) Cook.

#### Amateur All-Age Stake

Towsey topped this stake, being credited with a perfect find, one stop to flush, and an excellent race throughout. Three times he relocated a running bird, going speedily and straight to his quarry. Brit Le Maribeu had one good, clean find with a medium race. Mac's Cornouaille King had one clean find with a good race. Sioux Land Jib had one find; one stop to flush and a fair race.

#### AMATEUR ALL-AGE STAKE

1st—Ft. Ch. Towsey; Thomas E. Black, owner and handler. 2nd—Brit Le Maribeu; S. D. Campbell, owner and handler. 3rd—Mac's Cornouaille King; Thomas A. Bell, owner and handler. 4th—Sioux Land Jib; Glen Severson, owner and handler.

A well attended and successful fun trial was held on January 19, 1958. A great deal of credit should go to Jim Cook and George Bengé, who judged the trial, bringing their own horses, and to Ralph Hesselstine, who located the grounds and furnished the horse for the field marshall. The weather man failed to cooperate and all were subjected to ice-cold rain. Even so, we had a nice entry of 28 Brittans.

#### Puppy Stake—10 Brittans

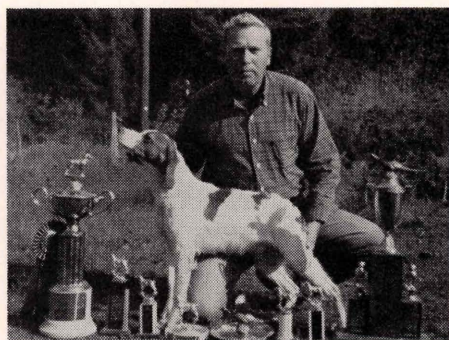

1. Way Kan Sally, Gerald Price, Handler.
2. Way Kan Dynamite, Gerald Price, Handler.
3. Mitzi, Donald Hartig, Handler.
4. Gypsy, Dwight Williams, Handler.

#### Derby Stake—8 Brittans

1. Rebel, Walter Younger, Handler.
2. Punch, Robert Madl, Handler.
3. Jubilee, Louis Oltman, Handler.
4. Pecos Bill, Louis Oltman, Handler.

#### Open All-Age Stake—10 Brittans

1. Junior, Earl Gray, Handler.
2. Texas Merry, Gerald Price, Handler.
3. Butch, Robert Madl, Handler.
4. Rusty, Dwight Williams, Handler.

Juchoir's Light Lodestar with trainer Buck Bissell. She is by Pierrot de Fontaine Vallee ex Juchoir Shady Lady. Bred by Betty Bissell and owned by Ruth Stein of Missoula, Mont., Lodestar's record places her third in the all time puppy records. She is the fourth dog to win both puppy and derby at same trial. (Pierrot is sire of two of these four.)

## MISSOURI BRITTANY CLUB

Loretta and Ralph Bunnell

Old Man Winter made the Missouri trial a "howling success" with fierce biting winds, snow flurries, and mud just right for the horses to bog down. But the participants were determined to have a good time, and the enthusiasm displayed by Brittany folk was caught by several "visitors" who are now duly enrolled members. Thanks go to the professional handlers: Lee Holman, Ralph Hesselstine, and Russell Fair; to Jim Cooper for use of the Friskie sound truck, and to the Chuck Wagon that sent handlers away with hot java under their belts. Judges were Tom Haley from Missouri, Lee Summerlin, Robert Kerr and Dwight Williams, all of Kansas. Their judgments were well received.

### Puppy Stake

Gerald Price from Kansas with Way-Kan Dinah-Mite and Way-Kan Sally walked away with first and third. Beaugard's Billy Boy (or just plain Bill) from Illinois was second, while another Kansas pup, Showman's Flashy Britnik was named fourth of the 17 competing.

### Derby Stake

Tommy's Yankee Ike, the winner, ran well, and on his two finds was steady to shot and wing. Eldorado de Klememor likewise culminated a creditable race with two finds, one a relocation. Warrington's Tommy Boy

ran better than average; had three finds but was not steady. Missouri Covey Scout had stop to flush on edge of bird field; steady to shot and wing.

### Open All-Age Stake

Kansas dogs cleaned the slate of the Open All-Age.

Enqueue, on the top rung, was busy all the time and showed stylish manners on game. Duc du la Bretagne ran well, with good manners on his single find. Shawnee's Hellou Fancee was mannerly on one of her finds; settled on a second. Yankee Boy's Tommy had a fair back course and was credited with a find and back.

### Amateur All-Age Stake

Missouri still bowed to Kansas in the running of the Amateur until it came to third and fourth places when Mac's Cornouaille King and Do-Car's Junior Showman came through to "show em." Burk's Chip of Argard, the winner, laid down a very good back course and was most stylish on his two clean finds. Fld. Ch. Dwight's Halloween Spook demonstrated a remarkably good nose on her solid find, and voluntarily backed brace mate. King actually pointed four times, but one was a marked bird in his bid for third place, while the Showman started slow but improved on birds and was credited with nice work on single.

