NORTH JERSEY BRITTANY CLUB

by A. Fafara

The North Jersey Brittany Club held its annual spring trial at the Collier Mills Public Shooting Grounds on April 11 and 12. Enjoying one of the most successful trials on the Eastern circuit this year, the members of the club wish to thank all those who participated to make this a very good trial. Although marred by inclement weather, rain Saturday and rain changing to snow Sunday. Everyone concerned thought the judicial chores were handled superbly by Jack Fitzpatrick of Belmar, New Jersey and Jack Farren of Lakehurst, N. J.

OPEN DERBY

With the beginning of the Puppy Stake Saturday morning, and numerous puppies there were, John Dall, "The Birthday Boy" brought in Rosehill Mike to take top honors. Mike ran a very wide puppy race and handled nicely when asked to do so. John Dall also took second place honors with Ponka-poag Bearcamp Tim. Tim ran a hunting back course and cut up the bird field thoroughly. Brittchesters Way-Kan ran a good Puppy Race and although marred with a unproductive, proved she had nose for birds. Kaymores Joe of Weymouth with Phil Morehouse handling took fourth place honors. Out of twenty-five puppies entered, it was a nice win for Rosehill Mike.

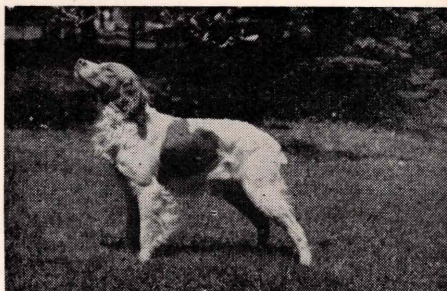

OPEN ALL AGE

Immediately following the Puppy Stake the Open All Age got underway and in the first brace, Pacolets Whist, owned by W. T. Davis and handled by Phil Morehouse proved he was the dog to beat. Whist ran a wide race in the open and had three good birdfield finds with good manners. Although his performance was marred by an unproductive, Whist's work was above all others in this stake. Cherrystone's Alla-

muchy Tim owned and handled by Bob Fitzgerald, club president, ran a limited race and before entering the birdfield had one of the most stylish finds of the day on a wild pheasant. Tim showed perfect manners and this was enough to earn him second place honors. Kaymore's Connecticut Yankee handled by Phil Morehouse, ran a very wide race for the first half of his course but slowed down upon entering the birdfield. However, Yankee had one good find, and stopped on command on a flushing bird. Jacques of Kaymore, handled by Phil Morehouse ran a fair race and had one find being steady to wing and shot to take fourth place honors. Three were fifteen entrys in this stake.

OPEN DERBY

Sunday morning began looking like the haze and drizzle would disappear, but before the day was over, more was to come and than some. Getting under-way bright and early in the Derby Stake, which showed some nice bird work and also big running Brittanies, Pepper's Jet, owned and handled by Thad Cwik ran the class race of the stake and also pointed and chased a pair of quail to take top honors. Jet

Fld. Ch. Helgramite Shamandre—winner of North Jersey Amateur All-Age Stake.

showed at the right places at the right times in his back course sprint to gain the judges nod over some very good derbies.

Although only ten entries were in this stake, it was a very good stake from a spectators viewpoint, barring the weather. Rapid of Richmond, handled by Bob Burbank, ran a thorough searching race, had one birdfield find and chased to his hearts content. The third and fourth place dogs were braced together. Belloaks Jim Bell, handled by Phil Morehouse and Pompton Falls Patches, owned and handled by Jack Rockwell, field trial chairman placed third and fourth respectively. Jim Bell had one good find, coupled with a nice Derby race and Prompton Falls Patches had a nice find at the edge of the birdfield which he chased wholeheartedly.

As Sunday wore on and the Amateur All Age stake got underway, scenting conditions became poor, and quail planted in the bird field got up and walked around as if taking a Sunday stroll. Rain changed to snow and dogs coming into the birdfield were charged with unproductives through no fault of their own.

AMATEUR ALL AGE

In the final brace of the day Hel-Gramite Shamandre, owned and handled by W. E. Stevenson, ran the class race of the Amateur Stake and coupled two good finds to take top honors. Shamandre's win also finished him off as a champion. Helderberg Misty, owned and handled by Herbert Marr, ran a very good race and stopped to flush to other dogs bird. Just before pick-up time, Misty had a nice find at edge of birdfield which she stopped on command when bird flushed. Poupee Homme Brittany, owned and handled by Lew Dollman, ran a good shooting dog race and kept busy throughout the back course. She had one find upon entering the birdfield and moved at wing but stopped on command. No fourth place was awarded.

The North Jersey Brittany Clubs fall trial will be held at the Flatbrook Tract, Bevans, N. J. and club members are sponsoring a Richard Christman

Memorial Trophy for the Amateur All Age stake. This trophy will have to be won three times by the same owner or twice by the same dog to be retired. Club members are sincerely hoping that all who attended our spring trial will attend our fall trial and bring friends along too.

SOUTHERN NEW ENGLAND BRITTANY CLUB

by Alice Machlett

The Spring Field Trial of the Southern New England Brittany Club, Inc. was held at Helgramite Hollow in Brewster, N.Y. on May 2nd and 3rd. The Puppy and Derby Stakes were run on the property of Dr. F. W. Birkman; the Open and Amateur Gun Dog Stakes on that of Mrs. R. R. Machlett. Quail were used and were, unfortunately, poor-flying in general. Despite dire predictions the weather was fine. A fire on the other side of the Western hill brought smoke, a fire engine, and a tinge of apprehension on Sunday afternoon; but the fire companies had everything under control very shortly.

