FROM THE PRESIDENT:

SMITH DISMISSES SUIT AGAINST AKC

On July 6, 1976, the attorney for the American Kennel Club filed in District Court a Special Appearance and Plea with a Brief to support the above. On July 15, 1976, Rick Smith, through his attorney E. E. Zamrzla dismissed without prejudice the action against AKC. The document is copied below for your inspection.

IN THE DISTRICT COURT OF OKLAHOMA COUNTY STATE OF OKLAHOMA

RICK SMITH,

Plaintiff,

v.

Case NO. **CD-76-629**

**AMERICAN BRITANY CLUB, INC.
and AMERICAN KENNEL CLUB, INC.,

DISMISSAL WITHOUT PREJUDICE

COMES now the plaintiff, by and through his attorney, E. E. Zamrzla, and dismisses without prejudice this action only against the American Kennel Club, Inc.

On July 20, 1976, Mr. Smith, through his attorney Mr. Zamrzla, filed an Amended Petition. The Amended Petition is reproduced below for your consideration.

Case No. CD-76-629

RICK SMITH,

Plaintiff,

vs.

**AMERICAN BRITTANY CLUB, INC. and
AMERICAN KENNEL CLUB, INC.
Defendants.**

AMENDED PETITION

The plaintiff, Rick Smith, for cause of action against the defendants alleges and states:

1. That the plaintiff is now and has been now for more than six months next preceding the filing of the petition herein an actual resident, in good faith, of the State of Oklahoma, and a resident of Oklahoma County for thirty days at the time the petition was filed herein.

2. That said defendant is a professional dog trainer and therefore relies on this type of work in order to make his livelihood.

3. That the said defendants on or about November 12, 1975, at Conway, Arkansas made a ruling that no dog would be trained or trialed on grounds that the National Field Trial will be ran at Ardmore, Oklahoma thirty days prior to the American Brittany Club, Inc. National Field Trial.

4. Plaintiff contends that there is a violation of the 5th Amendment and 14th Amendment of The United States Constitution an infraction upon his rights and will grossly infraction upon his ability to make money and his livelihood. Plaintiff further alleges that the rule is arbitrary and denies the Texas Brittany Open Championship of Texas a right to participate in or hold their field trial. And also, other Field Trials to participate without due process of law. Also, under the equal protection of the law, this would prohibit the Texas Brittany Club Open Championship and Association to participate. Therefore, plaintiff is entitled to a permanent injunction against said defendants.

5. Plaintiff further alleges that unless the said defendants and its agents, servants and favorers are not enjoined and restrained from enforcing said ruling that the said plaintiff will suffer damage to his profession and trade.

WHEREFORE, plaintiff prays that a permanent injunction will be granted against said defendants.

E. E. ZAMRZLA
Attorney for Plaintiff

Leave granted by the Court to file AMENDED PETITION.

Dated this _____ day of _____, 1976.

The answer date for the amended Petition is August 10. I will keep you informed as to the pertinent information in the case as it develops.

C. T. Young

DON'T MISS IT!

1976 NATIONALS

by Linda Young

The 1976 National Open and Amateur Championships are going to be something you are not going to want to miss! It will be ten days of dogs, friends, horseback riding, and companionship.

Headquarters will be the Lake Murray Lodge south of Ardmore, Oklahoma. Mr. Carpenter, manager of the lodge, is holding the entire lodge and fifteen villas for our group's individual reservations until October 15, 1976, and the rooms not reserved will be released.

The beginning event of the '76 Nationals is the Winter Specialty Show to be held on November 10, 1976, at the Civic Auditorium in Ardmore. The Civic Auditorium will be open at 9:00 a.m. with the show starting at 10:00 a.m.

Drawings for the Open and Amateur Championships will begin later that day at 3:00 p.m. at the Lake Murray Lodge. A dinner that evening will begin at 7:30 p.m. with the Calcutta for the Open Championship to follow.

The Open Championship begins bright and early the morning of the 11th at 8:00 a.m. and will continue until completion.

The major social event of the Nationals is the Annual Membership Meeting which is to be held on Nov. 14 in the Ballroom of the Lodge with dinner starting at 7:30 p.m. and the meeting following.

The Board Meeting is scheduled to begin on Monday, November 15, at 8:00 a.m. This is when the major decisions of the running of the Club will be made. Contact your Regional

Directors prior to this meeting if you have anything you want discussed.

Horse stalls are available on the grounds with additional stalls available at the fair grounds in Ardmore. The only reserved stalls will be for judges, marshalls and reporters.

The Amateur Calcutta is to be held on Monday night after a dinner which begins at 7:30 with the Championship beginning the next morning at 8:00 a.m. and it will continue until completion.

From the first day beginning with the Winter Specialty Show to the announcement of the winners of the Amateur Championship, the 1976 Nationals will be a happening you will not want to miss.

Tentative program plans for this Nationals include a slide presentation, super-party, panel discussion, and informal pickin' and singing session. So you all come.

The following compilation of facts on the Judges for the Nationals Stakes was done by **MARGE AYERS**, very able field trial secretary. She will be sending premium lists for the field and the show soon. If you have any questions her address is **4647 Brighton Ave., San Diego, Ca. 92107**. When filling out your premium list, please state dog's full title as this is required on running orders. If your dog qualifies this fall and you do not receive a premium list, notify Marge and she will send you one.

OPEN CHAMPIONSHIP

THOMAS TIVNAN will be Stakes manager for the Open. A list of dogs qualifying in the spring trails will be found elsewhere in this magazine. Dogs may qualify in the fall trials by winning a first place in the Open All-Age or Open Limited All Age Stake in a regional trial that has 13 or more starters. If the entry is 30 dogs or more, second is also a qualifying placement. Wins in Gun Dog stakes DO NOT qualify nor do wins in stakes run by other breeds than Brittanies. All wins in Classics, except the Gun Dog Classic, qualify a dog for the Open. In the case of a bitch that qualified for the 1975 Open Championship, she will be eligible if she has whelped an AKC registered litter in 1976. The proof of litter should be sent to ABC office or field trial secretary.