## NEBRASKA BRITTANY CLUB

John Seery

With the finest weekend of weather that the Field Trial Crowd had run into this year, Prairie Rambler's Topper won out in the Open All-Age Stake. Topper needed one more win to make him a Fld. Ch. and this was the climax. Topper is owned by Marion S. Smith, Stillwater, Oklahoma, and was handled by H. A. Butler, Jr.

The trial was well attended by local people as well as Brittany fans from South Dakota, Kansas, Missouri and Oklahoma. Out of the 20 dogs in the open, 19 found birds. The other dog went to the gallery or it might have been 100%.

Judging was by Jim Kellogg of Grand Island, Neb. and Emmett Smith of Kansas City, Mo. Randy Horsley of Lincoln and C. J. Guyette of Grand Island, Neb. judged the fine crop of puppies.

We invite all Brittany owners to attend our next trial. We believe we have

the finest one-course trial grounds for Brittanys in the United States, and treat everyone just the best we know how.

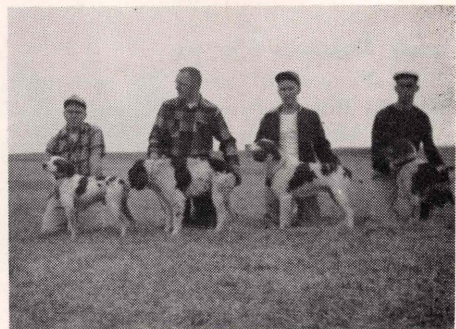

### OPEN DERBY

1st—Ole of Sioux Land; Melvon Hanthorn, owner; Cliff Kittleson, handler, shown. 2nd—Skipper; R. Harold Standing, owner-handler. 3rd—LaReine of Quincy Hill; Phillip A. Pittman, owner; Ralph Hesseltine, handler, shown. 4th—Pacolet's Captain Peck; H. Brown, owner; H. A. Butler, Jr., handler, shown.

### OPEN ALL-AGE STAKE

1st—Prairie Rambler's Topper; Marion Smith, owner; H. A. Butler, Jr., handler, shown. 2nd—Teka of Sioux Land; Alice M. Kittleson, owner; Cliff Kittleson, handler. 3rd—Akers Cornouaille Flash; Thomas A. Bell, owner-handler. 4th—Tommy's Yankee Ike; John Costelow, owner; Ralph Hesseltine, Jr., handler.

### AMATEUR ALL-AGE STAKE

1st—Jefferson of Minnehaha; Richard L. Culbert, owner-handler. 2nd—Dakota Scout; Louis Porter, owner; Melvin Hanthorn, handler. 3rd—Major of Valley Forge; Ronald Carlson, owner-handler. 4th—Ringneck Buccaneer; Jack Quitter, owner-handler.

## NORTHERN OKLAHOMA BRITTANY CLUB

Joan Hill

December 15th was the date the new Northern Oklahoma Brittany Club held its first sanction trial.

The weather was foggy and visibility was about 200 feet, but we had a good turnout with 35 entries. We saw some good dog work in all the stakes.

The judges were G. L. James and Dr. C. A. Morgan of Oklahoma City, Okla. The decisions of our judges were very popular.

The trial was held on the Oklahoma Capital Field Trial grounds.

### Open All-Age Stake—12 Starters

1st—Towsey, owner, Tom Black, Wichita, Kansas, handler, Delmar Smith.

2nd—Buddington Sue, owner and handler, Dan Huddleston, Oklahoma City.

3rd—Holliday Britt, owner and handler, Rowe Hill, Oklahoma City.

4th—Buddington Prince, owner and handler, Dan Huddleston, Oklahoma City.

### Puppy Stake—6 Starters

1st—Kentucky Lady, owner and handler, Bill Mullins, Oklahoma City.

2nd—Marty of Richmond, owner and handler, Gene Harris, Wichita Falls, Tex.

3rd—Sooner Sis, owner and handler, Mr. Hahn, Kaws City, Okla.

4th—Corky, owner and handler, Ricky Smith, Edmond, Okla.

### Derby Stake—6 Starters

1st—Holliday Britt, owner and handler, Rowe Hill, Oklahoma City.

2nd—Sue's Jim Dandy Jigger, owner and handler, Bob Rouse, Ponca City, Okla.

3rd—Beba-A-Lula, owner, Dr. Rob-

ert Howard, Oklahoma City, handler, Delmar Smith.

4th—Buddington Sue, owner and handler, Dan Huddleston, Oklahoma City.

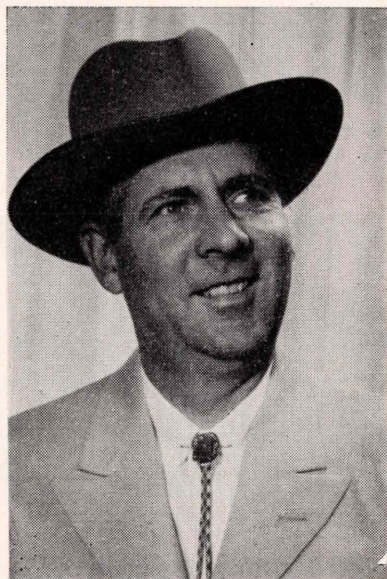

### Amateur All-Age Stake—11 Starters

1st—Holliday Britt, owner and handler, Rowe Hill, Oklahoma City.

