The purpose of this club is to promote cooperation and friends among the breeders and owners of Brittany Spaniels, and to encourage higher standards in breeding, training and showing of Brittany Spaniels, in the field and in the show ring, to discourage the breed from becoming split into groups of "field dogs" and "bench dogs" and to strive to keep it forever a "dual dog."

TO ALL MEMBERS OF THE AMERICAN BRITTANY CLUB, INC.:

Once again it is my privilege, on behalf of the Officers and Directors of the American Brittany Club, to invite each of you to attend the Seventeenth Annual National Field Trial and Specialty Show and the Twelfth Brittany Spaniel Futurity, all to be held at Carbondale, Illinois, starting November 28, 1959.

The National Specialty Show will be held in the clubhouse of the Crab Orchard Field Trial Club located in the Crab Orchard Wildlife Refuge. The show will get under way promptly at 7:00 p.m., C.S.T., and will be judged by Col. Ed McQuown, Xenia, Ohio. Entries for the show, Amateur stake and Championship stake, will close at noon November 17, at 2060 John Hix Road, Wayne, Michigan. Entries for the Futurity will close at the time of the drawing, 5:00 p.m., at the Crab Orchard clubhouse November 28.

The drawing for the field events will be held at the clubhouse, prior to the Specialty Show, at 5:00 p.m., C.S.T.

The National Amateur stake will start Sunday, November 29, with Mr. Lloyd Teas of Murphysboro, Illinois, and Mr. Tom Lunsford of Ewing, Illinois, in the judicial saddles.

The Futurity stake will immediately follow the Amateur stake, and the National Championship stake will start immediately following the Futurity. These two stakes will be judged by the very capable Mr. W. Bryden McMurtrie of Sparata, Illinois. All stakes will be marshalled by the more than capable Mr. Tom Lunsford.

Food will be available at the clubhouse at the time of the drawing and Specialty Show, also at noon during the field trial.

Monday evening will be an evening of fun at the annual banquet and calcutta at the Elks Club in Carbondale. Don't miss it!

The annual business and Directors' meeting will be held at Engel's Restaurant on Route 13 at the eastern limits of Carbondale. These meetings are of extreme importance, and we strongly urge each Regional club to have their Director and Delegate in attendance.

Reservation for accommodations are available at the Plaza Motor Court, Marion Motel, Pinoak Motel and other local motels. We suggest you make your reservations early.

Once again we are in need of additional money for the trophies for the Specialty Show and Field Trial. Any contribution, regardless of size, is sorely needed and will be greatly appreciated. If you wish your contribution designated to some particular class of the show or some particular stake in the trial, please attach a note to your check to that effect and send both to S. Allen Truex, Secretary-Treasurer, American Brittany Club, c/o The Truex Clinic, Jackson, Tennessee. Checks should be made payable to **The American Brittany Club, Inc.**

The Specialty Show under the direction of Henry Holleyoak, Chairman, and the National Field Trials under the direction of Earl Chappell, Chairman, promise to be the biggest and best to date. The Trophy Committee, Marcelle Bell, Chairman, has prepared the finest list of trophies ever offered at our National Show and Trial. Your support by attending and entering your dog in these events can easily make this year's National the finest in our history.

Sincerely,
JACK F. SECOR,
President
American Brittany Club. Inc.

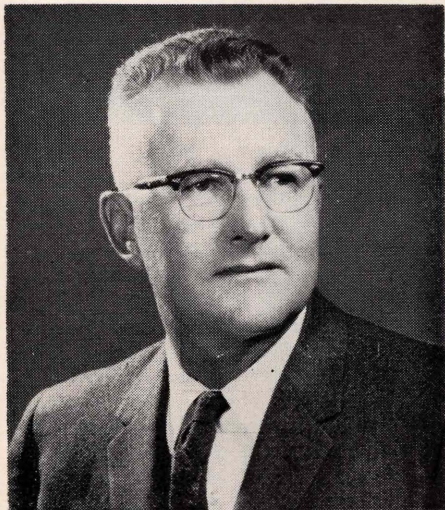

NATIONAL TRIAL JUDGES

W. BRYDEN MCMURTRIE

**(Futurity and National
Championship Stakes)**

Mr. McMurtrie of Sparta, Illinois, comes to judge the trials at Carbondale, well recommended by all that know him personally as well as those who know him as an excellent judge of bird dogs.