JIM LEVERICH comes to us from Pampa, Texas and I am sure many of you associate him with the Field Champion Way Kan Jill who was 4th in the ABC National Amateur in 1965 when she ran a strong hour even though she had just weaned a sizeable litter of pups. She was twice winner of the U. S. Open Championship in 1963 and 1966. This outstanding bitch bred to Holliday Britt's Bazooka, Tic Toc Bobby and Towsey's Bub produced many winners. Jim has been judging for 18 years and has been breeding and campaigning Brittanies since 1952. National and Fld. Champion Bazooka's Brandy was probably the best known of the dogs he raised and sold. His business is oil production and equipment. Quail hunting from horseback is his favorite sport as he lives in the

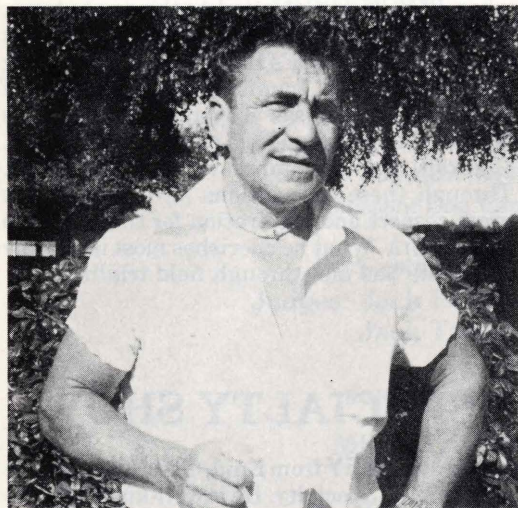

country with plenty of room and lots of birds. He has appeared as judge at many of the clubs in the South Central Region for Pointer and Setter Clubs. In 1975 he judged the Weimaraner National Amateur as well as their Futurity for 1975.

HAROLD ADAMS is well known to Field Trialers in the midwest area. Not only has he been judging for 14 years but is presently training and handling Field Trial dogs such as Pointers, Setters, German Shorthairs as well as Brittanies. Among the Britts that he has owned and finished are Dual Champion Appanoose Rust, Field Ch. Silky of Bretagne and Field Ch. Ralmar's Royal Prince. We called on this outstanding Judge for our Amateur Stake a few years ago and this year we are privileged to have him judging the National Open. He was a charter member of both the Iowa and Missouri Valley Brittany Clubs and at one time or another held offices in both clubs. He presently maintains membership in the Iowa Field Trial Association which sponsors the Iowa Shooting Dog Classic.

"DUTCH" MORRILL has trained dogs for 28 years, training all breeds to gundog capacity, obedience for show and personal use, guard dogs for Police work, stock dog etc. He campaigned Retrievers 13 years and has campaigned Pointing dogs since. Dutch has tutored Weimaraners to National wins, won the Pheasant Classic and has made several Field Champions. Dutch has been judging for 20 years. His judicial jobs have been with Weimaraners, Pointer trials and Retriever Clubs. He will be judging the National Open

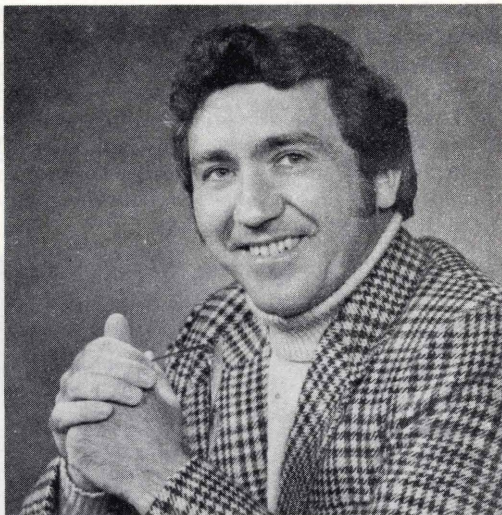

Championship this year as a repeat performance for the ABC as he judged the National Amateur last year. He and his wife, Martha, with the many years of help from 5 children have operated a boarding kennel on Fern Ridge Lake in Eugene, Oregon, where they also train horses. His life for 10 years was filled with good times in the Rodeo game.

AMATEUR CHAMPIONSHIP

CHARLES AYERS will be Stakes manager. A list of the qualified dogs is elsewhere in this magazine. Dogs may qualify in the fall trials by completing a Field Championship, an Amateur Field Championship, or by placing first or second in an Amateur stake. Wins may be in either Amateur All Age or Amateur Gun Dog but must be in a Brittany Trial. Here again, a bitch that was qualified for the 1975 Amateur Championship that has whelped a litter in 1976 is eligible to run in 1976. A dog that has qualified for the 1976 National Open Championship is also qualified for the National Amateur Championship IF it was owned and handled by an Amateur when it qualified.

JACK BECK a devoted Brittany Spaniel man, has been judging for twelve years. His ability to judging has drawn him to All Pointing Breed Trials in ten states as well as Canada. He and his wife, Edie, have had great success in finishing two bitches namely, Dual Champion Brooks de Becque and Dual and Amateur Champion Chantilly de Becque. These two dogs were handled all the way by

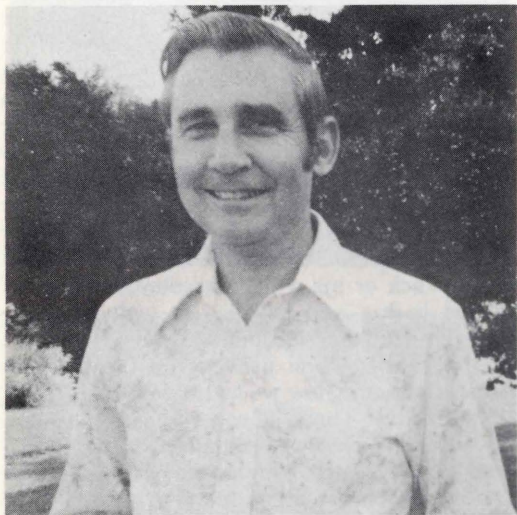

either Jack or his wife. As a dentist he is involved in his own practice as well as being active in state and national affairs. As a Director in the ABC he proved his tremendous capabilities and now we welcome him as a National Judge. Those of you who attended the 1975 Eastern Futurity when he was judging no doubt heard of what happened to Jack, would you believe, a mouse up his pantleg!!

BOB OGLESBY is well known as a championship judge both for American Kennel Club and American Field by the German Shorthaired Pointers, Vizslas as well as the Brittanies. He has judged Open, Amateur, National Quail Championships and Futurities in the states of Washington, Idaho, Ohio, Oklahoma and California. His judging assignments started twelve years ago and he has

trained and handled German Shorthaired Pointers and finished Heinrich Von Bess. As owner and trainer of Bo Jack Von Bess this dog became the No. 1 dog in the Nation in 1964 and 1966 as well as Field Trial Dog of the year in 1964 and 1967. He will be judging four national trials this fall and we are indeed fortunate in obtaining his services for the Brittany Amateur Championship Stake.