2nd—Towsey, owner, Tom Black, Wichita, Kans., handler, Tommy Smith, Edmond, Okla.

3rd—Duke, owner and handler, Bob Rouse, Ponca City, Okla.

4th—Sue's Jim Dandy Jigger, owner and handler, Bob Rouse, Ponca City.

Compliments of  
**TOM COX**

## RINGNECK BRITTANY CLUB

Jack Quitter

With the wary pheasant really out in force, the Ringneck Brittany Club held its spring trial over the Spencer, S. D., public shooting grounds, April 19 and 20, with a rather small entry of 46 top notch Brittanies. Saturday seemed to be shirt-sleeve time with intermittent spells requiring a raincoat. Sunday saw Ol' Sol peeping through the clouds, raising the temperature of most of the dogs and quite a few handlers. The course was in tremendous shape, with clearly outlined objectives amongst the rolling prairie grass. There was plenty of room for a big going dog to get out and go.

### Open All-Age Stake

Sooner's Ranger zipped around the course with a race to the extreme front and handled exceptionally well. Once in the bird field he made a nice clean find on Bob-White, showing superlative manners. This win finished "Thunder" as the large liver and white is aptly called by his proud owner, F. H. Bryan, and his deserving handler, Harve Butler, Jr.

Hellou's Yankee Timber had another class find and race which really pushed the first place dog. The judges had words of praise for both these dogs.

Duc De La Bretagne and Teka of Siouxland dropped into third and fourth place respectively, both having good races and well defined birdwork.

OPEN ALL-AGE STAKE

1st—Sooner Ranger; F. H. Bryan, owner; Harve Butler, handler. 2nd—Hellow's Yankee Timber; Bernard Nieberger, owner; Ralph Hesseltine, handler. 3rd—Duc De La Bretagne; Harlan Wyrick, owner; Ralph Hesseltine, handler. 4th—Teka of Sioux Land; Alice Kittleson, owner; Cliff Kittleson, handler.

## Derby Stake

What the derby lacked in quantity it made up in quality. First place was garnered by Pacolet's Captain Peck, who had a good race with one find and a stop to flush showing all-age manners.

Skipper had a good race with two finds, which he flushed and chased in good derby style.

Third and fourth place were given to Ole of Siouxland and George, who showed us excellent races with less well defined bird work. One of the biggest running dogs of the trial was Texan's Cy, who just ran all over the place but wasn't available at pickup time.

## Puppy Stake

The puppy stake run on Sunday saw Tommy's Yankee Ned dropping into first place, with three finds on native pheasants and a good class race.

Marty of Richmond had an extremely good class race, but his birdwork was

OPEN PUPPY STAKE

1st—Tommy Yankee Ned; Earl Ward, owner; Ralph Hesseltine, handler. 2nd—Marty of Richmond; Gene Harrison, owner; Harve Butler, handler. 3rd—Gene of Richmond; Gene Harrison, owner; Harve Butler, handler. 4th—Beaucoup Petes Bell; T. J. Welfelt, owner; Harve Butler, handler. Judges: Theron Smith, K. W. McDowell.

limited to a staunch find on a meadow-lark.

Gene of Richmond and Beaucoup Pete's Belle garnered third and fourth place with good puppy races over the spacious back course.

AMATEUR ALL-AGE STAKE

1st—Penny's Red Knight; Louis F. Oltman, owner-handler. 2nd—Jefferson of Minnehaha; R. L. Culbert, owner-handler. 3rd—Way-Kan Judy; Gerald Price, owner-handler.

## Amateur Stake

Jefferson of Minnehaha walked away with the Amateur stake with seven bits of birdwork, three clean finds on quail and one on pheasant and three stops to flush also divided on pheasant and quail. Jeff hit all corners of the course and looked good doing it.

Liver and white Dakota Scout had two finds, three stops to flush and a fair race. Scout dug into the cover with his ground-consuming gait.

Major of Valley Forge and Ringneck Buccaneer both climaxed wide, far reaching backcourse races with a number of finds in the birdfield. Both dogs showed youthful manners as they chased on several occasions.

Theron Smith of St. Joseph, Mo., and K. W. McDowell of Onaga, Kans., passed judgment on the four stake program and had words of praise for the Brittany, saying that the Brittany has come a long way.