Dinner Saturday evening was held at the Deer Inn, Brewster, N.Y. The chief trophy event was the retirement of the Machlett Memorial Trophy by Dual Ch. Belloaks Highflyer, who won it for the second time in the Open. Highflyer belongs to J. M. Bell, Jr. of Palm Beach,

Fla., and was handled by Phil Morehouse of Salem Depot, N.H.

Again there were four bench champions in the twelve placements in the last three stakes, showing that the Brittany Club objective of keeping the Brittany a Dual dog, is still being adhered to. They were: Dual Ch. Belloaks Highflyer; Dual Ch. Kaymore's Connecticut Yankee; Dual Ch. Belloaks Ibbey, and Dual Ch. Wippy de la Vallee Bourrault.

Judges for the trial were Mr. J. Fitzpatrick of Belmar, N. J. and Mr. Blair Crowell of Chappaqua, N. Y. The members of the Club wish to thank them both for their services.

PUPPY STAKE

14 Dogs

Sunny Ledge Mike, owned by G. Stavrow of Keene, N. H. and handled by Cecil Parker, also of Keene, won first place with a very good race. He hit cover well, and found two birds.

Kaymore's Sittin' Britty, owned by J. L. Senior, Jr., and handled by Phil Morehouse also ran an attractive race, showing good style to place second. He had two finds.

Third place went to Meester's Wippy II, owned and handled by A. Meester of North Haledon, N. J. This dog ran a nice forward race, making several good casts, and had one find.

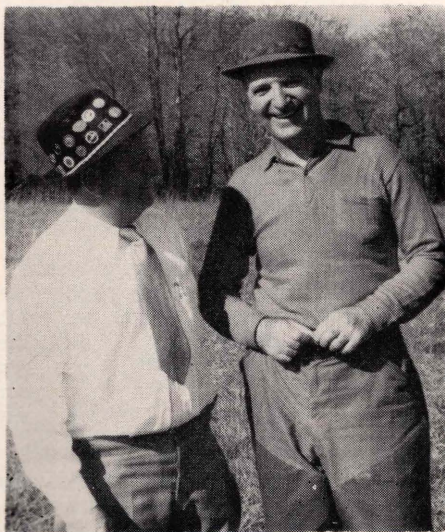

Lord Jeff of Helderberg, T. H. Rogers of New Canaan, Conn., owner and handler, placed fourth with a good race and a find.

The Puppy Stake showed some fine prospects.

OPEN ALL AGE

18 Dogs

Dual Ch. Belloaks Highflyer, J. M. Bell, Jr., owner, Phil Morehouse handler, took top honors in this stake with a wide active race. He had a steady find which he pointed from about two

feet. It was with this win that he retired the Machlett Memorial Trophy.

Dual Ch. Kaymore's Connecticut Yankee, owned by Maidza Van Deusen of Roxbury, Conn., and handled by Phil Morehouse, came in second with a very good forward race. He hunted wide and fast outside, and had a stop to flush. On a second series he had one perfect find.

Third place went to Kearson's Ponkapoag Sparky, owned by R. T. Lyman, Jr. of Boston, Mass., and handled by J. A. Dall of Warner, N. H. Sparky ran a big wide race, and had one find.

Dual Ch. Belloaks Ibbly, owned by Mrs. J. M. Bell, Jr. of Palm Beach, Fla. and handled by Phil Morehouse, took fourth place with a good race and one perfect find. Ibbly showed good manners on a poor-flying bird.

DERBY STAKE

11 Dogs

In this stake the first place winner was Rose Hill Mike, owned by R. Nicholson of Tallahassee, Fla., and handled by J. Dall. Mike ran a very nice race. He had one find at breakaway. He let down, seemingly from lack of water, but after water picked up and finished strong.

Second was Meg's Bunko Belle, who ran a big race, but who also slowed a bit, apparently for lack of water. Belle is owned by Marguerite A. Jen-

kins of Hudson, Mass., and was handled by J. M. Jenkins, also of Hudson.

The third place dog was Chips Get, L. J. Gordon of Bedford Hills, N. Y. owner and handler. This dog ran a good race but let down a little on back course. He had one perfect find and one split find.

King of Highbrow, E. Facer owner and handler, ran a nice forward race with two finds and one unproductive, to come in fourth.

AMATEUR GUN DOG STAKE

16 Dogs

Eleven year old Dual Ch. Wippy de la Vallee Bourrault came out of retirement to win this stake. Wip, owned by Alice M. Machlett and handled by

F. T. Ch. Helgramite Shamandre, W.

E. Stevenson of Stamford, Conn., owner and handler, came in third. Shammy ran a good race and had one perfect find.

Britt de la Fontaine Vallee, owned and handled by H. Farnsworth of Andover, Mass., took fourth place with a good race, a find on a running bird, and good manners.