TOM FIFE has been judging for approximately 15 years and for the past 25 years has always had good bird dogs. He had a few good Pointers and Setters but his Brittany, Bingo, was the best Britt he ever had. He was not campaigned extensively but he was always good competition and had nine points toward his Championship when he was injured. Tom still has BINGO's Susie Q who has puppy and derby points but she has become his pride and joy as an excellent hunting dog. He attended

his first Brittany trial in 1957 and as he had no trained Brittany of his own, he borrowed his friend's dog, "Boy." He supposedly was the best hunting dog in the area and "Boy" found plenty of birds, flushed them and chased them out of the country. Thus it didn't take Tom Fife long to learn that he would have to do some training if he wanted to compete in trials. This was when BINGO was selected as the dog to train. In 1960 Bingo won his first Amateur and beat such dogs as Towsey's Bub, Tom's Zipper King and Holiday Doc. Tom is a charter member of the Southern Kansas Brittany Club and has been involved in helping with the Nationals, Classics and a number of regional trials. Through these associations he states he has great respect and admiration for the ones who do the work. What he cherishes most is the fine people he has met through field trialing.

SPECIALTY SHOW

TOM RAINEY from Enid, Oklahoma, will be judge for the Specialty. He is well-known for his knowledgeable judging. The Civic Auditorium will be open at 9:00 and judging will begin at 10:00.

DOROTHY MACDONALD will serve as show secretary assisted by an able and experienced show committee.

The customary classes will be held plus the Parade of Champions. There will also be classes for the Stud Dog and Brood Bitch as well as Veteran (over 7 years of age.)

In order to be eligible for the Dual Award, field dogs must defeat at least one dog in the show unless they are already show champions.

HIGH TALES

continued from August

by Carol Brown

SO. KANSAS & A WEIMERANER TRIAL — As Sedan is a fur piece many of us down here decided to pass it up and spend this weekend repairing everything that had fallen apart during the preceding weekends. We wives had made our little lists of "honey do's" (Honey, do this and Honey, do that) when we were tardily informed we were going to the first licensed Fort Worth Weimeraner Club's trial in Joshua, Texas. Following the fireworks we were on the line at 7:30 Saturday morning with grim grins in the HAIL. Heard another wife grit her teeth and loudly comment about the SUNSHINE in Kansas. Turned out to be a nice weekend as all the adult stakes were taken by the Britts (the Puppy and Derby were open to Weimeraners only). Seriously, met some real nice folks and they were sincerely grateful we came and supported their trial. When they get some of their adult dogs broke they may give us a "run" for our money. Understand that back in Sudan BETTY JONES wasn't going to ride because of the danger of her horse falling on that rocky course. As you might guess it doesn't take much for Betty to talk herself OUT of riding. LYLE JOHNSON and others assured her nobody had EVER been injured or even fallen despite the rough terrain, so she changed her mind and gamely joined the gallery. Shortly afterwards the king of the bronc busters crashed among the rocks. LOYD BUDD survived the incident, but I hear Betty and Buttercup removed themselves shortly. A little bird whispered that TIM POLING gave the ladies a thrill. Saturday evening the MAYS and JOHNSONS had steak fries in their motor homes, and Tim was feeling no pain. He related the story of his recent leg injuries he sustained when he walked into a 110 hot wire that literally burned away his pants. He became so car-

ried away with his story that he just couldn't resist showing everyone his burns. Of course, he had to remove his pants to do that, and MARGE JOHNSON, BRENDA HILTON and ETHEL DAWSON covered their eyes as they peeked through their fingers. Tim declared he was made of steel, and Ethel has nicknamed him "The Flasher". RAYDELL offered to put him to bed before she joined the group going to the V.F.W. hall to stomp a little. Tim was going to babysit, but he went to sleep BEFORE the baby. TOM FIFE, TERRY POLING and his date and the rest of the crew invaded the V.F.W. for some fiddling and stomping that has become a regular highlight of Saturday night at Southern Kansas. And, Tim slept on.

NO. OKLAHOMA — Howdy to the Lake Carl Blackwell grounds and the Bicentennial dog wagon. EVELYN YORK even provided doggy cartoons on the colorful running orders. Saturday was really nippy, but the campers, picnics and sun bathers on the All-Age and Puppy courses were unbelievable. LYLE JOHNSON was bug-eyed when his All-Age dog spied several bikini clad sunbathers, chased them into their Volkswagen and bounded in with them. MARC APPLETON picked up a puppy on the backcourse after the pup returned from an interesting adventure with two other female sunbathers. Marc told the judge the dog had used poor judgment when he pointed THE UGLY ONE. No kidding, a new diversion was added on each Puppy brace. Besides the boaters utilizing the boat ramps, there were fishermen, sightseers, camping rigs, sunbathers, and late in the afternoon a frisbee game was initiated. Someone said he'd never seen the likes of this spring crop of big running puppies. Somebody else replied they were simply "trying to get away from it all". In the meantime, some of the field trial kids were fishing and implored their parents to come see their big string of fish. HAROLD BROWN walked down to the lake at Saturday's lunch break, admired the fish, and picked up a rod and reel to throw it out as a boat pulled up. Out steps the game warden who asks to see his fishing license. When Harold informed him he wasn't fishing the warden simply inquired, "Then why are you holding that rod and reel?" Result - one embarrassed father. And, thanks to good sport MARGE JOHNSON for frying that big mess of fish for the kids on Sunday. Well, this trial offered the pre-Great

Bean Bake-Off, good visiting with Colorado friends GLADYS AND LUKE RUIZ, and a big boo-boo by LEON YORK. Leon made every imaginable arrangement EXCEPT obtaining the use of the pavillion in writing for the Saturday night banquet. So, we all banqueted under the stars around the York's cabin on chips and dips and hot cheese rolls, 40 pounds of brisket, garden fresh salads, homemade beans and potato salad and pies and cakes galore. ELDA BRADFORD, ANN APPLETON, DOLLY FLESCHER, MARY EPPERLY, JUDY GAYNOR, BETTY HIBBERT and BETTY JONES, DOROTHY LUCAS, BARBARA MANNING, EVELYN AND KAROL YORK, and MRS. ED GARDNER and IKE ZAMARZIA provided all the goodies. Even PAM OXFORD from the Stillwater Club brought the coconut pie. When BUD EPPERSON got that second piece of pie and plopped back down on the attached picnic bench all the food on the table flew up in the air. Now, DOYLE BRADFORD and LEON YORK are in a BIG BEAN competition. Each gentleman claims his blue ribbon fame in bean baking, and June 5 and 6 (along with the Club's fun trial) is the scheduled GREAT BEAN BAKE-OFF. As one lovely Okie said, "That's gonna be a windy weekend!"