SKYLINE BRITTANY CLUB  
Martin L. Nier

The Skyline Brittany Club of Denver, Colorado, held its 7th semi-annual field trials at The Rocky Mountain Arsenal, Derby, Colorado, on the 26th of April, 1958. Although the field of dogs was rather limited, the trial did enjoy one of the finest grounds and weather conditions seen for quite some time. There was some snow that melted by 9:00 o'clock and the conditions were ideal for the dogs to work. Fifty quail were planted to supplement the natural supply of quail and pheasant. Mr. Dave Gimple of Boulder, Colorado, and Mr. Windell Bridwell of Denver, Colorado, were on hand to do a fine job of judging all four of the stakes run.

**Puppy Stake**

Tommy's Yankee Ned, the winner, proved to be a fine aggressive hunter. He was able to seek out some quail in the backcourse and responded well to the commands of the handler.

**Derby Stake**

Way-Kan Sally was a good persistent

hunter and won the Derby stake. She had good finds on natural pheasant and quail, being staunch in both cases, and reacted to handler's commands in an exemplary manner.

**Amateur Gun Dog Stake**

Sadie Parisienne had three good finds in the bird field to win the Amateur Gun Dog stake. A good aggressive hunter in the back course, and displaying very good response to the control of her owner-handler, Sadie proved herself to be every bit a winner. Her very fine handling of her "finds" in the bird field key-noted the Amateur Gun Dog stake.

**Open All-Age Stake**

Tommy's Yankee Ike proved to be a good gun dog in winning the Open All-age. A "find" in the backfield and several in the birdfield highlighted his race. Tommy earned the respect of all concerned with his steadiness to point and aggressive hunting.

## SOONER BRITTANY CLUB

M. F. Guest

The spring trial of the Sooner Brittany Club was run on one course at Fort Sill, Oklahoma, March 15 and 16, on Bob White quail furnished by the State Department of Wildlife Conservation. More than a week of snow and rain ended on Wednesday, and it was cold and cloudy for the trial. Howard Kinmouth of Lawton judged in all events. With him in the Amateur was A. E. Morris of Lawton, Oral Staples of Wichita Falls, Texas in the Puppy and Derby, and R. V. Lowry of Gate, Oklahoma, in the Open All-Age. Arnold Purviance, the previously announced judge, was ill.

### Puppy Stake

There was a complete reversal of quality in the puppy stake, for there were ten dogs that had creditable bird work, and all the placed dogs had outstanding ground heats. Pacolet's Captain Peck had three finds, two of them staunch. Litter-mates Gene of Richmond, and King Concho of Richmond, accounted for second and fourth.

### Open Derby Stake

In the open derby, Hels Okla Goldie

had a hard race and four finds to be a hands-down winner. She was perfectly staunch on the first two, and steady to wing and shot on the other two. Second was Fe's High Stepper. Third was Holliday Britt and fourth was Missouri Convey Scout.

### Open All-Age Stake

Towsey, Tom Black's habitual winner, had a find on the back course and another in the birdfield, and handled perfectly for Delmar Smith to win first. He was closely crowded by Aker's Cornouaille Flash, who had two clean finds and a beautiful relocation. Flash and his seventy-odd year old owner, Thomas Bell, were gallery favorites. Third was Fld. Ch. Buddington Prince, who is always a threat and fourth was Corky of Valley Britt.

### Amateur All-Age Stake

There was no finished bird work in the Amateur, so placings were on quantity. Gusher of Richmond had a good race and three finds for first, Buddington Prince was second, Mac's Cornouaille King third and Prairie Rambler's Topper was fourth.

## GAME MANAGEMENT CLUB

R. H. Ellis

One of our club activities which is greatly enjoyed and participated in by many is a Game Management Club. It is like other game management areas of the State of California with the exception that the membership is limited to Northern California Brittany Club members only.

The club is run by Elmer and Virginia Flack of Arbuckle, California, and the hunting grounds, consisting of approximately 1,000 acres, are located just outside the town of Arbuckle. The operator of a game management area must release 100 birds for every 80 shot. The supervision of the banding and releasing of birds, and licensing of these clubs are handled by the California State Fish and Game Commission. For a full membership fee of \$220 a member is allowed to shoot 40 pheasants, either cocks or hens, during a period of approximately 75 days, usually from about November 1 to January 15.

The advantages of a game management area are the longer season and controlled hunting grounds which are never too crowded (with the exception of the Cook Shack). The limited membership makes it even more enjoyable from the social standpoint. The members usually get together at noon-time for a lunch made up of food contributed by those attending for the day.

The stories of great shots and dogs are plenty at these sessions, especially if the hunter has been in an area with no witnesses. Occasionally he is interrupted with, "How come you fired 10 times and only have two birds?"

Several times during the season a pheasant barbecue is held on a Saturday night in town. The pheasants and trimmings are donated by the members. These are usually well attended, the last one with 70 members and guests, and a wonderful time was had by all.

It has been our experience that not all members of a club have the dogs, the time or the money to campaign in or attend point field trials and shows. Yet they make enthusiastic Brittany supporters if activities are available in which they can participate. Although not in actual competition these dogs are performing under similar conditions. Their ability to find and handle game will soon become apparent and comparisons of performance will be inevitable.

Past breeding will show in their performance, and future breeding will be influenced by it.