Familiarly known as "Mac", Mr. McMurtrie lives near Crab Orchard, and

W. B. McMurtrie

in the midst of some of the finest quail country in America. The current grounds are very familiar to him in his role there as judge, participant and spectator.

His services as a judge have been used many times. His background of bird dogs and field trialing, the vast knowledge he has accumulated, and his reputation as a stickler for the class bird dog, have earned him deserved popularity and respect. A fine horseman, he is so constituted as to give full measure to the assignment at hand.

His unquestioned ability to analyze and weigh the performances of the dogs

put down in front of him has been demonstrated many times in some of the largest trials held in the country such as the Quail Futurity and the All-American Club events.

Although primarily a judge of pointers and setters which he also owns and runs, Mr. McMurtrie has judged the Brittanies on many occasions.

Introduce yourself to Mr. McMurtrie . . . you will be meeting a gentleman and sportsman, and he wants to know us better.

ALBERT E. RULE

**(Futurity and National
Championship Stakes)**

Mr. Rule resides in Pinkneyville, Illinois, deep in the Southern Illinois quail country. He has owned pointers and setters but has a preference for pointers. However, "I like a good dog, no matter what the breed is." Mr. Rule does not actively campaign his dogs because he finds that his time is so filled with judging assignments, that none is left to get his own dogs in trial shape.

Mr. Rule will also be on familiar ground at Crab Orchard. He is a mem-

Albert Rule

ber and trustee of the Crab Orchard Field Trial Club, and has judged there many times. He has watched Brittanies over these same grounds having judged the Illinois Regional Trial at Crab Orchard two years ago. The first judging assignment accepted by Albert Rule was in 1937. Since then he has judged many Amateur stakes and some All-Age Stakes at Weldon Springs, Missouri, Crab Orchard, and other places in southern Illinois, Indiana and Missouri.

As a matter of interest, Mr. Rule and Mr. McMurtrie have served many clubs as an excellent judging team, and we are indeed fortunate to have them as judges for our all important Futurity and Championship stakes.

LLOYD TEAS

(National Amateur Stake)

The American Brittany Club is honored to count Mr. Teas as one of the judges for the National Trials. Besides being an excellent judge of dogs, Mr. Teas is now serving his second term as president of the Crab Orchard Field Trial Club, the organization that in a sense is our host for the "Nationals."

Mr. Teas serves as recorder for the Crab Orchard Club Trials, and has marshalled and judged Brittany trials on these grounds.

His personal interest leans towards setters and he has owned and trained some good ones for amateur trials and shooting dogs.

The American Brittany Club is grateful to have judges of this caliber for our National Trials. The National trial committee is also grateful to the Crab Orchard Field Trial Club and to their members that are assuming our judicial duties. Theirs is indeed devotion to the field trial cause "above and beyond the call of duty."

THOMAS M. LUNSFORD

(National Amateur Stake)

Mr. Tom is well known to those that attended the last two "Nationals". In his capacity as marshall in 1957 and 1958 he did an excellent job of ad lib course planning. His knowledge of the grounds at Crab Orchard and the loca-

tion of coveys never ceased to amaze the regulars in the gallery.

Mr. Tom well knows what to expect of a bird dog, since he has been training for thirty-five years, and has finished fifteen champions. A few years ago he had a few Brittanies and "some of them did some winning." Since he does not believe that a trainer should judge open stakes, Mr. Tom has limited himself to Amateur stakes. His experience includes two consecutive years judging the Memphis Amateur; Amateur stakes at Weldon Springs, Missouri and many other comparable trials. We all look forward warmly to renewing our acquaintance with Tom Lunsford at the Nationals this fall.

Attention Ladies . . .

**The Belloaks Kennels wish to announce
a Trophy for YOU to be known as the
BELLOAKS GINGER MEMORIAL**

The Large Vase is a Rotating Trophy. The Small Vase is to be given the winner each year as a Permanent Trophy

To be awarded to the best dog handled by a WOMAN AMATEUR HANDLER in the NATIONAL AMATEUR STAKE.

At least three entries handled by women must participate or the trophy will not be awarded that year unless a dog handled by a woman amateur places in the Stake. With three or more entries handled by women the dog does not have to place in the Stake in order to win this trophy, but the judges will be asked to signify which dog handled by a woman amateur did the best job.