SOONER & A RED SETTER TRIAL — My partner went south with the setters, and the rest of us headed north to say howdy to LIL and BO GUEST. The flu bug had LYLE JOHNSON'S and LESTER MAY'S number, and MARGE'S pheasant hatbands were selling like hotcakes. WANDA and RAY ROBERTS had their young bitch in the Amateur at only one week out of Derby, and she was braced with her Momma. DOC YOUNG was smiling big at lunch on Saturday as he figured he might have a piece of that stake. GINNY and ED GARDNER out of Oklahoma City were eyeballing the Puppy stake, and faithful DUB EMDE was piloting the All-Age dogwagon. FRANK NORRIS was all the way down from South Carolina taking in the All-Age and staying over to visit RICK SMITH. Parts of the course had burned on Thursday, but green shoots were already popping out. Too bad certain other courses couldn't be burned off, too. DOYLE BRADFORD was literally beside himself when his bitch won the Derby after XXX number of seconds. We only hung around part of Saturday,

but the whole gang was there. Shiny new feeders were gracing the front course, and all I'm gonna talk about to TOM FIFE from now on is something else besides dogs. Last fall I'd ask him about a certain dog only to find out shortly afterwards he was judging the darn stake. This time he was just riding and chatting, so he was telling me about this young pup, and I just had to tell him about one we'd been running this spring. Went into all the details of how she'd almost placed in the last three stakes with over thirty puppy entries, etc. So, as we said adieu he said he'd see us next weekend in Stillwater, and I told him good luck with his puppy. He gently broke the news to me that he wouldn't have a dog down because he was judging the stake. Open mouth, insert foot. Hello, U.S. Open.

MIDWEST — Pulled horses and kids about XXX miles and were greeted by a 30 mile per hour wind that made contact lenses feel like ground glass. In Junction City we saw our first Bicentennial red white and blue fireplugs painted to resemble little tin soldiers. Saturday the rains came with that thunder and lightning bit. After one continuous course brace the dog wagon called it quits, the field trial committee called a pow-wow, and we were soon back in camp on a single course. You know, these trial dogs become pretty knowledgeable about this sort of thing, and as the first brace of dogs re-ran the first brace on the single course, I kept wondering what they were thinking after running 30 minutes on a continuous course and then 30 more minutes on the single course plus birdfield. I decided they decided the second brace was just an early Amateur with the wrong handler. As they were setting up the birdfield in between courses MARC APPLETON took advantage of the downpour when he grabbed a horse brush and preceded to wash the mud off his brand new Chev. field trial rig. Fort Jackson grounds have to be some of the most glamorous in the country with gentle rolling hills and land reaching out til the sky eats it up. The army acts as superb hosts in providing "people" and "horse" water, a hospitality tent (with hot coffee, a warm stove and music), a latrine tent (with a roof this year) and big green army trucks to pull all our rigs out of the mud on Sunday. There were even grandstands for the spectators at the Amateur birdfield. Visited with PATTI and BOB MONTGOMERY in the

host tent as a rushing stream ran through the middle. Asked JERRY EASTLAND to dance, but he declined as he was afraid we might splash the others. In the meantime, BETTY HATFIELD and JUDY DARROW were frantically trying all the army roads in vain as the low areas were flooded. After many water obstacles they arrived at a section that looked as if it just might be passable. In desperation Betty hopped out, hitched up her gitalongs and cautiously waded through the water to test the rapidity of the current. Judy followed suit in the vehicle with success. After both were safely across Betty became rather shaky. She just remembered she couldn't swim. BOB DARROW, Judy's husband, is a hair dresser by profession, and this was Easter weekend. For some reason his customers can't comprehend his weekend departures to attend these field trials, so he tells them he's going on a "hair convention" (hair raising, anyway!). So, Thursday evening he was dressing coiffures into the wee hours in preparation for his "hair convention" on Easter weekend. Late Saturday afternoon heard water running outside the motel room and upon investigation observed EVELYN

YORK washing her dog in a water spigot. "Thank goodness LEON didn't ask me to wash the horses," she moaned. The old bunny laid a plenty of colored eggs for the happy, muddy children on Sunday. One little fellow ran through a boggy area, his boots were sucked under, and he just kept going barefoot with his Easter basket. Our BUNNY (BROWN) came away without her glasses. She said she leaned over the deep end of the slimey, green motel pool to rescue a frog, and they slipped right off her nose. And, the Easter weekend convey was simply magnificent as we covered Kansas, Oklahoma and Texas on the return brace. So, hello summer and welcome fun trials!

•••

It would be interesting to know the degree of satisfaction a bird dog must experience when he locates game and settles down to a solid point. Any reaction by his quarry, other than normal, must come as quite a shock. One unusual situation occurred to Jim Carpenter when his dog pointed a hen with a clutch of chicks. Jim described mother hen's charge as comparable to that of an aroused tyrannosaur. Needless to say he had no further use for his check-cord the rest of the day.

SPECIALTY SHOWS

BUCKEYE

by Dick Foley

The third annual Specialty Show of the Buckeye Brittany Club was held on Mother's Day, Sunday, May 9, 1976 in conjunction with the Mad River Valley Kennel Club Show at Springfield, Ohio. Show chairman Bob Jones did a yeoman job all the way and the show came off without a hitch. The silver laden trophy table was adorned with sparkling new banner, the excellent craftswomanship of Jackie Jones, Bob's better half.

Thirty five Brittannies, eleven dogs, sixteen bitches and eight specials, paraded under the ever watchful eye of Judge Barbara Heller of Sanibel, Florida. Best of Breed was awarded to the winning bitch Ch. Brenner's Brea of Edwards, owned by Dwight Brenner and handled by R. L. Becker. It was a sterling victory for Brea in worthy and heavy

Ch. Brenner's Brea of Edwards

competition. Best of Winners went to Rustic Ridge Charlee O Too owned by Bob and Pat Saltzgaber and handled by Bob Edwards. Chuck Alff's illustrious new Dual Ch. Cinnabar's Ami Roc de Edwards was Best of Opposite Sex.

Class winners were as follows: Puppy Dogs 6 to 9 months - Mark of Valliant Yankee, Paul Patterson. Puppy Dogs 9 to 12 months - Lady's Bandit, Bob McCoy. American Bred Dogs - Ffynant's M'Lord Benjamin, Barbara Scott and Rita McClumpa. Open Dogs - Rustic Ridge Charlee O Too was Winners Dog and Ffynant's M'Lord Benjamin want Reserve Winner.