Such a program not only maintains club interest and participation at a high level but improves training and breeding programs with more potential field trial dogs as a result.

FIELD TRIAL CHAMPION TOWSEY is a slashing, hard-hitting, wide-going, classy bird dog. Known for his excellent nose, extreme speed, style and intensity, Towsey is an outstanding specimen of his breed. He has competed in top quality pointer and setter shooting dog stakes, winning over some of the best pointers and setters in the United States.

TOWSEY was entered in three classes of the 1957 National Specialty Show (his first show), winning a First, a Second and a Third. As a result of these wins and the winning of the National Field Championship, he was awarded the Dual Dog Trophy for 1957.

TOWSEY transmits all of his fine characteristics to his progeny, and his first pups are now beginning to win. "Watch them in 1958."

28 TOP ALL-AGE FIELD TRIAL WINS: 16 Firsts, including five fine pointer and setter wins:

FIRST PLACE, Ft. Worth Pointer & Setter OPEN Shooting Dog Stake, 27 entries, Oct. 1957.

SECOND PLACE, Ardmore Pointer & Setter Shooting Dog Stake, 16 entries, Nov. 1957.

FIRST PLACE, Oklahoma Am. Fld. Trial Assn., Ardmore, Oklahoma, Shooting Dog Stake, 33 entries, Feb. 1956.

FIRST PLACE, Oil Capital Pointer & Setter Open Shooting Dog Stake, March 21, 1958.

FIRST PLACE, Oil Capital Pointer & Setter Amateur Shooting Dog Stake, March 22, 1958.

FOUR 5 point Brittany First place Open All-Age Field Trial Wins.  
NUMEROUS additional top wins.

## GOLDEN EMPIRE BRITTANY CLUB

J. O. Arcand

Despite last minute relocation of grounds due to heavy rains, we were able to get started with little delay the weekend of March 15-16. The one-course grounds were within the State Co-op Hunting Area Southwest of Chico and the rice straw made excellent cover for planted birds furnished by the California State Fish and Game Dept.

Congratulations go to Bob Ferguson for obtaining the grounds, making arrangements for horses and food, and to the Johnsons, serving on his committee who also furnished their trailer. Judges for all the stakes were Glenn Black of Woodland and Doyle Blagg of Fresno.

### Open All-Age Stake

Buena Vista Beau, the winner, ran a good level race, busy all the way. He had three nice finds, handled perfectly. Paul's White Flash's ground work was on par with the first-place dog, possibly even snappier in his movement. He had one find which he handled perfectly. Gaard's Sweet William started well, slowed toward the close; had one find perfectly handled. Sir Ted likewise slowed toward the finish. Charged with a non-productive in the backfield, he scored with a good find in birdfield.

### Open Puppy Stake

Cindy of Buena Ventura was awarded first place for her speed and desire to hunt. She had one find, chased briefly. Richmond's Rockette's race was good and level, but lacked the sparkle

of No. 1 pup. She had a find immediately after breakaway; another as she came into the birdfield and she finished strong. Lancer's Richmond Sammy started with a bounce, slowed; accounted for two finds. Ragtime Dandy started slow but gained momentum especially on his three finds.

Ten of the fifteen pups entered found birds and showed great promise.

### Open Derby Stake

Juchoir's Harpo had three Derby finds and finished strong to nail down the No. 1 position in this stake. Juchoir's Light Lodestar hunted well with lots of drive and bounce. He had two finds. Randy's Ranger was steady and consistent but had less range in his hunting; three solid finds which he chased with glee. Richmond's Rockette ran well but had some soft spots; one find.

### Amateur All-Age Stake

Lancer of Richmond, the winner, showed tremendous amount of speed and desire to hunt, hitting corners all the way. Had a find on back-course, holding for handler to get there, and then later four more perfect finds. Beau Kiki showed good ground coverage and application. He likewise accounted for a find on the backcourse; one beautiful back, and three more perfect finds. Sir Ted had a non-productive on the back-course but finished strong with three finds, held perfectly. Mon Ami Michael's race was not comparable to the top dogs of the stake, but his three finds in the birdfield were well handled.

## NORTHERN CALIFORNIA BRITTANY CLUB

Robert Ellis

Running a one-course trial on liberated pheasants furnished by the always cooperative California Fish and Game Commission, the Spring trial got off to a scheduled 8:00 A.M. start Saturday morning, March 8 and 9. The trial grounds were as always for the Club, at Grizzly Island Waterfowl Management Area located a short distance from Fairfield, California.

Although California has experienced some very unusual weather this year, the grounds were in good shape for both dogs, handlers, and judges. Saturday gave forth with a few showers in the afternoon, but Sunday was the typical sunny California day.