MICHIGAN SAGINAW VALLEY BRITTANY CLUB

by Lloyd Drumm

The Michigan Saginaw Valley Brittany Club held its spring field trial at the Lapeer State Game Area on March 28, 29, 1959 under the chairmanship of Amos Greer. Those chosen to judge the winners were Ed Nixon, Flint, Emory Hajos, Hemlock, George Roy Sharpe, Carrollton, and Howard H. Crippen, Dearborn. Not since 1955 have we had snow, and so much of it, and below freezing temperatures. But no Brittany is going to let these things stop him from running in a trial. Also, this was the first time we had used quail at our licensed trial, and everyone was very pleased with the bird work.

OPEN ALL AGE

Judging of the 24 Open All Age entries was done by Emory Hajos and George Roy Sharpe. First place winner was Dingo's Little Mike displaying his widely known talents with a very good ground race and three finds and a back. Second was Skywood's Tantivy with a nice ground heat and three finds. Third place was Holley Haven Dan with three finds and good bird dog work. Fourth place was Beau de Campbelle, who worked close and had three nice finds.

OPEN DERBY

Judging the 13 Derby entries were Howard Crippen and Ed Nixon. First place winner was Pacolet's Sam, with

two finds and a very good consistent hunting race. Second place was Gladwin Smokey who hunted hard all the way and had one find. Third place went to Major Monte with two points in the bird field. Fourth place went to Zorro II with a good race and one find. Wolf River Rex and Tantis Maitresse Dickory ran the best races but did not have commendable bird work.

OPEN PUPPY

Judging the 17 Puppy entries were Emory Hajos and George Roy Sharpe.

Puppy placements, Michigan Saginaw Valley, shown with judges Emory Hajos and Roy Sharpe. 1st Dixie of Pacolet with Coy Conwell, handler Lee Holman; 2nd Pacolet's Penny, handler Jane Thompson; 3rd Pinoak Star with Mrs. Wm. Crow, handler Lee Holman; 4th Pacolet's Son of Tex II with Tom Higgins, handler Jane Thompson.

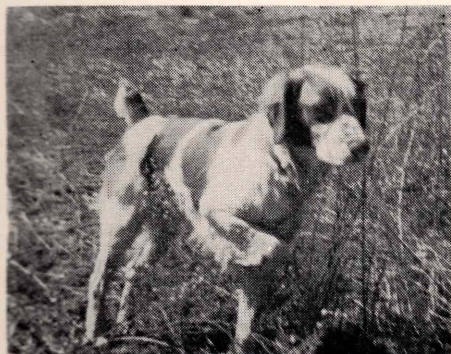

Open All Age—Michigan Saginaw Valley, Du. Ch. Dingo's Little Mike.

First place winner was Dixie of Pacolet who ran a very stylish race with an extreme range and with a minimum of handling. Second place went to Pacolet's Penny who ran a good forward race and had one find. Third place was Pinoak Star who started out slowly and improved all the way around to finish up good with one find. Fourth place was Pacolet's Son of Tex II who had a good forward running race.

AMATEUR ALL AGE

Judging the 15 Amateur entries were

Open Derby—Michigan Saginaw Valley, Pacolet's Sam.

Howard Crippen and Ed Nixon. A leg on the Billy Williams Memorial Rotating Trophy was awarded to first place winner Patsy de Bienville, owned by Ralph Gardner. Patsy ran a nice race and had three perfect finds. Second place was Riviere Valley Suzzette with a good race and one good find with no mistakes. Third place winner was Penny's Happy Pepi. Pepi ran a good hard hunting race and had three finds. Fourth place went to Jippo LaChasseur who ran a good race and had a good find.

Three cheers must go to Amos Greer and his committee and also to Vic Vetting and his kitchen committee for the wonderful food.

Tarq was sent on and had a point on a dead bird which handler threw out and fired, Tarq was steady to shot.

Sunday morning everyone was on the grounds early but there was a delay due to a horse coming up lame, another

was finally obtained and after a period of time which was necessary to find out if the horse was going to be boss or the judge, the trial got under way. It was decided by everyone present that they were glad that Joe Stetson was riding the horse and not them.

DERBY

10 Entries

1st Brittchesters Rick Rack, owned and handled by Wynn Wood. This little lady who had only recently had a litter of 11 puppies, was the

class dog. She ran a very good Derby race, had a covey find on the back course which she pointed moved in three steps and pointed again, then flushed.

Amateur Gun Dog—Hudson Valley. Did the balloon just go up, or is that a high flying bird?

He hunted industriously, handled well and made a good point on a running bird in a hedge row at edge of bird field.

2nd Helgramite Shamandre, owned and handled by W. E. Stevenson. Sham ran an industrious back

course with an excellent pattern. He had three finds in the bird field in which he was mannerly but spoiled his chance for first place by crouching on the flush.

3rd Belloaks Ibbby, owned and handled by Marcelle Bell. Ibbby had a fair back course reaching out at times. Her first find in the bird field was handled in her usual excellent style. On her second bird she had to make a relocation as the bird was running, bird flushed just as handler was running in from the side, Ibbby took two bounces then stopped.

4th Belloaks Gunner, owned and handled by Dick Fox. Gunner ran a fair to good back course race and handled well, he had a stop to flush on the back course and two backs, one back in the bird field.

OHIO BRITTANY CLUB

by Harold Reed

The Ohio Brittany Club held its Spring Trial at Killdeer Plains on April 4th and 5th, 1959, with an entry of 83 Brittany Spaniels.