On the distaff side Al's-Pix-A-Patch owned by Albert Faris was best Puppy Bitch 6-9 months. Puppy Bitches 9-12 months, Silver's Maija, Norm Cleland. Bred by Exhibitor Bitches, Bertette of Edwards, Bob Edwards. American Bred Bitches, Kandy of Edwards, Bob Edwards. Cheers of joy shook the rafters as Bob and Pat McCoy's bitch Lady's Copper Penny of Edwards won the Open Bitch Class and went Winner's Bitch. This was a very nice win which finished Penny's much deserved Championship. Parklane Gypsy of Edwards, Scott Park, came from second in the Open Bitch Class to go Reserve Winner.

After the judging, close to sixty five Brittany fans enjoyed a family picnic and a beautiful sunny day to "talk dogs" in true Brittany fellowship. Sharon Cleland is credited with her usual fantastic job as Queen of Buckeye Brittany hospitality. Needless to say a good time was had by all.

DEL VAL

CH. SEQUANI DES COLLINES, C.D.

WINS SPECIALTY, by Herb Krumrine

The Huntingdon Valley all-breed show and obedience trial, held on the beautiful Temple University - Ambler Campus grounds on May 29th., was the site of the second annual Del-Val Brittany Club Specialty Show.

Fairfield Pope Day presided over a final field of 37 of the finest Brits in the area. Many other very worthy dogs were noticeably absent. However, even with the problems which arose, the show must be considered one of quality and a success.

Top honors went to DUAL CH. & AMTR. FLD. CH. SEQUANI DES COLLINES, C.D., a proven show dog and field trial winner, and producer (as was shown in this how, with several of his get taking placements), owned jointly by Sequani Kennels and John Ivester.

MARQUES BROWN SUGAR, a daughter of

the breed winner, came from the Open Bitch class to garner Winner's Bitch, Best of Winners, and Best of Opposite Sex. Sugar's proud owners are Eileen Santala and Kitty Murphy. Reserve Winners Bitch behind Sugar was Bevan Ehrich & Richard Wood's DUCHESS MATHILDA OF CHARLES.

Winners Dog was awarded to SEQUANI'S PLUM OF PANTHER LEDGE, owned by Clendenin J. Ryan, followed by SEQUANI'S PRIDE OF RUFUS as Reserve. Pride is also owned by the Santalas.

CH. SEQUANI'S TORO DE COLLINES, U.D., Carmen Giovacchini's pride and joy, won honors for highest scoring Brittany in the Obedience classes.

SPRING TRIAL

by Dr. William E. Kirk

The Spring trial was run with moderate temperatures under blue skies on Saturday followed by clouds and finally a brief duck-drowner on Sunday. The grounds were in excellent shape and, as usual, birds were plentiful on the scenic and demanding single course.

Pennsylvania Club's grounds and ideals have been described on these pages before and attentive readers will recall that we seek the class Brittany with outstanding forward application and finely tuned manners. The elimination of bird fields, optional horseback handling in all stakes, liberal bird releases, and judges with experience and excellent credentials have been brought together as a formula for the identification of Brittany excellence in the East Central Region. The implimentation of our goals has been in the able hands of out-going Field Trial Chairman Ken Horn. Ken has worked carefully, with the assistance of an able crew of helpers, to make our trial an example of a well run trial of high class. This reporter speaks for the Club in saying "Thank you, Ken" for a job well done.

Tex's Air Man, a wide ranging speed burner added new laurels to his growing list of accomplishments by a decisive win of the Open All-Age. "Man," under the whistle of his breeder Ken Horn, met the challenge of the venue with a far flung race of true, all-age proportions and a beautifully handled covey find near the end of his strong thirty minutes. All who saw Man's total performance knew the standard had been set for the stake and the judges' decision was expected and well received by all.

Pricetown Peppermint Sue, winner of the Open Gun Dog, came up blue ribbon for the second time at the Venango Co. grounds as she combined a hunting, handling race with four well-mannered finds; one find, at twenty-four with Sue buried deep in a thicket and the Field Trial party going on past only to have the cry of point from a sharp-eyed galleryite riding behind the main party, was rewarding to the dedicated gun dog enthusiast.

Blossum, a hard hunting puppy with excellent application, set the standard for the puppy stake. Blossum, having placed before is one of those pups that keeps on getting better and will be heard from again.

Old Orchard Beauregard, with owner Frank Naverette at the helm took the Derby points home to Ohio. Unfortunately this reporter missed the brace and can only extend congratulations to the winner in this column.

LIVE ENTERTAINMENT — While giving a talk on spring turkey hunting at the East Butler Hunting and Fishing Club, my "buddy," Game Protector Ned Weston, slipped a large tame gobbler in the back door just behind me, while I was demonstrating calling. The turkey looked in sad shape until a few putts and whines brought him to life. Then he really started to gobble and was the hit of the evening.

LA SALLE SPRING TRIAL

Our trial held on March 27 and 28 at the Des Plaines Wildlife Area, at Joliet, Illinois, started out with a light sprinkle of Illinois rain and a strong northwest wind. It lasted until mid-morning and then the old hay-maker came out for the rest of the week-end. It was an excellent trial in regards to weather and seeing all of our fellow Britt trialers, who were responsible for one of our largest entries, (143 Britts). The hospitality hour and the banquet added to an enjoyable time by all.

The Open All Age Stake broke away at 7:30 A.M. Saturday morning. The double Horse Shoe course with ample cover, hedge rows and wood at the edges, gave an All Age dog a chance to show, and several did just that. Jim Holman showed Majestic Jake, wide to the front continuously, as he hit the woods, disappeared for a few minutes and showed to the front —

Warway's Little Debbie

going away swung across the course — hunted the center fence — cut across the back course searching the far tree line into the wind, applying himself in a most eye appealing manner. Jake had a real staunch class find in the bird field which he handled to perfection and was awarded the 1st place — blue. Claude Ritchie's Jacque also was right up there pushing Jake for the top spot. Jacque ran a near perfect forward pattern hitting the right spots (looking good) and could not be faulted on his bird work. Jacque pulled down the Red for second place. Hi Spirit Buck, with an unfamiliar handler (Jeff Ray) nailed down the

third spot with another excellent race and good bird work. Fourth place went to Benfield's Cheyenne Sam, Jim Holman handling with three classy finds in the bird field, but was not quite as wide as the first three placed dogs.

The Amateur All-Age stake held lots of disappointment. Poor birdwork, or poor runs were the order of the day. First place went to Sassy De Britt, Frank Chesky handling. She ran continuously to the front, hunting the fence rows on both sides of the course — had two solid finds in the bird field and handled the birds with perfection. Sugar Creek Pistol Pete, handled by Ray Ruff, ran to the front from the time of breakaway and hunting with a fine pattern in the back field. For this performance he was awarded second place. Third and fourth places were both withheld.