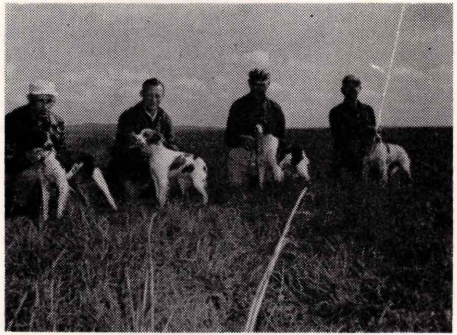

Field trial Chairman was very ably handled by Gene Chapman and Secretary duties by Helen Brown.

Breakfast and lunch were served both days on the grounds under the capable supervision of Mrs. Scarbrough, Mrs. Chadbourne and Mrs. Armosino.

### Puppy Stake

First place honors were earned by the classy little female Brown's Kim of Hillcrest. Showing style, speed, range and an eagerness to hunt, she had one stylish point in the back course on a rabbit and two nice pheasant finds in the bird field.

Close on the first place dog's heels was another little show girl, Cindy of Buena Ventura. She earned her second place honors by showing sparkle and class, range and control, and had one find.

### PUPPY STAKE

1st—Brown's Kim of Hillcrest; Wm. T. Brown, owner-handler. 2nd—Cindy of Buena Ventura; G. W. Sargent, owner-handler. 3rd—Richmont's Rockette; J. M. Sullivan, owner-handler. 4th—Randy's Ranger; Ejner Lund, owner-handler.

Third place went to Richmont's Rockette, who ran exceptionally wide for a pup, yet staying under good control. She showed an excellent nose on locating and pointing from quite a distance.

### Open Derby Stake

Honey's King Tut showed lots of experience and on two finds had head-high points; one showing perfect manners to flush and shot and a controlled break on the other.

Randy's Ranger's range and style were good, and on one bird-field find he showed lots of class. Juchoir's Harpo had one good find and showed eagerness, ground pattern, and range.

#### DERBY STAKE

1st—Honey's King Tut; Nelson Messer, owner-handler. 2nd—Randy's Ranger; Ejner Lund, owner-handler. 3rd—Juchoir's Harpo; Buck Bissell, handler. 4th—Moore's Jim Dandy; Dwight O. Moore, owner-handler.

#### Amateur All-Age Stake

Beau Kiki earned first place honors with an excellent ground race sparkled by a back field find at the end of a long cast. He had perfect manners on this as well as on additional finds in the bird field and on two backs.

Second place went to Sir Ted, who handled remarkably well for a strange handler and had four stylish finds in the bird field, displaying perfect manners on all.

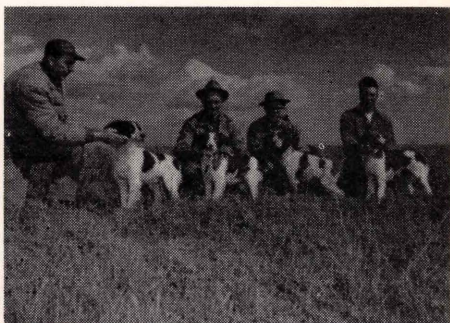

#### AMATEUR ALL-AGE STAKE

1st—Beau Ki Ki; E. L. Phillips, owner-handler. 2nd—Sir Ted; J. M. Sullivan, handler. 3rd—Ch. Ouragan Jerry's Bob; Frank J. Gilbert, owner-handler; 4th—Lancer of Richmond; James Gosnell, owner-handler.

Ouragan Jerry's Bob ran a wide searching race, and like the second place dog also showed a good nose by three good finds in the bird field; his manners were good on two.

#### Open All-Age Stake

Cover being somewhat light but ample for good bird work, the top dogs gave a good showing in style, speed and ground coverage. From the moment of his cast off Juchoir's Smoke Cloud left little doubt that he was going to give his competition something to shoot for. He showed his class throughout

#### ALL-AGE STAKE

1st—Juchoir's Smoke Cloud; L. Tippet, handler. 2nd—Ch. Ouragan Jerry's Bob; Frank J. Gilbert, owner-handler. 3rd—F. C. Ouragan Mion Boy; L. Tippet, owner-handler. 4th—Sir Ted; R. Cook, handler.

and handled exceptionally well. Manners were perfect on two bird field finds.

Second place was justly earned by Ouragan Jerry's Bob, who had an excellent ground race. On a wide cast, he had a good stop to flush and his manners were good on a find in the bird field.

Ouragan Mion Boy earned third with a good honest ground race. His back course control was fair and manners clean on two finds.

## OREGON BRITTANY CLUB

The E. E. Wilson game management area near Corvallis, Oregon, was at its best with plenty of pheasant and quail, so that every dog run had an opportunity on birds. During the winter months there has been an epidemic of mice throughout this area and they were responsible, to a great extent, for the cover being down as it is. This has brought in some skunks and the Game Commission has been working on destroying the skunks before the nesting season. As a result a few dogs made contact with either live or dead skunks which at times filled the air with a typical aroma. On the area is a large pond where feeding of migratory birds takes place and during the late hours of the day it was most interesting to see the large flocks of ducks swinging over the area and into the pond for their evening meal.