The judging was in the capable hands of Jim Howard, of Akron, Ohio, and George Sharpe, of Carrollton, Michigan. Both are very well known in pointing breed circles and have spent many hours in the judicial saddle.

Our field trial chairman, Wally Yanosik, did a bang up job of putting on one of the most successful trials we have had. There were many nice comments on how smoothly the trial was run with no lost motion.

Special mention should also be made of the outstanding trophies awarded the winning dogs at this trial. Credit for a job well done in this important department goes to Ruth Jordan and Lois Yanosik, who served on the committee.

15 Starters

- 1st Tantis' Maitress Dickory, Reg. No. S 950158, Female, owned by Mr. James Hadley, handled by Jane Thompson. Sire: Britt's Tic Toc Bobby. Dam: Master's Ruby Spot.
- 2nd Dixie of Pacolet, Reg. No. S 929864, Female, owned by Mr.

Amateur Handlers — Ohio — 3rd place dog not shown.

- Robert Seger, handled by Lee Holman. Sire: Albedo Valley Dingo. Dam: Pacolet's Cheyenne.
- 3rd Zorro II, Reg. No. S 959097, Male, owned by Mr. C. D. Alderman, handled by Jane Thompson. Sire: Britt's Tic Toc Bobby. Dam: Master's Ruby Spot.
- 4th Pinoak Star, Reg. No. none, Male, owned by Mr. Dave F. Olund, handled by Lee Holman. Sire: Dingo's Little Mike. Dam: Jet's Starlight.

"Tanti" ran a very impressive course and it was a thrilling sight to see her handle her birds.

"Dixie" broke away fast and started hunting from the moment she was turned loose. She is of beautiful conformation and ran with the style of a much older dog. She was pushing "Tanti" for the first honors all the way.

"Zorro" is a very hard running puppy. Because of his speed he is hard to handle.

"Pinoak Star" made a nice cast at the break-away but just did not have the class of the top three.

The balance of the puppies had a lot of fun with the mice, and from the number devoured I'm sure some of them will never want to see another mouse again. All in all they were a very nice group of prospects.

OPEN DERBY

14 Starters

- 1st Zorro II, Reg. No. S 959097, Male, owned by Mr. C. D. Alderman, handled by Jane Thompson. Sire: Britt's Tic Toc Bobby. Dam: Master's Ruby Spot.

4th Wolf River Rex, Reg. No. S 900329, Male, owned by Mr. Herbert W. Anderson, handled by Lee Holman. Sire: King of Edough. Dam: Reine D'Beau Vista.

"Zorro II" broke away fast, handled like an All Age, and was hunting all the time. Much improvement over his puppy stake. He had four finds, two of which were in the back course. Showed good style on his points, snapping in with much flash. Ran with good pattern.

"Brittanys Royal Rogue" broke away good and ran with style. He also had two back course finds which he handled good, with a very nice bird field find. He was trying for top honors, which was a close decision.

"Buckeye Skipper" broke away good. Turned toward bird field but came around. Did not handle as easy as the two top dogs.

"Wolf River Rex" break-away was not spectacular; had a fair back course. Handled rather hard.

OPEN ALL AGE

25 Starters

1st Dual Ch. Dingo's Little Mike, Reg. No. S 629419, Male, owned by Mr. George W. Wilson, handled by Lee Holman. Sire: Dual Ch. Pontac's Dingo. Dam: Cadillac Sue LaRue.

4th Holley Haven Dan, Reg. No. S 505877, Male, owned by Mr. William F. Szubielak, handled the same. Sire: Aotrou's Pepin. Dam: Holley Haven Bonnie.

"Mike" had two finds on pheasants which were coming in to roost. The birds flushed and Mike stayed until his handler sent him on. Both birds were moving and it would be hard to hold them as there was very little cover.

"Ferd's" back course was not spectacular. However, he handled easy and had three finds in the bird field, with one relocation.

"Skywood's Tantivy" was pushing for top honors. She handled good and had a good back course, hunting all the time.

"Holly Haven Dan" broke away good, made a nice cast and stayed out hunting all the time. Had two finds in the bird field. Handler had a hard time to locate bird. Dan's manners were good.

4th Silver Lake Sugre', Female, Reg. No. S 776587, owned by Mr. Roy W. Holm, handled by Mr. Holm. Sire: Idoc's Flooky. Dam: Pewe of Edough.

The handlers worked hard but apparently some of the dogs were out for "a day away from the pro's." It was obvious that the dogs had talked things over and decided to do what they wanted in the way they wanted. Anyhow, they appeared to have fun.

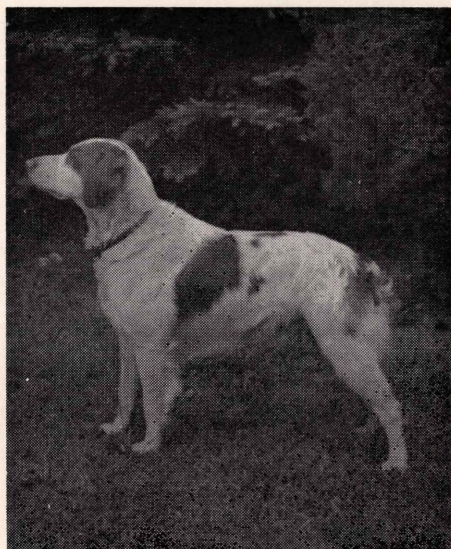

We want to thank everyone who attended the trial; all those who entered their dog; and all who helped to make the trial the grand success it was.