Saturday afternoon proved to be a jinx for the Open Gun dogs, as only one placement was awarded. Job's Patience handled by Jimmy Kramer, was awarded second place. Buffy did a lot of hunting in the back course and had two solid finds in the bird field that he handled with perfection.

In the Puppy stake, two of the Nat. Ch. Ban Dee's off springs, litter mates, Sandra Dee, handled by Gerry Ray, and Jaker's Rake, handled by Ray Poe, ran off with first and second place respectively. Sandra Dee ran her usual forward race to the front and displaying her desire to hunt as well. She had one bird in the course. Jaker's Rake ran to the side at times, coming to the front with a good forward pattern, finishing as though he still could go around the course a second time. Betway's Taffy Suzanne, handled by Wayne Loose, was awarded third place, as she hunted the course with ease, not missing any of the brushy spots where an old ring-neck might be hiding. Lee's Georgia Reach, handled by Red Welker, Wisconsin's favorite son, covered the course, showing a lot of desire to hunt by making several good casts out to the hedge rows, but a little short to the front. She was awarded fourth place.

Nevene's Sham brought home the coveted blue for her owner in the Derby and handler Gene Salmons. From the start till Sham entered the bird field, he covered the course, hitting the edges with several fine casts, always coming to the front showing a strong desire to hunt. In the bird field he displayed his ability to find birds, with two finds. Second place went to Rustic Ridge Mean Mary Jean, handled by the old pro, Gerry Cohen. Watching this Britt in the field, proved that Gerrys' efforts have not been in vain, as Rustic Ridge

Jill of Connie

ran all out, covering the course. Several times she ran to the extreme edges, running to the front and only came in when turning to approach the bird field. In the bird field Rustic Ridge did a fine job on point, indicating that he has the potential to become a winner in the All Age stakes. Eugene Salmons, came up with another winner in this stake with Warway's Little Debbie, who took third place. Debbie ran through the course, showing a fine desire to run and hunt. She had one classy find in the bird field. Jill of Connie, handled by Ray Rogers, ran a little short of her usual performance, but was the fourth place winner. She ran to the side covering the hedge rows and coming to the front. She had two finds in the bird field and shared one find with her brace mate.

UPPER NEW YORK SPRING TRIAL

by Rheta Cartmell

It was a pleasure for the Brittany Club of Upper New York to return to Three Rivers for the Spring Trial. The cover is low in the Spring and the hedge-rows are laid out to encourage a running dog. If a dog has the potential, these grounds will bring it out.

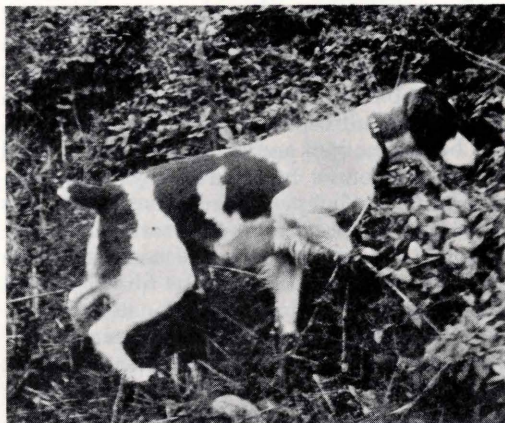

A reflection on the weather always seems to be pertinent to the discussion of the field trials of the BCUNY, last fall we survived a hurricane, this spring we had to contend with a record heat wave. Actually it was a warm spring weekend for people, too hot for dogs, but a welcome relief from winter.

Dan's Obie Dee Dee, a good ole North Carolina dog came up to show us an outstanding performance in the Open All-Age. To quote his owner "He really motors" and he did. His race took him all over the course in a competent manner, touching all the likely spots. He was the only dog to properly handle birds the first time around and so, unlike the other placements, no callback was necessary for first place. Duchess le Chasseur, with an animated, searching race earned herself a second chance at birds. She handled them with acceptable manners for second place. Two other dogs, Tyoga's Mac and Windgail's Belle Prince chose to blow their second chance at bird work and so no more placements were awarded. All-in-all it was a good stake, with several fine performances which were flawed beyond placement, but exciting, never-the-less.

If the Puppy Stake indicates the future objectively, there will be many more exciting trials at Baldwinsville. Sam Grand Slam of Beaver Dam nailed down first place with a wide ranging, well patterned race. Hope's Ruffled Feathers ran a close second, the main difference being consistency. Kiss Me Kate put down a really nice all around puppy performance. Pioneer Valley Patriot with another fine showing got fourth. There were another six dogs that the judges would have liked to place, if there were only ribbons enough.

The Open Derby started on Sunday morning under even more adverse conditions. Temperatures rose fast and the humidity paced it all the way. Bird work was at a premium and it was necessary to call back some dogs. Sequani's Pride of Rufus won his Fifth Derby Blue with an outstanding race and an excellent find. Little Bullet, by virtue of his application and forward, wide range, was called back to be seen on birds. His stylish point clinched second place. Jamar Tad was also called back and he handled his bird well for third.

The course off Patterson Road was used for the Open Gun Dog Stake. This course provides a variety of terrain which truly tests each contestant. Conditions were excellent and all dogs had bird contact. Oakenshield's Commodore topped the stake by coupling an excellent race with superior handling, and as the saying goes, one good find did the job. Dr. Zachery had an all-around fine performance,

Sequani's Pride of Rufus

complemented by two birds precisely nailed, for second. Beauregard de Menard was a little slow starting. If his entire race had matched his finish, the order of placements would surely have been different. John's Candy Girl ran at a more moderate range but hit all the likely spots to come up with a bird. She had a clean stop-to-flush when a bird went sailing over her head from across the field.

Neb's Gingerbread Girl, running in the heat, did an outstanding job in the Amateur Gun Dog. She exemplified the standards for a class gun dog; hit the proper objectives, always hunted to the fore with a minimum of handling, had two well handled birds, and honored her bracemate's find. My Sunny Boy earned second with a well applied, searching race, hunting to the terrain all the way. This was topped by a good clean find. Third was taken by Jack Cash's new comer, Freckles Country Boy JayCee. He

was a bit rough handling in spots but his excellent hunting and classy find more than compensated for this. Oakenshield's Tina Champagne did everything well, but at a less vigorous pace.

Then there was Sir Robert V. Brende. This was his bad luck day! He did everything right — hit all the right spots, ran well, sparkled all over the scourse, skidded to a stop when the judge's horse flushed a bird, backed his brace mate's find, but **COULD NOT FIND** himself a bird. It's enough to make a grown man cry, or dog as the case may be. Tyoga's Mac was in there knocking too. His far flung race touched all the edges, filled in the objectives and with a minimum of handling. But his bird work was not up to the standards set by the four placing dogs.