Will be retired when Amateur Stake is won by a woman!

We hope to see all you women out qualifying your dogs at the regionals this Fall and making the men really work to try and beat you in the National.

M. LE JAB

I desire with this writing, to converse on the subject of judges—as is

said in the trial reports “the men who ride the judicial saddles”. This phrase always causes to arise, the mental picture of a black robed saddle with a white wig on the saddle horn and a gavel held in the right stirrup. But I digress—the function of the judge is

to set the field standard for the breed, which in our case is the Brittany Spaniel. To use the ridiculous extreme; if all judges decided that the best dog was one who pointed with the head cocked to the left, then eventually all Brittanies would point with the head cocked to the left. To be more realistic,

if the judges thought that the best dog was one who could outrun the Whippet, then the Brittany would eventually assume the abilities and then the form of the Whippet—and this thought is not so ridiculous.

The judge, then, must have a good understanding of the “Field Standards” of the Brittany, just as the show judge should know the bench standards of the breed. It is unfortunately not possible to precisely define these field standards, because a large part of the judgment in the field is done on an intangible thing known as “class” or “style”. **Mon Pere** often compared a good bird dog to **la Femme**, both being close to his heart, and would say, “Son, **la Femme** can be beautiful posing, but it is only with motion that one can tell class.”

So when judges are chosen for your Brittany trials, the understanding should be made that they are to judge

Brittanies and not short range pointers or wide running German dogs. They should be familiar with the basic utility of the Brittany as the walking hunter's dog **par excellence**. This correct choice of judges in the field will prevent changes in the utility of the dog, and as important, it will prevent the eventual change in the appearances of the breed. Now, since all dissertations such as this should have a moral I offer the following. What can be done to assure the Brittany clubs of judges that will judge with the betterment of the breed in their minds? Many judges are chosen on reputation or reference and without personal knowledge. This cannot be helped. Then the judges must have AKC approval, which is a formality. However, if after the trial the field trial committee would send an evaluation of the judges to the National Trial Committee of the ABC, then a file would be made up by the parent club. In due time, a good list of ap-

proved judges would follow. Then, when a club picked judges new to them, they could be first approved by the ABC committee, or if the choice was not the best, it could be discouraged at this level, before approval was sought from the AKC. This would not operate as a blacklist, but merely as an aid to the regional field trial committees, and would certainly be a definite value in protecting the breed. Should this basically, not be the purpose of the parent club and its committees?

Sale of purebred puppies and the services of boarding and training kennels will be promoted under a plan developed by the Gaines Professional Services Department of General Foods Corporation, Battle Creek, Michigan.

Part of the plan calls for the publication of a directory-guide titled "Where to Buy, Board or Train a Dog", already in process of preparation. Designed as a handy and compact reference work, the directory-guide lists by state and community dog breeders, boarding kennels and training kennels, together with the breeds kept and the boarding or training facilities offered. Since the directory will be expensively promoted to the public through the resources of the Gaines Dog Research and by other means, there is little doubt that it will help the sale of puppies and increase the boarding and training kennel business.

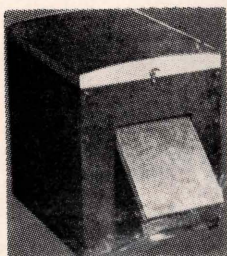

Listing in "Where to Buy, Board or Train a Dog" will be restricted to active members of the recently introduced Gaines Professional Feeder

Plan for the "opinion makers" of America's dog field. In addition to a free listing in the directory-guide and a savings of \$7.50 on every 500 pounds of Gaines Meal fed, participants also receive valuable literature and other kennel aids, as well as expert advice and counsel from the Gaines Dog Research Center in New York.

Eligible prospective members will receive full details of the plan by writing to the Gaines Professional Service Department, 275 Cliff Street, Battle Creek, Michigan.

For the eleventh consecutive year the Gaines Dog Research Center, New York, is offering its "Youth Awards" in order to give national recognition to youngsters who have shown unusual achievement in raising or training dogs and participation in connection with dog shows, obedience trials or field trials during 1959, it is announced by Harry Miller, director of the Center.

part in organized dog activities, the awards are made on a national basis for young people under 18 years of age. They comprise four titles: "Girl Show Dog Fancier of the Year", "Boy Show Dog Fancier of the Year", "Girl Field Dog Fancier of the Year" and "Boy Field Dog Fancier of the Year".