OREGON BRITTANY CLUB

The Oregon Brittany Club held it's annual spring trial on the E. E. Wilson Game Management Area near Corvallis, Oregon on March 21st and 22nd. The usual spring showers kept the air moist and scenting conditions were excellent. Birds were plentiful on Saturday but a little harder to find on Sunday. A good group was in attendance from California. The bulk of the work was carried out by Field Trial Chairman James Lamkin.

The judges were Ron Masters from Yakima, Wash., who needs no introduction to field trialers and Robert Ellis, of Concord, California, a popular young judge. Their decisions were clear cut and popular.

The first brace of the Open all age brought forth the two winners, Beau Kiki first, and Paul's White Flash second. Both are owner handled by Phillips and Sullivan respectively. The bird score was high with Beau having four pointed birds and three stops to flush. One of Beau's finds on a covey of quail was particularly meritorious. The auto gallery was able to see three of his finds clearly, including the last one where handler lost his gun while on way to the dog on point. Third place went to Ch. Gaard's Sweet Wil-

liam, C. D. handled by owner Warren Smith. Fourth was Jacques Bon Ami, owned by Bill Rodda and handled by the other 'baldy' Elmer Flack.

The puppy stake followed. Top dog was Teddy Speckle Feather, a flashy little dog that covered a good deal of ground. He showed himself to be plenty birdy with both songbirds and gamebirds. He is owned by Wm. Stein and handled by Nicky Bissell. Second was Dusty of Lionheart, a liver and white who ran a good level race and had three points on birds. Dusty is owned by Fred Armosino and handled by the Flacks. Third went to Patricia's Trojan Patrick who ran a nice race. Pat was owned by Phyllis Scarbrough and handled by her husband Jim. The bird finding ability and style on point of Gal-in-naceous Roxie impressed for fourth. Roxie is owned by Patterson and handled by Arnold Ewing.

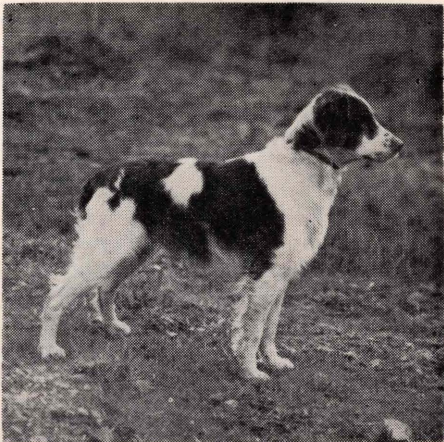

Sunday morning the derby started bright and early. The bye dog was moved up to replace a scratched dog and ended up in first place. Moebee Dick is small but very flashy and showed plenty of birdsense. He had several near contacts with game. The second place dog was Joiner Js Candy, who is also a nice mover. She contacted two birds and had a called point. Handled by Elmer Flack and owned by Sid Joiner. Lund's Trooper was third. He ran a nice race and pointed a bird but

Derby—Oregon—1st place Moebee Dick with owner Don Runciman.

lacked his usual zip. He was handled by owner Lund. Evergray's Tic Toc Tommy was fourth. He is owned by Grace Metzger and is handled by Everett Metzger. He looked good.

The amateur stake wound up the bill. The winner, again, was Beau Kiki. This time the birds were about impossible to pin but Beau worked one way off to the side and finally pinned it by the side of the main road. He lacked the fire he had his first time round. The rest of the dogs did not do themselves too proud. Birds were hard to handle, difficult to find, and no performances were up to what you knew the dogs could do. Old Dual Ch Evergrays Tic Toc Bobby came through with a stop to flush for second, handled by owner Everett Metzger. Mike Burgwin's Ripple was third and Arnold Ewing took fourth with his pride gun-dog Gal-in-naceous Supremus in her first trial. Ripple and Gal were braced

together and were responsible for work on a bird in ditch that flushed about as dogs pointed.

CENTRAL NEW ENGLAND BRITTANY CLUB

by "Phil" Fogg

The Central New England Brittany Club was blessed with excellent weather and entries for their annual spring trial which was held at the Division of Fisheries and Game field trial area in Westboro, Mass. on April 25 and 26. This successful and smoothly run affair points up that dividends accrue to organizations that carefully plan and execute their trials. Mr. Thomas Ott, the capable field trial secretary found many willing hands to help him with his duties, which he carried out admirably. The success of the event owes so much to so many that a well done to all is in order.

Mr. and Mrs. James Bell were affable hosts at a cocktail party before the banquet, roast pheasant no less, which was held Saturday evening, after the first days running.

The field trial course was in excellent

Judges, Central New England, Herb Lambert and Phil Fogg.

condition with plenty of water on the course and adequate ground cover in the bird field. The course is a combination of wooded cover and fields and it really tests the versatility of a bird dog. In some places a dog must reach across open fields to hedge rows and cover while in the wooded areas he can hunt a pattern more conducive to this venue. The Brittany was equal to the task.

Judges for the four stake, 61 dog, program were Herb Lambert of Haverhill, Mass. and Charles Phil Fogg of Newbury, Mass.