NORTHERN VIRGINIA SPRING TRIAL

April 24-25, 1976, the dates for Northern Virginia's spring trial marked success for many entries. The clubs newly established Dual Dog Award was captured by Ban Dee's Bowman Woods Dot, owned by Penny and Paul Colbert, by winning the Derby and by placing first in the Open Bitch class. There were 122 entries in the five stakes, with horseback handling offered in the Derby and Open All-Age stakes.

The Puppy stake was run on a new course. Top honors were won by Corky, run by Gray Hume for owner Edwin Eastham. He was in the first brace and established himself as the puppy to beat exhibiting wide casts to the front, easy handling, and hitting objectives well. Walt's Ringo de Britt, with a good breakaway, hunted the course well to the first to capture second place for owner Walter Brown. In third place was Shiloh's Spirit of Seven-T-Six, owned by Grady Brown, showing good range and pattern. Dandy MacDuff ran well for owner John Frantz. All of the winners showed good strong finishes.

Open All-Age judges placed only one dog in the stake — Spike's Uncle John, owned and handled by Emmett Simmons. He showed excellent class on two finds and handled a relocation with good manners and style to capture second place.

In the Open Gun Dog Uncle John gained the top nod by virtue of a flawless and sparkling race. John was all involved in the business of bird hunting the duration of the brace, utilizing his handler, Emmitt Simmons, only to flush his two perfectly handled finds. Trucker also turned in an outstanding performance. He displayed extra-ordinary manners on a most difficult single quail find on the bushy edge of the bird field. Domez was placed third. He had a wide sweeping back course showing great ease of handling. Buck stacked more than acceptable birdwork on top of a reaching pattern, earning him fourth place.

The first day was concluded with an enjoyable happy hour and unbelievably funny, amateur Gun calcutta conducted by club member Bob Wilmoth.

Amateur Gun Dog started things off Sunday. Judges Harold Winger and Jim Fry were impressed by first place winner Neb's Gingerbread Girl, handled by Zane Smilowitz. She had good range, handled well, with two clean finds and a stop-to-flush. Second place went to John Maynard's Ch. Beauregard de Menard, who had excellent manners, one clean find, and a stop-to-flush. Lan's Country Squire came in third, with one find and a stop-to-flush for owner Alan Weismantel. Hopefield's Jackal Jiggs, owned by Robert Wallach, won fourth place with one clean find.

According to Judges Edie & Jack Beck, Dottie won the Derby with "electrifying enthusiasm". She skirted the periphery of the course — just a speck at times — always on the fly. Her first find was a high headed point on a single deep withing a heavy fence row. It is the judges' prediction that this blue win shall be but one of Dottie's collection. Babe, a brace mate of the winner, showed a consistent and ranging pace. She exhibited true class in style and intensity. Seventy Six was placed third making it two in two days. This youngster made some huge casts to distant objectives and scored a nicely handled single find. Towsey, in nailing down the white ribbon, laid out an even race, intelligently run and sandwiched around a breathtaking, piece of birdwork with adult manners on a covey.

Thanks to our judges, participants, writers and club members for making this trial such an enjoyable one. We hope to see everyone again in the fall.

IMPROVE HABITAT

What will you do now that hunting season is about over? Have you given any thought to what you could do to improve your hunting next year? Loss of habitat is one of the biggest factors in wildlife management. If sportsmen's clubs or individual sportsmen would select an area to work on for wildlife, their sport could be greatly improved by next year. If you don't own any land, I'm sure there are many land-owners who would be glad to have someone do some work. If mostly over? Have you given any they let you hunt, don't you think it's a good idea to something in return?

CENTRAL CALIFORNIA SPRING TRIAL

by Ted Parker

The Fort Ord Field Trial Grounds once again were the site for the Central Brittany Club trial and weather was strictly California at its finest-clear, balmy, beautiful. It is no wonder that the Spanish rulers of old California established their headquarters at the beautiful Monterey harbor near here.

The trial itself was clean, neat, well run, well judged, well attended — in short everything was in order. Some of the losers were even happy. The all-age was snappy with a few big running birdless dogs, most notable of which was Loophole of Clipper Down, and the placements were quite well received. The Derby stake was once again the class stake, and there is no doubt that when these young dogs settle down the current big all-age winners will be hard pressed to maintain their current win percentages. It would be difficult to single out for comment any small number of the unplaced dogs as fully half or more of these derbies showed very well indeed.

The puppy stake was a nice one, a far cry from the fall puppy showing, with a full half dozen blue ribbon performances. One of the placed dogs, in fact, cleared the puppy course in the allocated time, took the bit in his teeth and cleaned out most if not all of the birds on the all-age course before being captured.

The amateur gun dog stake was a very nice, tight stake, with the placed dogs demonstrating excellent coverage, sharp bird work and excellent retrieves on the released chukar. Two notable instances occurred in this stake. The first was the completion of the Amateur Field Championship (subject to AKC approval) for Paul Commeaux's Cajun Prairie Dust, a totally owner trained and handled dog which represents a major achievement for Paul — Congratulations. The second event was an historical event of another kind, and

threatened to send California sliding into the ocean. Ejner Lund's dog broke at shot for an early retrieve! Believe me folks, with the old master this just doesn't happen. Of course Ejner took a well earned second in this stake with the incredible Reddy, as well as a fourth place in the Open All-Age with his other contender, White Flash, for a reasonable 66% score.

INTERNATIONAL BRITTANY OPEN CHAMPIONSHIP

September 27-29, 1976

S'NO FUN PRESERVE, EVANS MILLS, NEW YORK

This Championship seeks to glorify the class Brittany All-age dog—the one which will be able to improve the breed—a dog which personifies class. The winner must show that he has sufficient field experience, such that he is familiar with the habits of game and versed in finding birds with boldness, intelligence, and style. His interest should be totally directed towards finding birds and his pattern in this pursuit not be discouraged by distant objectives or influenced by easy going. His bird handling should be a breathtaking experience—quality placed ahead of quantity.

This stake requires a wide ranging dog but one whose race is consistent with the course objectives. The winner should show determination and endurance to the point that his pace is consistent throughout his hour performance. He should show independence with reasonable handler contact. He is expected to back if the opportunity presents itself.

Horseback handling is preferred, however it is not required. The horse is a means of conveyance and is intended to be used to facilitate showing this dog at his best.

(Note—For clarification purposes the range of a Brittany All-Age should be comparable to the horseback shooting dog but with more independence).