The trial opened Saturday morning with nice weather, which continued throughout and was particularly enjoyed by the large gallery which followed the dogs. The area is crisscrossed with roadways so that those of the gallery who preferred the comfort of an automobile could also see a great part of the running. We appreciated the large contingent attending from both California and Washington, all of which made the trial a success. The banquet at the Albany Hotel was well attended along with the social hour preceding.

We were fortunate in having Mr. Ronald Masters of Yakima, Washington, who has judged many of the larger trials throughout the country with us and Mr. Arthur Smith of Aberdeen, Washington, who is also an excellent judge of a bird dog.

### Open All-Age Stake

First — Ouragan Jerry's Bob ran a good searching race, handled kindly and was credited with three finds, which he handled with good manners.

Second — Apple Hill GiGi ran a pleasing race and was credited with one good find and a stop to flush.

Third — Paul's White Flash ran a strong, searching race and was credited with a stop to flush and one find on a covey of quail.

Fourth — Gaard's Sweet William hunted well and was credited with two finds.

### Puppy Stake

First — Richmond's Rockette ran a strong searching race which showed a lot of class and style. He had several contacts with game.

Second, Juchoir's Jolie ran a nice, pleasing race and had several contacts with game.

Third, Evergray's Tic Toc Tommy started a little slow but warmed up to his work and had so many contacts with game that everyone lost count.

Fourth, Randy's Ranger hunted well and had several contacts with game, including a contact with a rabbit, which he gave a merry chase. His race at some times was restricted, which kept him from placing higher.

### Derby Stake

First — Juchoir's Harpo ran a good, searching race all the way and showed indications of hunting hard. He had two good derby finds, one on a running pheasant which he handled in

an excellent manner. He showed every promise of an excellent prospect.

Second — Ripple ran a strong race but at times was inclined to cast to the side and back rather than forward. He failed to have contact with game.

Third—Juchoir's Light Lodestar ran a nice pleasing race, handling well to the front and showing a lot of sparkle.

Fourth — went to Richmond's Rockette. Rockette hunted well but showed immaturity.

#### **Amateur All-Age Stake**

First — Mon Ami Michael. Except for being friendly with his brace-mate on the break-away, Mike ran a good searching race and had one excellent find on a covey of quail. He showed good style and character on his game.

Second went to Freckles Buff, who ran the strongest searching race of this stake but had an unfortunate contact with a covey of quail. Part of the birds failed to flush and when Buff was sent on he bumped the balance of the covey, but stopped on command. He had another excellent find on a pheasant, which he handled in good manner.

Third — went to Apple Hill GiGi. GiGi was credited with one find on a pheasant and backed her brace-mate. Her race was searching but somewhat restricted.

Fourth — went to Beau Kiki, who had a rather restricted race and had several contacts with game, some which were difficult to define. However, he did have two good finds which he handled with good manners.

### **CALIFORNIA BRITTANY CLUB**

**Thurmond McWhorter, Sr.**

On March 1st and 2nd the California Brittany Club held its Spring Field Trial at Firebaugh, California. The weather was fine both days considering the torrential rains they had had in that area the past ten days. It was doubtful up to the first day if we would be able to hold the Trial in the rice field selected due to extreme muddy condition of the field, however, a high wind on Thursday and Friday dried it out sufficiently for us to use. It was a one course trial run on pheasants liberated by the California Fish and Game Dept.

Headquarters were at the Firebaugh Motel in Firebaugh. The Judges' banquet was held at the American Legion Hall and a fine dinner was served by the members of the American Legion. They presented a beautiful decorated

cake to the California Brittany Club with Dr. Thurmond McWhorter, Jr., President of our club, giving a nice speech of acceptance. The dinner was followed by dancing and the usual discussions of the day's running and the events to come tomorrow.

Lunches were furnished each day by the Firebaugh Restaurant and were delightfully served by Mrs. Thurmond McWhorter, Sr., Mrs. Thurmond McWhorter, Jr., Mrs. Marion Baker and Mrs. E. P. Hartman.

The judicial saddles were occupied by T. D. Blagg of Fresno, George Eddey of Five Points, Robert H. Ellis, Marion F. Baker, all of California. Their decisions were well received and we are indebted to these gentlemen for making the Trial the success it was.

## WASHINGTON BRITTANY CLUB

Mary A. Heinz

The Washington Brittany Club held its annual Spring Trial March 28th, 29th and 30th at Weir Prairie. The Prairie is most ideally situated, in fact one of the finest single course fields in America. The spectators may sit in their cars on a broad knoll overlooking the bird field with majestic Mount Rainier for a backdrop.

Headquarters were at the Bailey Motel in Olympia, where some of the "young in heart" enjoyed their beautiful heated indoor swimming. Our banquet, also held at the Motel, was attended by 38 members and guests.

We were most happy to have several good friends from California—Mary Sullivan, president of the Northern California Brittany Club and her husband, Dr. J. M. Sullivan, Vice-president of the American Brittany Club; also Ejner and Gilda Lund from Napa, California; and many of our friends from the Oregon Brittany Club.