OPEN PUPPY STAKE

15 Entries

Ponkapoag Bearcat Tim, running as a bye, racked up sterling honors for his handler, John Dall, in this stake. Tim has a consistent and energetic way of impressing on the back course; once cast away, this pup was all business. He climaxed his race with a nice find in the bird field which he held with impressive character until bird was put to flight.

Sunnylegde Mike, handled by Cecil Parker, was bothered some on the back course by his bracemate who introduced himself in puppy fashion. Mike soon got down to business despite a trailing barcemate and ran a good consistent race which was capped with a typical puppy find in the bird field.

Kaymore's Sittin Britty handled by Phil Morehouse, lacked some of the consistency of the two dogs placed over her; however, when she was working she showed an intelligent pattern which carried her to all the likely bird cover. Her lone bird field find was of high character.

Duke of Brittchester, handled by Bob Burbank, started slowly but improved with every jump. Moving with graceful class he breasted most of the likely cover on the course. A tendency to

back away from his bird, on one of his two finds, as his handler approached detracted, or this dog might have been higher in the stake.

Rose Hill Mike, high up in this stake really makes one wonder about the advisability of running puppies on birds. Mike, who was handled by John Dail, ran a very intelligent race, reaching to all the likely cover around the open fields. Each cast carried him someplace and yet he fell to the fate of the bird field.

OPEN ALL AGE

15 Entries

There certainly was no shortage of entries in this stake and yet it was a lack luster affair. Dogs which ran reasonable races either suffered breaches of manners or could not be shown on birds.

Heldeberg Misty, handled by Herby Marr, easily topped this affair with a likeable forward race and three finds in the bird field. A tendency for Misty to move in on one of these finds detracted but little from her overall superb performance.

Helgramite Tarquinius, handled by W. E. Stevenson, garnered second place honors with a good race and a single find with all age manners.

Jig de Kaymore, handled by Phil Morehouse, ran a fair back course race;

coming into his own in heavy covers and moving well in the bird field he came up with one good find. A second bird contact in which Jig volitionally bumped his bird could have removed him from consideration under more ideal circumstances.

Helgramite Shamandre, handled by W. Stevenson, really moves around. This dog displayed plenty of bounce in his moving but could have applied himself more intelligently to the cover. His actions in the bird field were not exemplary having three stops to flush, all into the wind, and one point on which the dog lost character with the approach of the handler.

Kaymore's Conn. Yankee, handled by Phil Morehouse, easily ran the most impressive all age race in the stake. Yankee moves with effortless grace in a hard driving forward pattern that is bound to impress whenever he is put down. Here is a dog that adjusts to his cover and hunts each area as if he knew no other, be it open fields or tight woodcock runs. Yankee, however, had a sticky unproductive on the edge of the bird field on which he was overly insistent.

OPEN DERBY STAKE

10 Entries

Although this stake was deficient in the top notch derby bird work there was no shortage of good races; as

Open All Age—Central New England—1st Heldeberg Misty, handled by Herby Marr; 2nd Helgramite Tarquinius, handled by W. E. Stevenson; 3rd Jig de Kaymore, handler Phil Morehouse, and 4th Helgramite Shamandre with Mrs. Stevenson holding.

Brittchester's Rickrack really won this stake in a big way, for his handler Wynn Wood. Rickrack covered a wealth of ground in an intelligent and forward manner; handling kindly at every turn moving forward into the most likely looking cover Rickrack ran to the limits of the course. In the bird field she pointed her first bird in advanced puppy fashion, moving in to cause the flush. After a lusty chase she was returned to the bird field where she proceeded to bump two more birds.

Kaymore's Joe of Weymouth, handled by Phil Morehouse, garnered second place honors. This Brittany with the setter head, affectionately known as "Bucket Head" showed that he knows where to look for birds. Running the entire edge of the open fields, swinging back to test the pheasant scents, left us no doubt that this brainy dog can find his own birds. Once in the bird field area Joe moved five birds handling only one of them in accepted derby fashion.

Sunnylegde Mike, handled by Cecil Parker, showed less maturity than the first two dogs but ran a good puppy race with two bird field finds to win third.

Rapid of Richmond, handled by Bob Burbank, won fourth place honors with a fair race, that lacked some in consistency, and two bird field finds.

AMATEUR GUN DOG

21 Entries

This stake was the most hotly contested of the entire program with many dogs showing wares that could easily garner honors in many events. Naturally the issue of a gun dog versus an all age dog reared its ugly head. This is always a difficult issue to resolve unless the judges can agree before the event what standards they are going to apply.

Kilroy, handled by Dave Story, running as a bye dog in the first brace set a standard for all other contestants. Starting slowly at the breakaway, Kilroy warmed to his task and ran an acceptable back course race. Although his race was not electrifying, it was an honest effort which led him to a spectacular back course find on a run-

ning pheasant. After a well executed relocation, the find was carried out with aplomb. In the bird field Kilroy, in workman like fashion, racked up finds on quail displaying polished manners.

Britt de la Fontaine Valley, handled by Herb Farnsworth, ran one of the better races of the entire stake. Moving with independence but handling with ease this dog really went bird hunting on the back course; a quest that was rewarded with a well executed back course find on a quail. In the bird field area Britt handled two quail in a classy and intense manner. Her nemesis was a pheasant which she moved in on and bumped, stopping at command. This detracted from an otherwise sterling performance.