SOUTHERN NEVADA SPRING TRIAL

The So. Nevada Club Spring Trial started on a chilly and breezy January morning, that whipped itself into a dust storm that lasted two days!

The Open All-Age started Saturday morning with the wind and dust so bad that sometimes you couldn't see the dogs at the castoff line. Dajo's Majestic Bomber didn't let the weather bother him — it was his day. On the call-back, Bomber set up a point that is every field trialer's dream, giving him first place (and his field championship, subject to AKC approval), under the handling of Dave Walker. Congratulations to owner and handler. 2nd place went to Lutam's Big Dipper, 3rd to Li'l Brother Easy, both dogs being handled by Paul Bailey, and 4th went to Jacolet Pride, another Walker handled dog.

The Open Puppy showed us some very promising young ones, with 1st place going to Sugar Rae of Westminster, handled by Dave Walker, Jumpin Jack Flash II captured 2nd place under the handling of owner Bob Woelm with Tiny Acres Our Gal Sal taking 3rd for Jack Brooks, and 4th went to Anjett's Atlanta, another Brooks Dog.

The Amateur All-Age had a very small entry, but it was Scipio Spinks all the way with a great run and great bird work. Scipio was handled by Gary Shipley. 2nd place went to Beauchamp's Tache De Son, handled by Jim Bivins. Both dogs did a great job. All other placements in this stake were withheld.

The Open Gun Dog also had a small entry, but the dogs really showed their stuff. It must have been hard for the Judges to make their decisions. But decide they did, and it was Dajo's Majestic Bomber coming up with another first followed closely by Kaycee's White Flash, under the great handling of Ejner Lund. 3rd went to Greenfields Mister Mark and 4th to Dinar O'Dee, both being handled by Jack Brooks.

The Open Derby saw 20 dogs coming to the

Jumpin' Jack Flash II

line, all showing good All-Age potential. 1st place went to Roni's Lil Bit Tamahawk, with 3rd going to Wishfull Early Wynn and 4th to Tex of Tucson. All 3 dogs were handled by Jack Brooks.

Thanks to all who attended and participated. Hope to see you in the Fall:

ALWAYS GOOD FUN, GOOD PEOPLE, GOOD BRITS, GOOD GROUNDS AND GOOD WEATHER IN MISSOURI

SKYLINE SPRING TRIAL

A forecasted snow storm gave way to brilliant blue skies in Pikes Peak country as 95 entries awaited the start of Skyline's Spring Trial. The dates, April 3 & 4; the site, Fort Carson, Colorado Springs, Colorado. After months of careful planning, everything seemed set, but as luck would have it, we lost our original grounds to the Army. But through the dedicated efforts of our field trial secretary, Owen Nobles and crew, new grounds were acquired and courses set.

We were happy to welcome once again many of our out-of-state friends to the Rocky Mountain State. Lyle and Marge Johnson with their son Steven made the trip from Goddard, Kansas. Also, Tim and Raydell Poling and Tisha from St. Francis; Francis and Tiny Clasen from Garden Plain; Neil Roelph from Delphus; and our club members, Art and Coral Vest from Albuquerque, New Mexico.

A truly spectacular performance was displayed by Dual Ch. HELLO DOLLY MISS KAER. She has everyone buzzing as she scored a triple header by capturing firsts in the Open All-Age, Amateur Gun Dog, and Open Gun Dog. The real highlight of her performance took place in the amateur bird field with a large gallery on hand. Francis Clasen started to worry that he might have to reload his pistol but Dolly spared him the trouble as time ran out after her fifth find.

Francis was also beaming over Dual Ch. CHAR-LEE O'DEE's placements in the amateur and open gun dog stakes. Unofficially that makes 123 wins for CHAR-LEE.

WAY KAN FEELIN' FREE, owned by D. W. Dawson, a frequent winner this spring, took top honors in the Puppy stake. A wide ranging race and two nice finds gave HANK'S KINI POP PO the blue ribbon in the Derby for owner/handler Daryl Hankla. A special footnote to the Derby stake is that three littermates took the first three placements.

The first annual Dual and National

Champion Colorado YANKEE TIMBER Memorial Dual Award was presented by Lucas and Gladys Ruiz, the owners of the late YANKEE TIMBER. The winner was R & D's ROCKY MOUNTAIN TIMBER, by virtue of her placement in the Specialty Show and trial. "Dee" is owned by Rick & Darla Kepner.

A special thanks goes to Everett Metzger for flying in from Oregon to judge the All-Age and Open Gun Dog stakes, as well as our Specialty Show the previous Friday night. Thanks also go to all who worked so hard to make this one of our smoothest running trials ever.

We thank all those who attended. To those who did not attend, we extend a hearty welcome to visit us in the fall. Hope to see you in October.

STILLWATER SPRING TRIAL

by Nolen Cathey

With the cooperation of the pro's, Marc Appleton, Lyle Johnson, Rick Smith, and Bud Epperson things seemed to start with a bang! The weather bureau reported heavy rain for the weekend so, we hurried along to get in all the braces we could.

We had some outstanding races in the Limited and the Open All-Age. The Limited was won by Jacolet's Wandering Star handled by Rick Smith. He also won fourth with Ringo DeBritt, the two dogs owned by Paul and Corky Hinch of Tulsa, Oklahoma. Second place was won by LeCarr's Way Kan Lil handled by Lyle Johnson. Lil is a great female. Third was Pistol's Son Shayne handled by Marc Appleton. This male put on a good show.

Open All-Age started at the end of the Limited on Friday. The first and second place Britt's were real close with the judges. The winner for first place was Hi Spirit Shenandoah, followed closely behind by Brandy's Ranger. These dogs put on a great performance. Ranger is owned by Joe Epperley. I want to thank Joe for marshalling three stakes for us. He did a great job. Way Kan Mac won third for Lyle Johnson in this stake. Fourth place was won by Rogue of Three Rivers handled by Marc Appleton.

We only had five braces in the Open Derby, which was won by Brandy's Lone Star. We had twenty-one in the Open Puppy stake, and the judges reported that they could have used nine placements. These were a great bunch of puppies, which was won by Bayou's Little Pick.

In the Amateur stake we had sixteen starters. All the braces had bird work in the bird field. This stake was won by Mac Ago handled by D. W. Dawson. This is a great bird dog. Second place was won by Duke O' Dee handled by Johnnie Pappan. Third place was won by Rogue of Three Rivers handled by Bert Jones. Fourth place was Hello Dolly Miss Kaer owned by Lester May and handled by Francis Clasen.

I would like to thank the members of the club Carl Perry, J. W. Rowe, Bill Lay, Bud Epperson, and Darrell Cordier for their good work. They stayed until the finish.