In addition to the title each of the four winners receive a \$100 cash prize and a hand-decorated scroll testifying to the award. Nominations may be made by kennel clubs, field trial clubs, or other organized groups, or individuals, and should be sent by mail to the Gaines Dog Research Center, 250 Park Avenue, New York 17, New York, N. Y., between now and January 20, 1960.

The winner will be selected from the nominated candidates by a panel of judges comprised of leading figures in dog shows, obedience and field trials. Previous nomination for the "Youth Award" does not disqualify a youngster providing he or she is still within the age limit and has not been among the past winners.

Nominations should give the boy or girl's date of birth and contain all the facts about his or her interest in dogs and any special qualifications or accomplishments. The judges will consider the nominees' work in connection with dog activities of other years as well as of 1959.

A subscription to THE AMERICAN BRITTANY makes a nice birthday gift. Send \$7.50 with name and address of the one who is to receive the magazine, with the name also of the regional club

he wishes to associate with, or he can be made a member-at-large.

Make your next trip to Florida more interesting by planning to stop at Dogland. This interesting exhibit may be seen at Chiefland, on Route 19 going down and up the west coast of Florida. Each dog exhibited is the son of a champion, and all breeds are being shown. Stop by and give the Brittany a boost.

Tom Black was recently separated from his appendix, however the word is that Tom will soon be sufficiently recovered to go back to the dogs. Another with a recent parole from the hospital is Carlton P. (Jack) Plyler. He too, is back at 'em. This just helps to prove that Field Trial and hunting season is an impossible time to keep a man down.

FIELD CHAMPIONS MEMORIAL TROPHY

By Joe Kern

The trophy dedicated to Field Champions of the past from the Central Region Area, American Brittany Club is now a reality and will be ready for presentation for the first time shortly after the completion of the Fall Trials. Just as soon as the winners name is engraved on same it will then be presented to the proud owner along with the Keeper Plaque, the big trophy will be his or her's to keep for a period of one year.

To date we have received donations from the owners of only ten deceased Field Champions, falling far short of the required monies needed for this

trophy. There are some eight more deceased Field Champions eligible in the Central Region area and they should be honored along with initial donors in making this trophy possible. It is possible no doubt that there may be other Champions from this area that the writer does not know about. We have records of only eighteen and we would very much like to hear from owners that would like to have their dogs remembered along with others. Same would enable us to have the dogs names added to the after mentioned ten.

As stated in the April Issue of the

Field Champions Memorial Perpetual Trophy. The bowl is hand chased, sterling silver and 16 inches in diameter. It is placed on a rubbed ebony finish base with the side plates holding the names of the deceased donor champions. The front plates have the designation of the award and will eventually contain the names of the winners of this award. The trophy was designed and executed by Lachman and Co. of Detroit, Michigan.

magazine we have had to get additional monies from the owners of living Field Champions and yet we are still short of the cost of the trophy and the first Keeper Trophy. We are sure that every owner of a deceased or living Field Champion will want to see their dogs name on this beautiful trophy. The names of the latter will be added after they have gone on to happier hunting grounds.

The chairman of this worthwhile project will try to get to as many of the Fall Trials as possible to exhibit the trophy so all can see same, we are sure that it will be second to none.

QUALIFYING FOR THE NATIONAL TRIALS

The rules for qualifying a dog for the National Trials were revised in 1957 in order to improve the quality of the Stakes and to limit the entry in these stakes so that they could be conducted within the period of one week or less. To qualify for the National Championship Stake, a dog must be 6 months of age or over and must have placed 1st or 2nd in an Open All-Age Stake in an A.K.C. licensed Point Trial. To qualify for the National Amateur Stake, a dog must be 6 months of age or over and must have placed 1st, 2nd, 3rd or 4th in an Open All-Age Stake or an Amateur All-Age Stake in an A.K.C. licensed Point Trial.

Any dog that has qualified once for a National Championship or National Amateur Stake, may participate in succeeding appropriate National Stakes without further requalification.

Chairman, National Field
Trial Committee.