Jig de Kaymore won third in this event for his handler, Al Weigel. Jig's placement was primarily won on the basis of his bird field work, as his back course race while acceptable lacked in consistency. His one bird field find was thrilling to all; as he nailed a quail far out on a limb and waited patiently and intensely for his handler's approach.

Belloaks Gunner, handled by Dick Fox ran a good forward and industrious race. Gunner ran wider than most of the dogs placed over him but he handled effortlessly. In the bird field Gunner had a mannerly stop to flush on a loose flying bird and one well executed find.

Many dogs are worthy of mention in this stake but those that were pressing the winners most strongly were Helgramite Tarquinius and Duchess du Juchoir.

BELLOAKS GINGER MEMORIAL TROPHY

Ch. Belloaks Ginger, winner of the 1953 National Amateur Stake, was killed by a rattlesnake while hunting quail in Florida with Jim Bell, husband of the owner, Marcelle Bell. Shortly after Ginger's untimely death, Marcelle and Jim Bell announced the establishment of a trophy as a memorial to this little champion.

The Belloaks Ginger Memorial is a trophy for the ladies. It is to be awarded to the best dog handled by a woman in the National Amateur Stake. At least three entries handled by women must participate or the trophy will not be awarded that year, unless a dog handled by a woman amateur places in the stake. With three or more entries handled by women the dog does not have to place in the stake in order to win this trophy, but the judge will be asked to signify which dog handled by a woman did the best job.

Ch. Belloak's Ginger shown with handler Marcelle Bell and Howard Clements, A.B.C. President in 1953 when Ginger won the National Amateur.

The trophy will be retired when the Amateur Stake is won by a woman. This was done in 1958 when Ruth Lee handled Fld. Ch. Ferdinand of Leeway to first place in the National Amateur Stake. She and Ferdy now have permanent possession of the large trophy and Marcelle and Jim Bell have a new permanent trophy ready for the ladies in 1959.

Previous winners of the Belloaks Ginger Trophy:

1954—Gretchen Yant with Dual Ch. Bonaire Doc, placed 2nd in the stake.

1955—Marcelle T. Bell with Fld. Ch. Belloaks Ezra, no placement in stake.

1956—Marcelle T. Bell with Dual Ch. Belloaks Ibbey, no placement in stake.

1957—Ruth Lee with Fld. Ch. Ferdinand of Leeway, placed 3rd in stake.

1958—Ruth Lee with Fld. Ch. Ferdinand of Leeway, 1st in Amateur Stake to retire the trophy.

1959—Waiting for all the ladies.

WASHINGTON BRITTANY CLUB

ANNUAL SPRING TRIAL 1959

The Washington Brittany Club held their annual spring trial on the Weir Prairie trial grounds at Fort Lewis, Washington, March 28th and 29th. The weather was unusually blustery and cold for this late in the spring. It was certainly a rough two days for both the dogs and the people attending, as can be vouched for by our good friends from California the Ejner Lunds and Dr. and Mrs. J. M. Sullivan.

The judging was exceptionally well handled by Ernest Code and Blain Petty, who officiated for all stakes.

Saturday saw the Open All Age and the Puppy stakes run in time for all to return early to the Headquarters Motel for hot baths, cocktail hour and a very good chicken dinner banquet. Since it was Easter all the ladies came to the banquet in hats that they had made for the occasion, and believe me there were some very fancy creations. Gilda and Ejner Lund brought in their dogs Randy's Ranger and Lund's Trooper decked out in coats and hats made by Gilda of pheasant feathers.

At the beginning of the banquet the new officers were installed, President, Art Stavik, Vice President, Don Run-ciman and Secretary, Paul Whalen.

The running of the stakes produced some very good looking new prospects (namely Lund's Trooper who won both the Puppy and Derby Stakes.)

Open All Age — Washington — shown with judges Ernest Code and Blain Petty.

4th Shag Dandy Quick, owned by Charles Lillard and handled by Dr. J. M. Sullivan.

An innovation at this trial was the use of alternate birdfields. The same backcourse was used but each brace broke away into the birdfield used by the previous brace. It may have been a mite confusing for some of the handlers but the dogs sure went to town, many hitting birds on their first cast out.

LUND'S TROOPER, owned by Gilda and Ejner Lund of Napa, California.

Trooper was only a year old this spring but he won first in 7 of the 10 puppy and derby stakes in which he was entered. He missed placing once

in the puppy, and ranked third twice in the derby. Last fall, at just barely six months he won a large puppy stake plus two other placements. As he has one full season to go, plus part of another, he should break all existing records. He also has points towards his bench championship.

CENTRAL REGIONS

FIELD CHAMPIONS MEMORIAL PERPETUAL TROPHY

The regional clubs in the Central Area offer for the first time this year, an Amateur Handler's trophy. This trophy will be awarded to the dog that compiles the greatest number of points in the Amateur Stakes through the year. Points are awarded according to the placement and number of dogs entered.

The trophy will be a perpetual memorial to our deceased Field Champions. Owners of deceased champions have contributed to the trophy fund, and the names of the dogs honored will be engraved on the trophy. It will be perpetually rotating, with a small replica going to the winner each year.