This year we had an innovation, an amateur shooting dog stake for all AKC pointing breeds, which was considered

2ND DERBY STAKE

2nd Derby—Jean Jarvis with Trigger Too

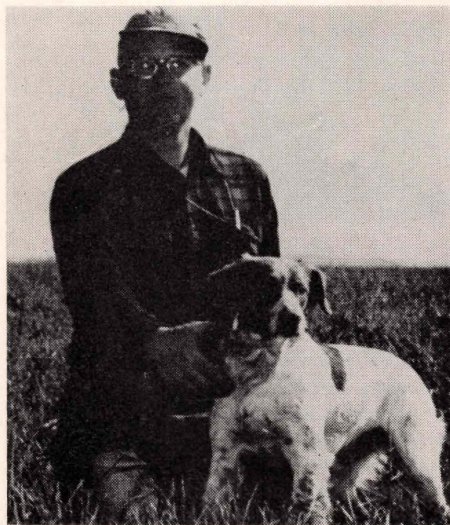

a great success. There were several Pointers, Setters, Short-haired pointers and Weimaraners, all of whom in general have received far more training as retrievers, so we were happy to find several Brittany's turning in excellent performances, with Ed Keefe's Jo-Jo commanding third place (and he is only two years old).

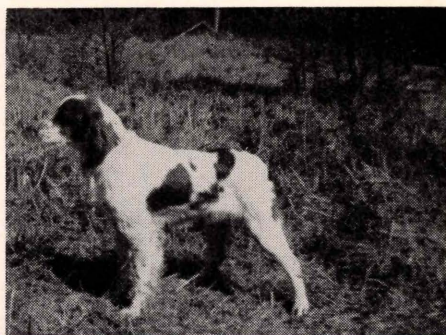

We should like to congratulate Everett Metzger of Portland, Oregon, on finishing Evergray's Tic Toc Bobby. Also the Ejner Lunds on their puppy, Randy's Ranger, completely owner trained and handled; and Jean Jarvis with a second place in the Derby for Tigger Too, because she also did all of the work. Come on Gals!

#### Open Puppy Stake

The Open Puppy Stake got under way as our first event at noon Friday, March 28th. Nine promising young entrants gave their very best efforts, resulting in the following placements by judges Dr. Don Faulkner and Bert Heinz: 1st Place, Randy's Ranger; 2nd, Richmond's Rockette; 3rd, Evergray's Tic Toc Tommy; and 4th, Juchoir's Jolie. All three first place pups ran well and hunted aggressively in the back course and each had a find in the bird field, momentarily pointed and then chased merrily away. The relative placements were very close between these three, with final selections made principally on the basis of the most thorough coverage of back course and its most birdy spots.

1st Puppy, 3rd Derby—Ejner Lund with Randy's Ranger.

TRIGGER TOO

#### Open All-Age Stake

First place went to Evergray's Tic Toc Bobby. Bobby had the manners of a well-broken dog. He ran a snappy ground heat, hunting all cover on the back course and had a nice find and back.

Second place, Faulkner's Rip, was braced with the third place dog, Gaard's Sweet William. This pair ran a good race with Rip hitting cover well. He let down a little before entering the bird field, and William slowed for a short time in the field. Both dogs had a nice find with good manners.

Fourth place Suzanne de Ferncroft had three good finds in the bird field. Had she exhibited more snap on the back course, she would have been hard to beat.

#### Derby Stake

Ripple ran an ideal Derby; had all the snap and desire, and two flash points in the bird field.

Tigger Too ran a good derby heat and had one flash point.

Third place went to Randy's Ranger for fair ground heat, two flash points and a good chase.

Juchoir's Harpo had a find and showed much promise.

A man wrote to a summer hotel and asked if dogs were allowed there. The manager wrote back: "I have been in the hotel business 30 years. Never has a dog set fire to a bed with a cigaret. I have never found a towel or blanket in a dog's suit case, nor a whisky ring on a dresser from a dog's bottle. Certainly, the dog is welcome. P.S.—If he will vouch for you, come along, too."

# ULTRA-MEND PROVIDES GREATER MARGIN OF SAFETY

Ch. Ultra-Mend Ace High has established a record of winning more Best of Breeds and Groups than any Brittany. He has been shown continuously for over 2 years and traveled in several States, always remaining in top condition. He was whelped on an Ultra-Mend experimental unit. Sired by Ch. Ultra-Mend Valgo Cracker x Ch. Ultra-Mend Susie, both of whom contributed much to the proof of Ultra-Mend.

By a rigorous program of breeding, feeding and exhibiting in Show and Field HIGH CLASS pure bred dogs of several breeds and further by the fact that we neither worm puppies nor vaccinate against distemper nor hepatitis and have excellent success with brood matrons and puppies, we have proved that ULTRA-MEND will provide your dogs with a GREATER MARGIN of SAFETY against disease, fatigue, premature aging and IF YOU'RE NOT FEEDING ULTRA-MEND, YOU'RE RISKING TOO MUCH.