Joe Kern, chairman of the trophy committee, has done an excellent job in soliciting funds for the trophy and in keeping the box score. The committee would welcome—in fact—needs more donations. Owners of living Champions are asked to donate to the fund for yearly trophies, and running expenses while those owners of deceased champions who have not donated, may still do so. Contact and send checks to Joe Kern at 18923 Pierson, Detroit 19, Michigan, and help make this a success.

WEST COAST AMATEUR TROPHY

The West Coast Amateur Trophy is offered on an annual basis. Placements in AKC point trials held by Brittany Clubs in Washington, Oregon, and California are counted. The trophy is a large shield set in a wooden base. On the shield are plaques for each winners name. Each winner also receives a small plaque that he is allowed to keep.

The trophy was donated by the Bissels of Juchoir Kennels to foster more interest in Amateur Stakes, and to induce more individual owners to attend all the trials in the West Coast Circuit.

Only purebred Brittanies are eligible and only regulation point Amateur Stakes count. Each dog receives one point for every dog he defeats, and points are awarded to all four dogs that place. In the event of a tie the tied dogs are rated 5 points for every first, 3 for seconds, 2 for thirds, and 1 for fourth in order to break the tie.

Dogs do not need to be owner han-

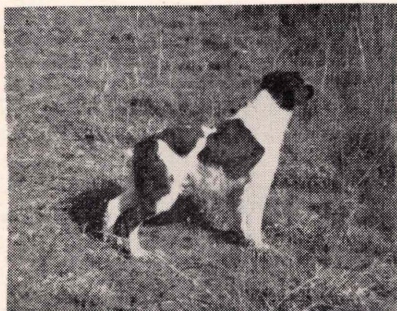

dled, and need not be owned on the West Coast. The handler must be a bona fide amateur (that is having never handled or trained dogs for pay.)

Permanent possession may be retained by winning the trophy three times. Any changes in the conditions of award may be made by a committee of the presidents of the participating clubs.

The trophy was offered for the first time in 1958 and was won by Beau Kiki, owned and handled by L. Phillips of Castro Valley, Calif. with 104 points. The remaining dogs in close contention were Sir Ted (Dr. Johnson) with 48 points, Dual Ch. Ouragan Jerry's Bob (Frank Gilbert) with 40 points, Lancer of Richmond (Jim Gosnell) with 33 points, and F.T. Ch. Mon Ami Michael (Dave Neitzel) with 30 points.

For the first half of 1959 the leading contender is Beau Kiki again with 47 points. Buena Vista Beau (MacWhorter) is second with 29.

ALL MEMBERS OF THE AMERICAN BRITTANY CLUB

Dear Members:

The June issue of the American Brittany Magazine completes the first six months of the magazine being on a monthly basis. I am sure you all feel as I that this is a great improvement over the semi annual publications in the past.

There is one big disappointment however. That is the lack of advertising we are receiving in support of the magazine. To date, the income from advertising amounts to less than sixty per cent of the cost of publishing and mailing the magazine. At this rate the magazine will be faced with a deficit at the end of the year that will have to be made up from the income from dues. This in turn will handicap the financial status of the Parent Club.

Actually the magazines need for advertising is no greater than the need of the Brittany breeders. The Secretary's office receives many letters from people outside the organization who are interested in buying a Brittany. These inquiries can best be answered by sending a magazine to the writer of the inquiry and let him choose for himself the most logical source for his Brittany.

Many of our members are continually looking for a good Futurity and All age prospect and refer to the pages of the magazine to find one.

Last but not least the Regional clubs can best serve their Regional trials by advertising their trial in our magazine. Again, we receive many inquiries regarding the location of a Brittany trial in order that some person can plan to attend. We all need these newly interested persons at our trials and in our Regional clubs.

Your dogs stud services, your futurity litter, your gun dog prospect, your Regional club trial, your bench show, they must all be worth the small price of an ad in your own magazine.

New Regional clubs are forming every year, membership is increasing, we are getting bigger and better in every respect, your support of your magazine can be a big factor in promoting the growth and popularity of the Brittany Spaniel, your magazine and your Regional club.

Sincerely yours,
Jack F. Secor.

ITEMS

According to a recent report in the American Field, (May 2, 1959) Brittanies showed well in the Northwestern Trials, held February 28-March 1, under the auspices of the Northwestern Amateur Field Trial Club at Weir Prairie, Fort Lewis, Washington. With 1 Pointer, 4 Setters, 1 German Shorthair and 4 Brittanies competing in the Amateur Shooting Dog Stake, First was won by Ouragan Mion Boy, owned and handled by L. E. Tippet, Oregon Brittany Club, and Second place went to Evergray's Tic Toc Bobby, owned and handled by E. G. Metzger, also a well known west coast Brittany fancier.

Two new regional clubs are in the early stages of formation. One is in the Spokane, Washington area, and the

other is in the St. Paul - Duluth, Minnesota area. Interested parties in these areas should contact — Harry Nelson, 3604 E. 6th St., Spokane, Washington, or John Anderson, 1369 Hewitt Ave., St. Paul, Minnesota.

Brittanies showed well again in a Weimaraner Trial this time. Two Brittanies were entered in the Restricted Breed Amateur Puppy Stake of the Washington D. C. Weimaraner Trials and Jo of Greencastle, owned by P. W. Whiteman, placed second. Then in the Restricted Breed Open Shooting Dog Stake, second place was again taken by a Brittany, This time the only representative of the breed, Poole's Fuzzy Boy, owned and handled by M. E. Poole.
